

Sex For Women

Robert Staples

Sex For Women:

Why Women Have Sex Cindy M. Meston, David M. Buss, 2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture shifting Kinsey Report from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection When University of Texas at Austin clinical psychologist Cindy M Meston and evolutionary psychologist David M Buss joined forces to investigate the underlying sexual motivations of women what they found astonished them Through the voices of real women Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep seated psychology and biology that often unwittingly drive women's desires sometimes in pursuit of health or pleasure or sometimes for darker disturbing reasons that a woman may not fully recognize Drawing on more than a thousand intensive interviews conducted solely for the book as well as their pioneering research on physiological response and evolutionary emotions Why Women Have Sex uncovers an amazingly complex and nuanced portrait of female sexuality They delve into the use of sex as a defensive tactic against a mate's infidelity protection as a ploy to boost self confidence status as a barter for gifts or household chores resource acquisition or as a cure for a migraine headache medication Why Women Have Sex stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's and her partner's awareness of her relationship to sex and her sexuality

Sex, Feminism and Lesbian Desire in Women's Magazines Kate Farhall, 2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality In charting changes in the sex and relationship content of women's magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance Where substantive changes can be identified they rise and fall in tandem with feminism By demonstrating this empirical relationship between cultural products and feminist organising the book validates an assumption that has rarely been tested that a feminist social milieu improves cultural narratives about sexuality for women Sex Feminism and Lesbian Desire builds on ground breaking feminist texts such as Susan Faludi's Backlash to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women's magazines By charting the representation of sex and relationships in two women's magazines Cosmopolitan and Cleo since the 1970s through an analysis of over 6 500 magazine pages and 1 500 articles this timely work interrogates and ultimately complicates the apparent linear progression of feminism This book is suitable for researchers and students in women's and gender studies queer studies LGBT studies media studies cultural studies and sociology

Sexuality, Women, and

Tourism Susan Frohlick,2012-12-20 This book is the first to focus on why and how foreign Western women engage in cross border sexual and intimate relations as tourists travelling or temporarily dwelling in a Central American country As an in depth ethnographic account the book traces the experiences of heterosexual North American and European women s transnational encounters and examines new sexual and social practices arising from contemporary global tourism shifting sexual cultures both at home and abroad consumer culture and women s increasing mobility The book combines descriptions of women s travels and sexual relations across racial and class boundaries with feminism postcolonial theory and poststructuralist theories of gender and sexuality to show how tourism as a wide range and set of desires serves as a central shaping force in the formation of women s sexual subjectivities in contemporary life in postindustrial capitalism In doing so it offers new insights into how tourist women express heterosexuality shaped by gender race class and identities This fascinating book focusing on the structure of tourism and role of local culture and social organization in the shoring up of desire develops a unique contribution to the understanding of sex tourism It will be of interest not only to tourism scholars but also to those interested in sexuality anthropology sociology cultural studies women studies gender studies and geography

Sex- and Gender-Based Women's Health Sarah A. Tilstra,Deborah Kwolek,Julie L. Mitchell,Brigid M. Dolan,Michael P. Carson,2021-01-19 This book provides primary care clinicians researchers and educators with a guide that helps facilitate comprehensive evidenced based healthcare of women and gender diverse populations Many primary care training programs in the United States lack formalized training in women s health or if they do the allotted time for teaching is sparse This book addresses this learning gap with a solid framework for any program or individual interested in learning about or teaching women s health It can serve as a quick in the clinic reference between patients or be used to steer curricular efforts in medical training programs particularly tailored to internal medicine family medicine gynecology nursing and advanced practice provider programs Organized to cover essential topics in women s health and gender based care this text is divided into eight sections Foundations of Women s Health and Gender Based Medicine Gynecologic Health and Disease Breast Health and Disease Common Medical Conditions Chronic Pain Disorders Mental Health and Trauma Care of Selected Populations care of female veterans and gender diverse patients and Obstetric Medicine Using the Maintenance of Certification MOC and American Board of Internal Medicine blueprints for examination development authors provide evidence based reviews with several challenge questions and annotated answers at the end of each chapter The epidemiology pathophysiology evaluation diagnosis treatment and prognosis of all disease processes are detailed in each chapter Learning objectives summary points certain exam techniques clinical pearls diagrams and images are added to enhance reader s engagement and understanding of the material Written by experts in the field Sex and Gender Based Women s Health is designed to guide all providers regardless of training discipline or seniority through comprehensive outpatient women s health and gender diverse care

Women Who Love Sex Gina Ogden,2007-09-11 Wonderful sex does more than melt both

body and soul it brings power energy and deep satisfaction to all aspects of our lives In this unique book women who consider themselves highly sexually responsive talk in intimate detail about what gives them the greatest pleasure They redefine sex based on how women really experience sexual pleasure confirming what every woman knows instinctively while creating a new language that every woman will understand Based on extensive one on one interviews conducted by Dr Ogden with hundreds of women this thought provoking wise and unprecedented book transforms how we view sex by giving us new ways to think about sexual pleasure To learn more about the author Gina Ogden go to www.ginaogden.com Women's Sexual Experience Martha Kirkpatrick, 2012-12-06 This book like its companion volume Women s Sexual Development is a potpourri of ideas not campaign literature to promote a particular point of view The editor agrees with some of her authors and strongly disagrees with others The facts are few the questions many The intent of both books is to evoke questions delay convictions invite controversy and plead for opening minds The examination and ex planation of women s sexual experience has long been the province of men The is and the oughts have been hopelessly confused by the investigators or exhorters biases and limited experience as well as by the use of the male sexual experience as the model for all human sexual experience Women at long last are talking not only to each other in personal journals and letters but also in the more formal worlds of academic and scientific publications The papers in this book come from many sources Some are aca demic some are experiential journalistic or personal Several empha size the lack of adequate research and data but address an issue that is just appearing on the surface of contemporary controversy and con cern Many topics and sources of information are missing **For Women Only** Jennifer Berman, Laura Berman, 2011-11-10 According to The Journal of the American Medical Association 43% of women in America of all ages suffer from sexual dysfunction But doctors have generally dismissed these complaints telling women their problems are just in their heads or something they have to accept Dr Jennifer Berman is one of the few female urologists in the country Dr Laura Berman is a sex therapist Together these sisters run the Women s Sexual Health Clinic at Boston University Medical Center the first in the country to offer comprehensive physiological and psychological treatment of female sexual dysfunction In their research and clinical work the Bermans have learned that many of the same physical problems that cause impotence in men can cause dysfunction in women Many women also experience diminished sexual response after aging and menopause or after hysterectomies or other pelvic surgery In this book the Drs Berman give women of all ages the information they need to understand what s going on with their bodies and what treatments are available in order to achieve more fulfilling sex lives **Botany, sexuality and women's writing, 1760-1830** Sam George, 2017-10-03 In this fascinating study Samantha George explores the cultivation of the female mind and the feminised discourse of botanical literature in eighteenth century Britain In particular she discusses British women s engagement with the Swedish botanist Carl Linnaeus and his unsettling discovery of plant sexuality Previously ignored primary texts of an extraordinary nature are rescued from obscurity and assigned a proper place in the histories of science

eighteenth century literature and women's writing The result is groundbreaking the author explores nationality and sexuality debates in relation to botany and charts the appearance of a new literary stereotype the sexually precocious female botanist She uncovers an anonymous poem on Linnaean botany handwritten in the eighteenth century and subsequently traces the development of a new genre of women's writing the botanical poem with scientific notes The book is indispensable reading for all scholars of the eighteenth century especially those interested in Romantic women's writing or the relationship between literature and science **Exploring the Dimensions of Human Sexuality** Jerrold S. Greenberg, Clint E.

Bruess, Sara B. Oswalt, 2016-02-16 Fully revised and updated with the latest data in the field the Sixth Edition of Exploring the Dimensions of Human Sexuality represents all aspects of human sexuality and explores how it affects personality development and decision making Using a student friendly interpersonal approach the text discusses contemporary concepts as well as controversial topics in a sensitive manner and covers the physiological biological psychological spiritual and cultural dimensions of human sexuality Exploring the Dimensions of Human Sexuality is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions sexual health and a lifetime of wellness Femininity, Masculinity, and Sexuality in Morocco and Hollywood Osire

Glacier, 2017-05-19 This book is the first to formulate an ideology of emancipation for women in Morocco Beginning with constructs of the body femininity and masculinity it analyzes the central role played by the sociopolitical writing of sexuality in creating gender hierarchy The author focuses on Morocco while drawing parallels with Hollywood cinema one of the great producers of femininity and masculinity and conducts an exhaustive examination of constructs of femininity and masculinity in language social practices cultural productions and legal texts The objectives of this project are tripartite it exposes the dynamics that devalue women's humanity it charts the schemas of their sexual economic and sociopolitical exploitation and it advances concrete solutions for re-establishing women's human dignity **Exploring Black Sexuality** Robert

Staples, 2006-04-27 In this pioneering nonobjective study a distinguished Black sexologist tackles one of the most controversial aspects of American race relations The subject of Black sexuality has been widely discussed in every possible popular format for the past four hundred years yet serious scholarship in the area is lacking While Black sexuality has been a pervasive force in American life it has been too sensitive a topic for Black or white authors to write about in a serious non-polemical format Robert Staples explores same sex attitudes and behavior interracial sexual relations rape prostitution pornography and the stereotypes of Black sexual superiority in this scholarly yet accessible collection Staples shows how vaunted and feared sexual differences were the *raison d'être* of Southern school segregation race based laws white flight from the inner cities the double sexual standard lynchings and race riots This groundbreaking study concludes with a speculation on the future of Black sexuality in the 21st century based on our knowledge of current demographic and economic forces **Introducing the New Sexuality Studies** Nancy L. Fischer, Laurel Westbrook, Steven

Seidman,2022-06-07 Introducing the New Sexuality Studies Original Essays is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level The fourth edition adds 51 new essays whilst retaining 33 of the most popular essays from previous editions It features perspectives that are intersectional transnational sex positive and attentive to historically marginalized groups along multiple axes of inequality including gender race class ability body size religious identity age and of course sexuality Essays explore how a wide variety of social institutions including medicine religion the state and education shape sexual desires behaviors and identities Sources of and empirical research on oppression are discussed along with modes of resistance activism and policy change The fourth edition also adds new user friendly features for students and instructors Keywords are italicized and defined and each chapter concludes with review questions to help students ascertain their comprehension of key points There is also an online annotated table of contents to help readers identify key ideas and concepts at a glance for each chapter Library of Congress Subject Headings Library of Congress,2003 **Research Awards Index** ,1982 The Gender of Sexuality Virginia Rutter,Pepper Schwartz,2012 Rev ed of The gender of sexuality Pepper Schwartz Virginia Rutter Thousand Oaks Pine Forge Press c1998 Psychology of Gender Vicki S. Helgeson,2016-07-07 Noted for its fair and equal coverage of men and women this book reviews the research and issues surrounding gender from multiple perspectives including psychology sociology anthropology and public health with an emphasis on the interaction between biological and social theories The implications of social roles status and gender related traits on relationships and health that are central to students daily lives are emphasized throughout Students learn how to distinguish the similarities and differences between the sexes and the theories that explain the differences Methodological flaws that may impact the observance of sex differences are also examined Learning activities and pedagogical tools included in the text Do Gender exercises which provide an opportunity to test hypotheses and explore data Sidebars on special interest topics and numerous visuals that bring the studies to life Take Home Points that summarize key concepts in bulleted format Boldfaced key terms and definitions chapter summaries discussion questions and suggested readings which help students review the material New to the 5th Edition Expanded sections on cohabitation homosexuality online relationships social media influences single sex classrooms sex differences in math abilities and gender implications of divorce on health Expanded coverage of gender and parenting gender and the workplace gender and power and balancing work and family An expanded intersectional approach that highlights how gender is connected to social class race and ethnicity including more coverage of gender system justification theory Coverage of transgender issues including recent changes in the DSM guidelines Streamlined discussions to further engage students to think about gender issues A companion website at www.routledge.com/cw/Helgeson where instructors will find Power Point slides multiple choice quizzes and short answer questions

with suggested answers for each chapter and students will find flashcards of key terms chapter outlines and links to related websites and further reading Divided into three parts each section builds on the previous one First gender and the development of gender roles across cultures are introduced Scientific methods used to study gender attitudes toward gender and the latest data and theories on sex differences in cognitive social and emotional domains are then introduced Theories of gender role development including evolutionary social learning social role and gender schema theories are reviewed along with the implications of gender on achievement Part one reviews the key information on the similarities and differences between the sexes and the theories that explain the differences which lay the foundation for the remainder of the book Part two examines the role of gender in relationships including communication styles and the impact of these interactions on friendship and romantic relationships The third part examines the role of gender on physical and mental health The effects of marriage and parenting on health are reviewed including domestic abuse along with how gender affects the association between work and health This is an ideal text for upper level gender focused courses including the psychology of gender psychology of women or men gender issues and gender women s or men s studies taught in psychology women s studies gender studies sociology and anthropology

Between Labor and Capital Pat Walker, 1978 The lead essay by Barbara and John Ehrenreich opens the debate about the nature of the middle class Do those who work between labor and capital constitute a third class or will different sectors tend to ally with either the working class or the capitalist class or is a whole new conception of the dynamics of social change necessary

The Politics of Sexuality in Latin America Javier Corrales, Mario Pecheny, 2010-05-24 The city of Buenos Aires has guaranteed all couples regardless of gender the right to register civil unions Mexico City has approved the Cohabitation Law which grants same sex couples marital rights identical to those of common law relationships between men and women Yet a gay man was murdered every two days in Latin America in 2005 and Brazil recently led the world in homophobic murders These facts illustrate the wide disparity in the treatment and rights of lesbian gay bisexual and transgender LGBT populations across the region The Politics of Sexuality in Latin America presents the first English language reader on LGBT politics in Latin America Representing a range of contemporary works by scholars activists analysts and politicians the chapters address LGBT issues in nations from Cuba to Argentina In their many findings two main themes emerge the struggle for LGBT rights has made significant inroads in the first decade of the twenty first century though not in every domain or every region and the advances made were slow in coming compared to other social movements The articles uncover the many obstacles that LGBT activists face in establishing new laws and breaking down societal barriers They identify perhaps the greatest roadblock in Latin American culture as an omnipresent system of heteronormativity wherein heterosexuality patriarchy gender hierarchies and economic structures are deeply rooted in nearly every level of society Along these lines the texts explore specific impediments including family dependence lack of public spaces job opportunities religious dictums personal security the complicated relationship between leftist

political parties and LGBT movements in the region and the ever present closets which keep LGBT issues out of the public eye The volume also looks to the future of LGBT activism in Latin America in areas such as globalization changing demographics the role of NGOs and the rise of economic levels and education across societies which may aid in a greater awareness of LGBT politics and issues As the editors posit to be democratic in the truest sense of the word nations must recognize and address all segments of their populations

The New Sex Wars Brenda Cossman, 2021-10-26 Revisits the sex wars of the 1970s and 80s and examines their influence on how we think about sexual harm in the MeToo era MeToo's stunning explosion on social media in October 2017 radically changed and amplified conversations about sexual violence as it revealed how widespread the issue is and toppled prominent celebrities and politicians But as the movement spread a conflict emerged among feminist supporters and detractors about how punishment should be doled out and how justice should be served The New Sex Wars reveals that these clashes are nothing new Delving into the contentious debates from the 70s and 80s Brenda Cossman traces the striking echoes in the feminist divisions of this earlier period In exploring the history of past conflicts the resistance to finding common ground the media's pleasure in portraying the debates as polarized cat fights the simplification of viewpoints as pro and anti sex she shows how they have come to shape the MeToo era From the 70s to today Cossman examines tensions between the need for recognition and protection under the law and the colossal and ongoing failure of that law to redress historic injustice By circumventing law altogether MeToo has led us to question whether justice can be served outside of the courtroom Cossman argues for a different way forward one based on reparative models that focus on shared desired outcomes and the willingness to understand the other side Thoughtful and compelling The New Sex Wars explores what can be learned from these stories what traps we repeatedly fall into how we have been denied our anger and where to begin to make law work

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists
