William Marsiglio

Sex Men And Babies Stories Of Awareness And Responsibility:

Sex, Men, and Babies William Marsiglio, Sally Hutchinson, 2002-10-27 This accessibly written collaboration between a sociologist and a nursing teacher is a full account of how young men conceptualize fatherhood Gay Men Pursuing Parenthood through Surrogacy Dean A. Murphy, 2015-07-01 Dean Murphy analyses how relatedness is enacted in the context of gay men pursuing parenthood and a child of one's own through both domestic and transnational surrogacy arrangements Drawing on data collected from in depth interviews with gay men living in Australia and the United States and news media the book explores how gay men enact parenthood and family life in ways that both challenge and reinforce dominant notions of kinship and masculinity These men represent an important first generation to access assisted reproductive technologies for this purpose and are part of an increasing proportion of gay men becoming parents outside a previous heterosexual relationship The findings demonstrate that men come to experience parenthood desire largely because of the new narratives and opportunities being made available to them today International Encyclopedia of Men and Masculinities ,

International Encyclopedia of Men and Masculinities Michael Flood, Judith Kegan Gardiner, Bob Pease, Keith Pringle, 2007-08-07 The International Encyclopedia of Men and Masculinities offers a comprehensive guide to the current state of scholarship about men masculinities and gender around the world The Encyclopedia's coverage is comprehensive across three dimensions areas of personal and social life academic disciplines and cultural and historical contexts and formations The Encyclopedia examines every area of men's personal and social lives as shaped by gender covers masculinity politics the men's groups and movements that have tried to change men's roles presents entries on working with particular groups of boys or men from male patients to men in prison incorporates cross disciplinary perspectives on and examinations of men gender and gender relations gives comprehensive coverage of diverse cultural and historical formations of masculinity and the bodies of scholarship that have documented them The Encyclopedia of Men and Masculinities is composed of over 350 free standing entries written from their individual perspectives by eminent scholars in their fields Entries are organized alphabetically for general ease of access but also listed thematically at the front of the encyclopedia for the convenience of readers with specific areas of interest Dads, Kids, and Fitness William Marsiglio, 2016-10-31 Now more than ever American dads act as hands on caregivers who are devoted to keeping themselves and their families healthy Yet men are also disproportionately likely to neglect their own health care diets and exercise routines bad habits that they risk passing on to their children In Dads Kids and Fitness William Marsiglio challenges dads to become more health conscious in how they live and raise their children His conclusions are drawn not only from his revealing interviews with a diverse sample of dads and pediatric healthcare professionals but also from his own unique personal experiences as a teenage father who thirty one years later became a later life dad to a second son Marsiglio's research highlights the value of treating dads as central players in what he calls the social health matrix which can serve both healthy children and those

with special needs He also outlines how schools healthcare facilities religious groups and other organizations can help dads make a positive imprint on their families health fitness and well being Anchored in compelling life stories of joy tragedy and resilience Dads Kids and Fitness extends and deepens public conversation about health at a pivotal historical moment Its progressive message breathes new life into discussions about fathering manhood and health

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

Male Reproductive Dysfunction Fouad R. Kandeel, 2007-05-22 The successful practice of reproductive medicine requires the coordinated efforts of many medical professionals Male Reproductive Dysfunction Pathophysiology and Treatment describes the most significant advances towards the improved overall understanding of male reproductive dysfunction and provides practical strategies for the assessment and man

Stepdads William Marsiglio, 2004 In Stepdads Stories of Love Hope and Repair William Marsiglio addresses provocative and timely questions facing stepfathers single mothers and remarried couples today This book speaks to those who study and work with stepfamilies as well as persons who have ever thought about or lived in a stepfamily

The Male Clock William Marsiglio, Kendra Siler-Marsiglio, 2015-03-17 As speculative fiction informed by social science and biomedical perspectives The Male Clock propels readers into a futuristic yet believable world transformed by SGEV a debilitating virus that drastically compromises men s ability to procreate Set mostly in the years 2034 2042 Jordan Giordano

a prominent American journalist navigates a world steeped in personal misfortune and public controversy Jordan chronicles his intimate struggle to become a father and family man while doing investigative reporting related to the ever changing social landscape with its radically altered sexual politics heated public debates and new technologies The troubled era is defined by its upswing in baby farming pharma company transgressions new S W A T based and bioterrorism technologies sperm retrieval companies sperm ID cards devices preventing wet dreams a surge in lesbian relationships and male prostitution sperm donating priests and more Because the novel explores the gendered dimensions to family interpersonal relations reproductive and public health and identity issues it can serve as a provocative supplemental text for diverse courses in sociology psychology gender studies sexualities history public health and related fields The plot should resonate with young people as well as persons thinking about or trying to have children Ultimately The Male Clock will compel people to question how individuals and groups cope with unwanted social change that challenges our identities and social conventions Edgy and provocative The Male Clock is a creative blend of sci fi and social science that takes the reader into a dystopian future where men s fertility is threatened and societal norms of masculinities and femininities are turned on their head Ideal for instructors looking to integrate diverse materials into their gender sexuality or families courses Dana Berkowitz Associate Professor Sociology and Women s and Gender Studies Louisiana State University The Male Clock has exciting possibilities for the classroom of the 21st century joining smart social science with speculative fiction to help students imagine a dystopian future and hopefully also to forge positive alternative futures Michael A Messner Professor of Sociology and Gender Studies University of Southern California The Male Clock is an intriguing twist on normative gender tropes about sex and fertility With thought provoking insight into a host of social science topics and a fast paced sci fi storyline The Male Clock is sure to be a useful tool for courses related to gender sexuality relationships family and health Gayle Kaufman Professor of Sociology and Gender and Sexuality Studies Davidson College William Marsiglio Ph D is Professor in the Department of Sociology and Criminology Law University of Florida and Fellow in the National Council of Family Relations Kendra Siler Marsiglio Ph D Microbiology and Cell Science writes health columns podcasts and scripts and is a former researcher in Animal Science and Neuroscience departments Men on a Mission William Marsiglio, 2008-05-30 The first comprehensive study of men who work and volunteer with kids in a variety of public settings this book brings to life diverse histories and experiences of men who have worked as coaches teachers youth ministers probation officers Big Brothers Boys Girls Club staff 4 H agents and the like Drawing on in depth interviews with men between the ages of 19 and 65 ethnographic observations and more than twenty years of research on fathers sociologist Marsiglio explores men s motives for doing youth work effective interpersonal strategies the perception and expression of mentoring the mutual influences that youth work and fathering have on each other the youth workers own personal development and the impact of social policy and programmatic initiatives He offers a forward looking vision for getting men more involved and involved

more productively in helping kids thrive From publisher description Handbook of Measurement Issues in Family Research Sandra L. Hofferth, Lynne M. Casper, 2013-04-15 Dramatic societal changes have reshaped America's families Young adults have delayed marriage and cohabitation before marriage has become commonplace One in three women giving birth is unmarried and the proportion of children under 18 living in single parent families rose from 23 to 31 percent between 1980 and 2000 reflecting increased rates of both nonmarital childbearing and divorce This authoritative volume offers a blueprint for addressing some of the most important measurement issues in family research and it points out potential pitfalls for researchers and students who may not be familiar with data quality issues The Handbook of Measurement Issues in Family Research will appeal to scholars in the departments of psychology sociology and population studies as well as researchers working in governmental agencies *Fatherhood in Contemporary Discourse* Anna Pilińska, 2017-05-11 This volume offers a variety of perspectives on contemporary fatherhood from analyses of literature film drama and popular culture to issues tackled by psychology gender studies and social sciences Arranged into thematic sections the chapters cover a wide range of approaches to fatherhood including studies and analyses based on fieldwork and interviews with participants Each chapter discusses various culture dependent models of masculinity in relation to the topic of fatherhood depicted in works of literary and film art emphasizing the crucial factors and features which make all these models different from one another and using examples of such cultural contexts as Australia China Indonesia Brazil and Iran With the use of methodological tools provided by literature studies film studies culture studies psychology gender and queer studies and sociology the book is a comprehensive insight into current research on both real life and fictional realizations of fatherhood Clinical Ethics at the Crossroads of Genetic and Reproductive Technologies Sorin Hostiuc, 2023-08-14 The Human Genome Project has triggered a technological revolution that has influenced nearly every field of medicine including reproductive medicine obstetrics gynecology andrology prenatal genetic testing and gene therapy This second edition of Clinical Ethics at the Crossroads of Genetic and Reproductive Technologies offers a thorough timely discussion of ethical issues raised by the latest genetic and genomic technologies applied in human reproductive and prenatal medicine providing practical recommendations guidelines and algorithms to support ethical clinical practice Here international experts consider the ethics of technologies from preconception carrier screening to genetic engineering CRISPR gene editing mitochondrial gene replacement therapy sex selection predictive testing secondary findings embryo reduction and the moral status of the embryo genetic enhancement and the sharing of genetic data Throughout the book contributors adopt a global holistic perspective on applied challenges and the moral questions around the implementation of genetic reproductive technologies The book is an ideal resource for practitioners regulators lawmakers clinical researchers genetic counselors and graduate and medical students This fully updated second edition examines new developments in the field tackling ethical aspects of organoid development recent advances in pharmacogenomics direct to consumer genetic testing and genetic engineering

Provides practical analysis of the ethical issues raised by cutting edge techniques and recent advances in prenatal and reproductive genetics Contains contributions from leading bioethicists and clinicians who offer a global holistic perspective on applied challenges and moral questions relating to genetic and genomic reproductive technology Discusses preconception carrier screening genetic engineering and the use of CRISPR gene editing mitochondrial gene replacement therapy and ethical issues among others Considers ethical aspects of recent advances and new technologies in the field from organoid development to pharmacogenomics and direct to consumer genetic testing

Parenting and Substance Abuse Nancy E. Suchman, Marjukka Pajulo, Linda C. Mayes, 2013-02-15 Historically there has been little integration of theoretical or applied research on addiction treatment and parenting intervention development Rather the fields of addiction and developmental research have progressed on largely separate trajectories even though their focus powerfully and often tragically intersects each time a parent is diagnosed with a substance use disorder Parenting and Substance Abuse is the first book to report on pioneering efforts to move the treatment of substance abusing parents forward by embracing their roles and experiences as mothers and fathers directly and continually across the course of treatment The chapters in this volume represent important new strides among researchers and clinicians to address and close the increasingly recognizable gap between addiction and developmental science Chapters focus on current state of the art treatment models for parents primarily pregnant and parenting women including descriptions of innovative treatments currently being developed and evaluated that focus on parental addiction and the parent child relationship within a developmental framework Part I covers the theoretical understandings of how addiction impacts the developmental processes of parenting Part II discusses risk assessment evaluation and a variety of interventions and therapies This unique volume will be of importance to clinicians researchers students and trainees in the health professions who develop implement and evaluate interventions for parental addiction including in well baby clinics primary care settings pediatric clinics and residential and outpatient drug treatment programs

Gay and Lesbian Parenting Fiona Tasker, Jerry J. Bigner, 2008-04-14 Gay and Lesbian Parenting New Directions builds on important research with a detailed multidisciplinary examination of established knowledge and emerging information

Fatherhood in Late Modernity Mechthild Oechsle, Ursula Müller, Sabine Hess, 2012-08-09 Changes in Fatherhood How do structural changes in the welfare state in gender relations and work affect concepts and realities of fatherhood The authors analyse cultural images and representations of fatherhood varieties of fatherhood in relation to social backgrounds organisational influences as well as the impact of political and legal interventions on configurations of fatherhood With an interdisciplinary approach this book's contributions investigate the sometimes contradictory relationship between cultural representations and social practices of fatherhood They contextualise diverse fatherhoods in various social backgrounds ethnicities ages and different national contexts Reflecting methodological challenges is crucial to the volume's approach Which parameters are used to quantify change Which links and interactions between cultural individual organizational and

societal dimensions do exist regarding the development of new social configurations of fatherhood How can the complex interaction between structural constraints and agency be analysed Can certain agents of change be identified How can social change be conceptualized This volume links to international comparative research and shows how fruitful it can be to break disciplinary boundaries

Birthing Fathers Richard K. Reed, 2005 In this unique study Richard Reed draws on the feminist critique of professionalized medical birthing to argue that the clinical nature of medical intervention distances fathers from child delivery He explores men's roles in childbirth and the ways in which birth transforms a man's identity and his relations with his partner his new baby and society In other societies birth is recognized as an important rite of passage for fathers Yet in American culture despite the fact that fathers are admitted into delivery rooms little attention is given to their transition to fatherhood

Conceptualizing and Measuring Father Involvement Randal D. Day, Michael E. Lamb, 2003-10-03 This comprehensive study focuses on ways of measuring the efficacy of father involvement in different scenarios using different methods of assessment and different populations It stems from a series of workshops and publications sponsored by the Family and Child Well Being Network

Battleground: The Family Kimberly Brackett, 2008-12-30 Everyone is part of a family but what constitutes a family is one of the most hotly debated issues in the United States today Battleground The Family provides extensive coverage of those critical issues in U S culture concerning current and future family life such as dating marriage parenting work and family abuse and divorce The scholarly contributors to this set provide unbiased coverage on these often incendiary topics allowing students to assess the role of these controversies in their own lives Entries thoroughly introduce the topic of concern describe the problem as it currently exists provide context for the controversies surrounding it synthesize the current knowledge on the topic and guide the reader to additional areas for consideration Battleground The Family serves as a starting point for those advanced high school and beginning undergraduate students who wish to pursue a more detailed study of family controversies and cultural concerns for classroom assignments Non specialist readers will also find this a useful resource in critically assessing current trends and conflicts in constituent groups conceptions of family

Proposing Prosperity? Jennifer M. Randles, 2016-12-27 Fragile families unmarried parents who struggle emotionally and financially are one of the primary targets of the Healthy Marriage Initiative a federal policy that has funded marriage education programs in nearly every state These programs which encourage marriage by teaching relationship skills are predicated on the hope that married couples can provide a more emotionally and financially stable home for their children Healthy marriage policy promotes a pro marriage culture in which two parent married families are considered the healthiest It also assumes that marriage can be a socioeconomic survival mechanism for low income families and an engine of upward mobility Through interviews with couples and her own observations and participation in marriage education courses Jennifer M Randles challenges these assumptions and critically examines the effects of such classes on participants She takes the reader inside healthy marriage classrooms to reveal how

their curricula are reflections of broader issues of culture gender governance and social inequality In analyzing the implementation of healthy marriage policy Randles questions whether it should target individual behavior or the social and economic context of that behavior The most valuable approach she concludes will not be grounded in notions of middle class marriage culture Instead it will reflect the fundamental premise that love and commitment thrive most within the context of social and economic opportunity
