Sex Jess Lair, 1985-11-01 I Ain't Much, Baby--But I'm All I've Got Jess Lair, Ph.D., 1995-03-01 What are some of the discoveries I have made I found I needed people because I needed the love they could give me I found that love was something I did I found that the way I showed people my need and love for them was to tell how it was with me in my deepest heart I came to feel that was the most loving thing I could do for anyone tell them how it was with me and share my imperfections with them When I did this most people came back at me with what was deep within them This was love coming to me And the more I had coming to me the more I had to give away I ain't much baby but I'm all I've got From his experience comes I Ain't Much Baby But I'm All I've Got Lair originally wrote this book for his students but when it gained widespread popularity he rewrote it for publication It is a book meant to help people share in the success of finding themselves

The Drum Is a Wild Woman Patricia G. Lespinasse, 2022-01-04 In 1957 Duke Ellington released the influential album A Drum Is a Woman This musical allegory revealed the implicit truth about the role of women in jazz discourse jilted by the musician and replaced by the drum Further the album s cover displays an image of a woman sitting atop a drum depicting the way in which the drum literally obscures the female body turning the subject into an object This objectification of women leads to a critical reading of the role of women in jazz music If the drum can take the place of a woman then a woman can also take the place of a drum The Drum Is a Wild Woman Jazz and Gender in African Diaspora Literature challenges that image but also defines a counter tradition within women s writing that involves the reinvention and reclamation of a modern jazz discourse Despite their alienation from bebop women have found jazz music empowering and have demonstrated this power in various ways The Drum Is a Wild Woman explores the complex relationship between women and jazz music in recent African diasporic literature The book examines how women writers from the African diaspora have challenged and revised major tropes and concerns of jazz literature since the bebop era in the mid 1940s Black women writers create dissonant sounds that broaden our understanding of jazz literature By underscoring the extent to which gender is already embedded in jazz discourse author Patricia G Lespinasse responds to and corrects narratives that tell the story of jazz through a male centered lens She concentrates on how the Wild Woman the female vocalist in classic blues used blues and jazz to push the boundaries of Black womanhood outside of the confines of respectability In texts that refer to jazz in form or content the Wild Woman constitutes a figure of resistance who uses language image and improvisation to refashion herself

from object to subject This book breaks new ground by comparing the politics of resistance alongside moments of improvisation by examining recurring literary motifs cry and response the Wild Woman and the jazz moment in jazz novels short stories and poetry comparing works by Ann Petry Gayl Jones Toni Morrison Paule Marshall Edwidge Danticat and Maya Angelou with pieces by Albert Murray Ralph Ellison James Baldwin and Ellington Within an interdisciplinary and transnational context Lespinasse foregrounds the vexed negotiations around gender and jazz discourse **The Bellman**, 1914 Memories of a Betrayal Gia Mellow, 2015-02-13 Memories of a Betrayal is an expression of fictional events It was written in hope to inspire others who may have endured some relatable experiences It is my wish to let them know they are not alone and although life may bring some heartache and disappointments their past is only the beginning of their journey The ending is entirely up to them Forgiveness releases love and sets them free *V is for Virgin* Kelly Oram, 2012-12-05 Kyle Hamilton is the quintessential bad boy but Val Jensen is not your typical good girl When Val gets dumped for her decision to stay a virgin until marriage the nasty breakup goes viral on YouTube making her the latest internet sensation After days of ridicule from her peers Val starts a school wide campaign to rally support for her cause She meant to make a statement but she never dreamed the entire nation would get caught up in the controversy As if becoming nationally recognized as Virgin Val isn't enough Val's already hectic life starts to spin wildly out of control when bad boy Kyle Hamilton lead singer for the hit rock band Tralse decides to take her abstinence as a personal challenge How can a girl stay true to herself when this year's Sexiest Man Alive is doing everything in his power to win her over
