Heroes of Their Own Lives Linda Gordon, 2022-10-17 In this unflinching history of family violence Linda Gordon traces policies on child abuse and neglect wife beating and incest from 1880 to 1960 Gordon begins with the so called discovery of family violence in the 1870s

when experts first identified it as a social rather than personal problem From there Gordon chronicles the changing visibility of family violence as gender family and political ideologies shifted and the women s and civil rights movements gained strength Throughout she illustrates how public perceptions of issues like marriage poverty alcoholism mental illness and responsibility worked for and against the victims of family violence and looks at the link between family violence and larger social problems Powerful and moving *Heroes of Their Own Lives* offers an honest understanding of a persistent problem and a realistic view of the difficulties in stopping it

Anecdotes of Big Cats and Other Beasts David Alec Wilson,2022-08-16 In *Anecdotes of Big Cats and Other Beasts* David Alec Wilson masterfully interweaves narratives that explore the interactions between human beings and the majestic wildlife of the natural world Employing a vivid and lyrical prose style Wilson captivates readers with a seamless blend of personal anecdotes scientific observation and cultural reflections The book functions within the larger tradition of nature writing while also offering a contemporary examination of humanity s often fraught relationship with wild animals particularly big cats The rich descriptiveness against a backdrop of ecological commentary invites readers to ponder deeper moral and philosophical questions about conservation and respect for wildlife David Alec Wilson a seasoned wildlife conservationist and nature writer draws from his extensive experiences in various ecosystems around the globe His passion for big cats ignited during his formative years spent volunteering in wildlife rehabilitation centers where he developed a profound empathy for the creatures he now writes about This background not only informs his writing but also underscores his commitment to raising awareness about the critical issues affecting these magnificent animals For those intrigued by the complexity of human animal relationships and the importance of ecological stewardship *Anecdotes of Big Cats and Other Beasts* is an essential read It serves as both an educational tool and a heartfelt tribute to the beauty and fragility of the natural world making it a compelling addition to the libraries of nature enthusiasts and conservation advocates alike

Principles of Gender-Specific Medicine Marianne Legato J,2023-04-03 Awarded with the 2018 Prose Award in Clinical Medicine the third edition of *Principles of Gender Specific Medicine* explored and described exciting new areas in biomedicine that integrated technology into the treatment of disease and the augmentation of human function Novel topics such as the sex specific aspects of space medicine the development and the use of genderized robots and a discussion of cyborgs were included in the third edition providing a preview of the expanding world of sex specific physiology and therapeutics This Fourth Edition is a continuation of the mission to trace the relevance of biological sex to normal function and to the experience of disease in humans We are now twenty years into the postgenomic era The investigation of how the genome produces the phenome has led to fascinating insights as well as yet unanswered questions *Principles of Gender Specific Medicine* Fourth Edition has a central theme discuss advances in understanding the role of epigenetics in regulating gene

expression in a dynamic sex specific way during human life It explores the protean role of epigenetics in human physiology the relevance of environmental experience to human function the therapeutic promise of cutting edge methodologies like gene manipulation the preparation of humans for space travel the use of artificial intelligence in detection and therapeutic decisions concerning disease states the possibilities for technological support of not only compromised individuals but of the augmentation of human function and an analysis of the benefits limitations and issues that surround our current expectations of personalized medicine Covers the most important developments in biomedical research in the past decade with a thoughtful analysis of how they impact patient care Discusses the feasibility and usefulness of personalized medicine the limits and promise of genetic editing the basis for variation in sexual identity and how artificial intelligence and technology will affect basic human function as well as correcting disability Promotes and facilitates discussions about the ethics and governance issues that surround much of what science is now able to do at the most basic levels of human s physiology

Animal Behavior for Shelter Veterinarians and Staff Emily Weiss, Heather Mohan-Gibbons, Stephen Zawistowski, 2015-05-15 *Animal Behavior for Shelter Veterinarians and Staff* presents and evaluates the available research and programs that address both animal and human behaviors associated with the intake management and rehoming of dog and cats Introductions to dog and cat behavior relevant to any animal professional Reviews behavioral reasons for the relinquishment of dogs and cats Describes intake and assessment protocol shelter design training and enrichment programs that reduce stress and enhance behavioral well being Concepts to improve the adoption process and support the human animal bond post adoption *Ebook: Understanding Human Sexuality* Hyde; DeLamater, 2016-04-16 *Ebook Understanding Human Sexuality* **Jane** Robin Maxwell, 2025-06-25 Cambridge England 1905 Jane Porter is hardly a typical woman of her time The only female student in Cambridge University s medical program she is far more comfortable in a lab coat dissecting corpses than she is in a corset and gown sipping afternoon tea A budding paleoanthropologist Jane dreams of traveling the globe in search of fossils that will prove the evolutionary theories of her scientific hero Charles Darwin When dashing American explorer Ral Conrath invites Jane and her father to join an expedition deep into West Africa she can hardly believe her luck Africa is every bit as exotic and fascinating as she has always imagined but Jane quickly learns that the lush jungle is full of secrets and so is Ral Conrath When danger strikes Jane finds her hero the key to humanity s past and an all consuming love in one extraordinary man Tarzan of the Apes Jane is the first version of the Tarzan story written by a woman and authorized by the Edgar Rice Burroughs estate Its publication marks the centennial of the original Tarzan of the Apes At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **From Civil Partnership to Same-Sex Marriage** Nicola Barker, Daniel Monk, 2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a

legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians
