Sex Lives Of The Hollywood Goddebes:

Sex Lives of the Hollywood Goddesses Nigel Cawthorne, 1997 Prion's internationally bestselling Sex Lives series presents lighthearted accounts of the sexual escapades of major figures in history politics religion the arts and film Irreverent and gossipy the books are packed with carnal tidbits and eye opening revelations Sex has long been the common currency of the Hollywood Dream Factory Early movie moguls packed their epics with ravishing dancing girls and frequently used the casting couch to determine who should be rocketed to stardom Louise Brooks and Clara Bow were both brought down by sex scandals the latter in a rumored liaison with the USC football team Mary Astor's career was ruined when explicit extracts from her diaries were read in open court and silent star Alla Nazimova began the trend for Hollywood lesbians Greta Garbo Marlene Dietrich and Claudette Colbert were all members of the Sewing Circle *The Sex Goddess in American Film, 1930-1965* Jessica Hope Jordan, 2009 In the first critical study of the sex goddess in film Jessica Hope Jordan illustrates how Jean Harlow uses her sexualized body to affect and seduce viewers away from any primary identification with those characters and their plotlines that are supposed to lead the film to identifying instead with the kind of sexual empowerment and self possession her characters consistently display Linking the idea of sexual empowerment to the filmic and public celebration of hyper feminine sexuality the book additionally covers previous feminist discussions of Mae West's performances as feminist camp to argue that West sought to both celebrate and embody for women viewers what she viewed as cultural ideals of femininity and women's sexuality With Lana Turner and the cinematic code the book considers the many problems inherent in both the filmic and public celebration of hyper feminine sexuality in relation to censorship and considers the effects of the Hays Code on hyper feminine sexuality as depicted in film noir The book also importantly presents the first critical discussion of the actress Jayne Mansfield suggesting that her 1950s open acceptance celebration and public promotion of her feminine sexuality both onscreen and off makes her not only a precursor of the more sexually liberated 60s but also like the other actresses discussed here a kind of prescient performance artist even theorist of feminine sexuality in particular and cultural ideas about sexuality more generally Beyond recouping her image as feminist the book demonstrates how the kind of desire aroused by the sex goddess a desire which remains endlessly suspended works as a supreme example of the aesthetic apparatus of cinema itself Book Jacket

Sex Lives of the Great Artists Nigel Cawthorne, 1998 This eighth volume in the SEX LIVES series gives pen portraits of great artists who painted nudes such as Picasso Gauguin Leonardo Michelangelo Goya Dali and Degas The author questions whether they were using the excuse of emulating the artists of the ancient world simply in order to persuade young men and women to take their clothes off *Sex Lives of the Popes* Nigel Cawthorne, 1996 An irreverent expose of the Bishops of Rome from St Peter to the present day
