Traditional Jewish Sex Guidance: A History Evyatar Marienberg, 2022-07-25 When Jews literate in Hebrew a group that until recently was mostly men wanted to learn from traditional Jewish sources how to behave in their conjugal bed what did they find Did the guidance differ between generations places or cultural contexts How did thinkers in a tradition based on supposedly binding texts deal with changing sensibilities needs and realities in this intimate domain This study explores sources from the Bible to contemporary publications showing both stability and change in what Jews were instructed to do or to avoid doing when having sex with their spouse *Intercourse* Andrea Dworkin, 2009-09-14 *Intercourse* is a book that moves through the sexed world of dominance and submission It moves in descending circles not in a straight line and as in a vortex each spiral goes down deeper Its formal model is Dante s *Inferno* its lyrical debt is to Rimbaud the equality it envisions is rooted in the dreams of women silent generations pioneer voices lone rebels and masses who agitated demanded cried out broke laws and even begged The begging was a substitute for retaliatory violence doing bodily harm back to those who use or injure you I want women to be done with begging The public censure of women as if we are rabid because we speak without apology about the world in which we live is a strategy of threat that usually works Men often react to women s words speaking and writing as if they were acts of violence sometimes men react to women s words with violence So we lower our voices Women whisper Women apologize Women shut up Women trivialize what we know Women shrink Women pull back Most women have experienced enough dominance from men control violence insult contempt that no threat seems empty *Intercourse* does not say forgive me and love me It does not say I forgive you I love you For a woman writer to thrive or arguably to survive in these current hard times forgiveness and love must be subtext No I say no *Intercourse* is search and assertion passion and fury and its form no less than its content deserves critical scrutiny and respect PREFACE

Intercourse (EasyRead Comfort Edition) Andrea Dworkin, 2007 [From Moses to Moses](#) Irving Taylor, 2019-03-23 The book is a fictional account of the life and times of Moses ben Maimon the Rambam Moses Maimonides one of the greatest Jewish theologians and philosophers who was also a distinguished physician to the Court of Saladin Born in Cordoba Spain in 1135 he will be remembered for his three brilliant books the Commentary on the Mishna the Mishneh Torah and the Guide of the Perplexed He also wrote ten medical treatises Due to persecution he was forced with his family to travel throughout Spain before moving to Fez in Morocco then Palestine and finally to Egypt where he was appointed as nagid to the Jewish community He died in 1204 and is buried in Tiberias Israel His tombstone reads From Moses to Moses there never arose a man like Moses **Medieval Sexuality** Joyce E. Salisbury, 2019-01-17 Originally published in 1990 Well annotated bibliographical entries cover works on history religion medicine philosophy law and literature in western Europe from about

the third century A D through the end of the medieval period The primary sources are organised thematically and separately from secondary sources Languages covered include English Spanish Portuguese French German Italian and Latin The focus is on sexuality and sexual attitudes not on the related topics of marriage and family Detailed indexes are also included

Marriage, Sex and Family in Judaism Michael J. Broyde, Michael Ausubel, 2005-08-22 Marriage Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage

Routledge Library Editions: History of Sexuality Various Authors, 2021-02-12 Reissuing seven works originally published between 1977 and 1992 this collection offers a varied selection of surveys of historical practices and attitudes to sexuality from complete reviews of changing attitudes through time to individual studies of France in the 19th and 20th Centuries and England in the 17th This set will be of interest in sociology gender studies cultural studies and history

Maimonides and the Sciences Robert S. Cohen, H. Levine, 2013-03-09 In this book 11 leading scholars contribute to the understanding of the scientific and philosophical works of Moses Maimonides 1135 1204 the most luminous Jewish intellectual since Talmudic times Deeply learned in mathematics astronomy astrology which he strongly rejected logic philosophy psychology linguistics and jurisprudence and himself a practising physician Maimonides flourished within the high Arabic culture of the 12th century where he had momentous influence upon subsequent Jewish beliefs and behavior upon ethical demands and upon ritual traditions For him mastery of the sciences was indispensable in the process of religious fulfilment

Readings in Ethics Louis F. Groarke, Paul V. Groarke, Paolo C. Biondi, 2021-04-21 Readings in Ethics offers a vast collection of carefully edited readings arranged chronologically across five historical periods The selections cover many major Western and non Western schools of thought including Daoism virtue ethics Buddhism natural law deontology utilitarianism contractarianism liberalism Marxism feminism and communitarianism In addition to texts from canonical philosophers such as Plato Mill Wollstonecraft and Rawls the volume draws from other sources of wisdom stories fables proverbs medieval mystical treatises literature and poetry The editors have also written substantial introductions annotations discussion questions and suggestions for further reading making for a thorough guided tour of our ethical past and present

Equally in God's Image Julia Bolton Holloway, Constance S. Wright, Joan Bechtold, 1990 Equally in God's Image Women in the Middle Ages is a volume of essays presenting the argument that with the coming of the universities women were excluded in an apartheid of gender from education and power It discusses the resulting paradigm shift from Romanesque to Gothic describing the images which women had of themselves and which the dominant male society had of them We meet in the pages of this book medieval women in their roles as writers pilgrims wives anchoresses and nuns at court on pilgrimage in households and convents The volume as a Distant Mirror for ourselves today seeks to present ways in

which women then fulfilled the roles society expected of them and the ways in which they also subverted through entering into textuality the expectations of the dominating culture in order to quest identity and equality

Isaiah Horowitz's Shnei Luhot Ha-Berit and the Pietistic Transformation of Jewish Theology Joseph Citron, 2021-09-20 In this book Joseph Citron offers the first comprehensive analysis of Prague Rabbi Isaiah Horowitz's c. 1565 c. 1626 magnum opus of Jewish ethical literature the *Shnei Luhot Ha Berit* Citron's close philological analysis reveals the pioneering nature of the work in creating an organic Jewish theological system rooted in the mystical structures of Kabbalah cultivating an orthodoxy in thought and legal practice based upon its principles It provided a platform for laypeople to attain great spiritual heights by emphasising that God could be served and cleaved to through mundane activity and that Judaism demanded deep emotion and joy as much as Talmudic erudition or meticulous observance The *Shelah*'s paradigms significantly influenced 17th century Sabbatean movement the 18th century Hasidic movement and Jewish Orthodoxy in the 19th century The book is essential for scholars and laypeople alike wishing to understand the evolution of Judaism in Central and Eastern Europe in the early modern period

Fictions of Well-Being Michael Solomon, 2023-09-26 From the fourteenth through the sixteenth centuries in Spain health related information in the vernacular began to circulate widely in treatises compendiums manuals plague tracts summaries encyclopedias and recipe collections These were often the work of concerned physicians who attempted to refashion medical information to appeal to nonprofessionals In *Fictions of Well Being* Michael Solomon explores the shaping of this audience of sickly readers highly motivated individuals who when confronted with the painful disruptive and often alienating conditions of physical disorder looked for relief in books Vernacular medical writing from late medieval and early modern Spain emerged from the interrelated imperatives to address the immediate or future hygienic and pathological needs of the patient while promoting the reputation and learned credentials of the physician For sickly readers a medical treatise was more than just a collection of technical information such a work implied that they could do with a medical text what the physician normally did at the bedside In their imagination the treatise became a type of palpable instrument that encouraged the reader to take advantage of its possible use and benefits In these fictions of well being we may see the antecedents of the self help and popular medical books so prominent on today's best seller lists

The Jewish Body Robert Jütte, 2020-12-25 An encyclopedic survey of the Jewish body as it has existed and as it has been imagined from biblical times to the present That the human body can be the object not only of biological study but also of historical consideration and cultural criticism is now widely accepted But why Robert Jütte asks should a historian bother with the Jewish body in particular And is the Jewish body as much a concept constructed over the course of centuries by Jews and non Jews alike as it is a physical reality To comprehend the notion and existence of a Jewish body he contends one needs to look both at the images and traits that have been ascribed to Jews by themselves and others and to the specific bodily practices that have played an important role in creating the identity of a religious and cultural community Jütte has written an

encyclopedic survey of the Jewish body as it has existed and as it has been imagined from biblical times to the present often for anti Jewish purposes He examines the techniques for caring for the body that Jews acquire in childhood from parents and authority figures and how these have changed over the course of a more than 2000 year history most of it spent in exile From consideration of traditional body stereotypes such as the so called Jewish nose to matters of gender and sexuality sickness and health and the inevitable end of the body in death The Jewish Body explores the historical foundations of the human physis in all its aspects Why Aren't Jewish Women Circumcised? Shaye J. D. Cohen, 2005-09-06 Why aren't Jewish women circumcised This improbable question first advanced by anti Jewish Christian polemicists is the point of departure for this

wide ranging exploration of gender and Jewishness in Jewish thought With a lively command of a wide range of Jewish sources from the Bible and the Talmud to the legal and philosophical writings of the Middle Ages to Enlightenment thinkers and modern scholars Shaye J D Cohen considers the varied responses to this provocative question and in the process provides the fullest cultural history of Jewish circumcision available
