Discover the life giving truth about sex in this revolutionary study of the Bible *What the Bible Really Does (and Doesn't)*

Say about Sex Matthew O'Neil,2015 A biblically based counter to the arguments made by the Christian right in debates over gay marriage women s rights contraception and abortion People are constantly judged for their sexual choices their frequency of sexual activity their selection of partners and their decisions regarding birth control and much of this judgment stems from the element of culture perhaps most preoccupied with sex religion What the Bible Really Does and Doesn't Say about Sex addresses this often unhealthy and troublesome relationship between sex and religion Focusing principally on Christianity it examines the arguments religious moralizers and sanctimonious politicians make to condone or condemn certain sexual practices and lifestyles But do they even get it right What does scripture really say about the how when why and with whom of sex Is homosexuality really an abomination Is abortion murder Is premarital sex a sin The answers may surprise you the Bible does not always make the claims those who wave it passionately in the air say it does In fact the Bible often says nothing at all about many of the practices and lifestyles the faithful argue so vociferously for or against By setting the biblical record straight this book offers highly compelling arguments for those who want to keep religion off their bodies and out of their bedrooms It also reminds puritanical crusaders that before they thump their Bible on street corners or in campaign speeches they should perhaps read and understand it first **Sex in the Bible** J. Harold Ellens,2006-03-30

What is the Bible s stance on such controversial issues as homosexuality and polygamy What does it have to say about sexual behaviors that some would deem perverted or criminal Is sex always wrong if it is not used to create life Ellens answers these and other questions in a book that argues that our understanding of what the Bible has to say about sex is frequently misguided He corrects our impressions with a look at the Scriptures themselves considers what they might have meant to people in the past and reflects on how we understand or misunderstand them today Focusing on early interpretations and contemporary misconceptions Ellens guides readers through what the Bible actually says showing how these messages have

been interpreted in different contexts and suggesting new ways of reading and translating them for use in our own lives Readers hoping to reach a better understanding of the Bible's views on sexual practices and sexuality in general will find their questions answered here What does the story of Adam and Eve reveal about sex and sexuality What does the Old Testament say about sex and how might we interpret that in our own lives today How does the New Testament say we should behave in our sexuality and our lives What lessons can we learn from a closer examination of the Bible and its teachings on human love marriage and sexuality These are among the many questions Ellens answers in an effort to help us all come to a better understanding of the gift of sexuality and its attendant behaviors in our lives In non judgmental prose he elucidates the Bible and our understanding of its teaching on these and related issues Women, Sex and the Bible C. Thomas Dennis, 2003-06 *The Bible's Yes to Same-Sex Marriage* Mark Achtemeier, 2014-06-01 In the early 2000s Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church In *The Bible's Yes to Same Sex Marriage* Achtemeier shares what led to his change of heart the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian gay bisexual and transgender LGBT community Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love marriage and sexuality for gay and straight people alike **The Bible's Yes to Same-Sex Marriage, New Edition with Study Guide** Mark Achtemeier, 2015-08-28 In the early 2000's Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church In *The Bible's Yes to Same Sex Marriage* Achtemeier shares what led to his change of heart the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for LGBT persons Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message for gay people Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love marriage and sexuality for gay and straight people alike This new edition includes a study guide and a new introduction from the author that reflects on the U S Supreme Court ruling and changes within the church Perfect for groups or self reflection the study guide directs readers over four sessions to explore both Achtemeier's book and the Bible *The Sex Bible* Susan Crain Bakos, 2008-08 The *Sex Bible* is an authoritative comprehensive and beautifully photographed sex resource book that provides in depth treatment of sexual topics in frank detail such as an encyclopedia would The book is arranged into different sections for example Foreplay Sex Toys Oral Sex It explores sexual subjects you are either familiar with or until now never even knew existed Couples will be captivated by personal anecdotes interspersed throughout Illustrated with full color photography The

Sex Bible will not only educate its readers but help heighten sexual enjoyment *Sex and the Sacred* Daniel A. Helminiak, 2006 This is an examination of the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and a belief in God The author looks at the relationship between spirituality and sexuality from both a humanistic and more familiar Christian point of view **The Law of Love** Wylark Day, 2002-12-09

What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1 Corinthians 8 2 And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is best because it is based on Fear Yet God's philosophy is LOVE and to love requires knowledge In this the second volume of *Sex and the Bible* we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine The Sex Texts Arthur L., 2013-09-16 For all intent virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia It follows then that we take for evident truths for example our views on the Creator and creation's sexuality gender issues and human relationship concerns may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors Now isn't the mere chance of that being true too scary The Sex Texts Sexuality Gender and Relationships in the Bible by L Robert Arthur raises just that possibility despite the strong likelihood of facing stiff criticism from many sectors mostly of the established Catholic persuasion Yet those inclined to know the true message of Jesus Christ and his closest disciples may well take heed to scrutinize at the very least what Robert is trying to point out in his work The Sex Texts Sexuality Gender and Relationships in the Bible promises to raise a storm but the public debate it could engender may yet start a new direction for the rest of humanity Biblical Sex: Bible Truth About Sexual Ethics BiblicalSex.org, 2023-07-26 Struggling with sexual shame and guilt Or with what scripture says about porn masturbation and lust Learn Bible truth from experts that will give your conscience the freedom God intended Are you tired of fighting a never ending battle for sexual purity Do you wonder how far is too far when it comes to sex Does true freedom from sexual sin even seem possible If you've wondered about questions like these then Jesus is your answer He gives you his holiness and frees you from sexual moralism And he does that not by your own best efforts to maintain pure desires but rather simply through your belief in the truth of his Word Biblical Sex Bible Truth About Sexual Ethics is a Gospel centered look at the specific words language concepts principles and theology of the body found in scripture Written in an honest pragmatic style this book will challenge your assumptions about sex even transforming the way you think and understand your own freedoms in Christ The truth of Jesus is what will liberate you from religious moralism In Biblical Sex Bible Truth About Sexual Ethics you'll discover How the word lust in the Bible can be misleading Why the vague term sexual immorality is problematic Why most Christians condemn all types of porn and masturbation but God does not Why much of the problem with pornography is the

way we think about it How shaming and unnecessary prohibition often lead to addiction like problems and much more
