Parenting: a Journey of Faith While Navigating the Detours Lucy Watani-Simiyu,2021-07-30 Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes She wrote this book after a season when nothing made sense and it felt like she'd been abandoned by God It was a time filled with anxiety and heartbreak and with many questions unanswered As she shares her story she gives you permission to not be a hero or be an unobtainable version of someone's faithful Christian highlight reel You can be right where you are moving toward freedom As you read In her parental journey and counselling sessions the experiential learning from thousands of parents raised many questions and gives answers to questions such as How can parents connect themselves to the very heart of God What message does God have for you as a parent Can children question their faith in God in a nerve wracking way to parents and yet continue to function sanely How can parents equip themselves with the truth of God's Word to keep sane and fulfill their ambassadorial calling What does it mean for a parent to have a well planned journey for a child You ask what do I do when

my child makes the wrong choices How do I deal with contrary or counterculture What about parenting guilt Where is God in all this Filled with verses from Scripture examples from the Bible and practical insights from the author's own life experiences this book will help you combine grace truth and God's Word to find strength and help children overcome obstacles This book points you to the source of joy in your journey by pointing you to God's Word the truth that sets you free when the journey gets weary The blueprint still works not to make you guilty but to liberate you Maybe you are a parent who is paralyzed by fear of your child's choices You may be anxious hopeless and helpless about your child's future Perhaps you are weighed down by guilt and shame caught in a slump overwhelmed with regret trapped in a dead end parenting and numb from a child's choice You may be drowning in disappointment anger shame and unfilled spiritually so that God and his promises do not make sense Instead of tying our hope to specific outcomes let us connect ourselves to the very heart of God With compelling storytelling and sound scriptural backup this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope filled future [Small Press Record of Books in Print](#) Len Fulton,1994

Inside Family Therapy Michael P. Nichols,1999 The story of family therapy is usually told in a particular way The subject is families but the point of view is the therapist's This perspective allows us to narrow our focus to essential dynamics complementarity triangles cross generational coalitions and to emphasize therapeutic techniques Face to face with a family in pain it can be hard to see past their griefs and complaints to the underlying dynamics So if therapists sometimes reduce the complexities of human relationships to categories they can deal with they do so for a good reason But inevitably something is lost This book brings you into the consulting room to see for yourself what goes on Many cases are described but the emphasis is on the details of one family's therapy This story also takes you deep into the experience of the family in treatment **Whitaker's Cumulative Book List** ,1981 **Bowker's Complete Video Directory** ,1998
