Sex And Pleasure:

Enjoy! Joyce J. Penner, Clifford L. Penner, 2017-01-01 Do you want a stronger more exciting sex life with your husband As a married woman you have the power to increase sexual fulfillment for you and your husband if you aren't stymied by false assumptions about a wife's role in sex In *Enjoy The Gift of Sexual Pleasure for Women* Dr Clifford and Joyce Penner dispel assumptions that can keep women from accepting and expressing their God-given sexuality in marriage After more than forty years as sex therapists and educators the Penners have learned what helps couples build lasting mutually enjoyable sex in marriage Their knowledge is culled from the stories of thousands of individuals and couples who sought help with frustrations and have found relief and mutual fulfillment In this book they share step by step practical ways for wives to move from duty and disappointment to pleasure and fulfillment Learn how the woman's biblical role for sex in marriage is to pursue all of who she is sexually and share her sexuality with her husband which will in turn increase his satisfaction Be empowered as a woman to embrace your sexuality and find deeper enjoyment with your husband This title is a companion to *The Married Guy's Guide to Great Sex* also by the Penners

The Politics of Pleasure in Sexuality Education Louisa Allen, Mary Lou Rasmussen, Kathleen Quinlivan, 2013-12-17 Pleasure and desire have been important components of the vision for sexuality education for over 20 years This book argues that there has been a lack of scrutiny over the political motivations that underpin research supportive of pleasure and desire within comprehensive sexuality education In this volume key researchers in the field consider how discourses related to pleasure and desire have been taken up internationally They argue that sexuality education is clearly shaped by specific cultural and political contexts and examine how these contexts have shaped the development of pleasure's inclusion in such programs Via such discussions this volume incites a re-configuration of thought regarding sexuality education's approach to pleasure and desire

With Pleasure : Thoughts on the Nature of Human Sexuality Paul R. Abramson Professor of Psychology, Los Angeles Steven D. Pinkerton Post-doctoral Fellow both of the University of California, 1995-11-09 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding gay rights to issues of gender and feminism With Pleasure explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs With Pleasure provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurable of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to

ignite a firestorm of controversy **Sexual Fulfillment** Herbert W. Chilstrom, Lowell O. Erdahl, This book approaches some of the more difficult to discuss areas of human sexuality singles and sexual fulfillment unmarried persons and sexual fulfillment same sex relationships and sexual fulfillment in the elder years The authors distinguish between life giving sex and life degrading sex They then discuss healthy sexuality in a variety of life stages and relationships With a pastoral and compassionate tone the authors explore the issues Christian people face with respect to the experience and expression of their sexuality Questions for discussion are intended both to elicit personal reflection and to move congregations to become safe places Sex Is Not A Natural Act & Other Essays Leonore Tiefer, 2018-03-09 Revisits and updates the centrality of the social construction of sexuality especially in the age of Viagra FSD female sexual dysfunction and the media saturation of sex Leonore Tiefer is one of the foremost sexologists working in the United States today she is a well known and respected scholar who writes engagingly and humorously about a wide array of topics in sexuality to appeal to both students and general readers Revised and updated with new pieces on the medicalization of sex FSD female sexual dysfunction and the politics of sex as well as classic pieces found in the original edition such as Am I Normal The Question of Sex *Kama Sutra* Olivia Dare, 2021-04-11 55% Off Bookstores NOW at 41 95 instead of 51 95 Your Customer Will Never Stop to Use This Awesome Book Improve Your Sex Life Now These sex positions will blow your mind Positions are chosen for optimal sexual experience and creative fun under the sheets Try these great moves with your partner This book will teach you enjoyable sex positions that you can bring to the bedroom and even beyond Sex is a major part of our lives so we should enjoy it Creative positions can help you to explore your sexuality in different ways They will be enjoyable and even bring you and your partner closer in the bedroom What You Will Get 365 Sex Positions for your Enjoyment Positions for every skill level easy to expert Positions chosen for maximum pleasure Advice and Safety is Considered All Positions come with an image Wait no more Buy it NOW and let your customer get addicted to this amazing book **Sexuality and Spirituality, Pursuing Integration** William F. Kraft, 2005-04-21 This book is a response to such questions as What is sexuality Spirituality How are they interrelated What is healthy sex and how can we achieve it Are there different kinds of sexuality What are female male similarities and differences What is the sense and nonsense of marital and nonmarital sex heterosexuality homosexuality masturbation sexual addictions and abstinence My goal is to construct a model of sexuality and spirituality that engenders more health and satisfaction My method is phenomenological Theological truths are not explicitly included I am a psychologist not a theologian Nevertheless theologians and religious leaders across a broad spectrum have assured me that my vision is not incongruent with theirs and that it can serve as an infrastructure for their studies My hope is that what follows will help married single and vowed celibate people to cope with grow from and enjoy their sexuality from the Preface Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are

authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists

Women, Sexuality and the Political Power of Pleasure Susie Jolly,Andrea Cornwall,Kate Hawkins,2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women s sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all

Development, Sexual Rights and Global Governance Amy Lind,2010-01-04 This book addresses how sexual practices and identities are imagined and regulated through development discourses and within institutions of global governance The underlying premise of this volume is that the global development industry plays a central role in constructing people s sexual lives access to citizenship and struggles for livelihood Despite the industry s persistent insistence on viewing sexuality as basically outside the realm of economic modernization and anti poverty programs this volume brings to the fore heterosexual bias within macroeconomic and human rights development frameworks The work fills an important gap in understanding how people s intimate lives are governed through heteronormative policies which typically assume that the family is based on blood or property ties rather than on alternative forms of kinship By placing heteronormativity at the center of analysis this anthology thus provides a much needed discussion about the development industry s role in pathologizing sexual deviance yet also more recently in helping make visible a sexual rights agenda Providing insights valuable to a range of disciplines this book will be of particular interest to students and scholars of Development Studies Gender Studies and International Relations It will also be highly relevant to development practitioners and international human rights advocates The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9780203868348> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Handbook of the New Sexuality Studies Steven Seidman,Nancy Fischer,Chet Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this

key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies
