Sex Gods Creative Gift:

Loving the Body D. Hopkins, 2004-12-09 In this book contributors argue that the Black Church must begin to address the significance of sexuality if it is to actually present liberation as a mode of existence that fully appreciates the body The contributors argue that we not only have to look at the Black Church in this discussion but also explore black Christianity in Sexuality: God's Gift Anne Krabill Hershberger, 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Sex in the Parish Karen Lebacgz, Ronald G. Barton, 1991-01-01 Karen Lebacgz and Ronald Barton examine Connecticut the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the expreiences of a pastor who did not set appropriate limits explainations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice **Human Sexuality** John C. Dwyer,1988 Sexuality is both fascinating and troubling It seems to promise that transcendence of ourselves which is our deepest human desire and yet it makes us painfully aware of our limits and of the supreme difficulty of finding ourselves in the process of losing ourselves The relationship of Christianity to sexuality has been particularly troubled but this book is an attempt to reflect on the phenomenon of sexuality from the standpoint of what is central to Christianity that is the view of God and of the human condition which became real in the words and in the life of Jesus of Nazareth The book tries to answer this question if we take Christianity seriously how do we think about our sexuality and what do we do about it This book draws on the ethical reflections of many thinkers and it draws on much work in psychology but its primary focus is either that of ethics or of psychology The book intends to be theology the attempt to talk intelligently about God and the relationship of God to every area of human existence and especially to those aspects of life which are near the center of the human personality and foremost among such is sexuality God, Sex, and Politics Dawne Moon, 2004-07 Dawne Moon explores how members of Protestant congregations determine beliefs about God and justice God Forbid Kathleen M. Sands, 2000-11-16 Since the

1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history world religions theology or ethics As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values This volume corrects that distortion in American public discourse Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family gay rights abortion welfare policy prostitution and assisted reproduction They richly display the complexities and conflicts that exist not only between but within America's various religious traditions for example the pro choice strain within Christian history the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present In these essays contributors put forth views of sexual ethics that are just and compassionate respectful of cultural pluralism and attentive to democratic processes Thorougly researched lucidly written and carefully argues this anthology will debunk the claims of the Religious Right to be the only religious word on sexuality in Human Sexuality United States Catholic Conference, 1991 Provides educational and informational guidance on America the difficult questions and problems involved with human sexuality **Sex Gods Creative Gift** Vickrey Dougherty, 1988-09-01 Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture's recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality. He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs Desirable Belief Margaret D. Kamitsuka, 2024-09-10 Desirable Belief A Theology of Eros is a work of critical and constructive theology informed by the phenomenon of erotic love Within the Christian tradition passion has long been associated with sinful lust incurring shaming and accusations of narcissism Contemporary theologies of eros on the other hand extol sexual desire as God given even sacred This book eschews these two extremes through an examination of the complexities of love and desire as narrated in biblical texts allegorized by church fathers manifested in the lives of mystics analyzed in psychodynamic theory and depicted in poetry literature and Christian art The volume pairs

writers on love as different as Augustine and Jane Austen or Angela of Foligno and Simone de Beauvoir Desirable Belief argues that eros is human and as such informs the Chalcedonian claim of Christ as fully God and fully human A christological perspective that takes eros into account in turn affects the doctrine of the bodily ascension of Christ the nature of resurrected bodies in heaven and whether trinitarian impassibility is still a coherent concept **Voices of the Religious Left** Rebecca Trachtenberg Alpert, 2000 Why Satan Hates Love LeRoy A. Martin, 2011-12-12 Even in todays complicated and often uncertain world God still works in the lives of the faithful Yet despite the incredible power of Gods love Satan still makes his presence known through selfishness greed and temptation In Why Satan Hates Love author LeRoy Martin relies on personal anecdotes the stories of others and his own ideas to share his comprehensive study of the Christian faith and Satanism As he looks at why some marriages work and others do not Martin explains the differences between couples who allow the devil to control their relationship and those who allow Jesus into their hearts and realize that it is their commitment to the marriage that makes it successful Martin also delves into the reasons why we can trust and have confidence in Gods judgment why we need to understand that Satan is a fallen angel and why it is important to know and understand Gods plan for our lives God is here for us The spiritual wisdom provided in Why Satan Hates Love proves that all we have to do is open Stronger Than You Think Kim Gaines Eckert, 2013-03-05 Kim Gaines Eckert has spent our hearts and accept His love years helping women tackle the issues life throws their way At the heart of their struggle she believes is not the desire to be perfect but the desire to be whole As Kim invites you into her conversations with women you ll discover you are not alone in your struggles and you ll find help to become the whole healthy woman he created you to be Homosexuality in the **Church** Jeffrey S. Siker,1994-01-01 Outstanding authorities on scripture tradition reason biology ethics and gendered experience discuss one of the most divisive debates in the church today the place of homosexuals in the community of faith The balanced treatment of the issues and the contrasting insights of the essays make this a valuable resource for reflection individually or in groups Sex, God, and the Conservative Church Tina Schermer Sellers, 2017-04-21 Sex God and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith mired in sexual shame and dysfunction and who desire to both heal and hold on to their faith orientation The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church and their effects on intimate partnerships and sexual lives The book provides clinicians a way to understand the faulty sexual ethic of the early church while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people The book also includes chapters on strategies for a new sexual ethic on clinical steps to heal religious sexual shame and on specific sex therapy interventions clinicians can use directly in their practice Finally it offers a four step model for healing religious sexual shame and actual touch and non touch exercises to bring healing and intimacy into a person s life
