Long March The Epic Of Chinese Communism:

The Long March, 1935 Dick Wilson, 1971 From Revolution To Politics Benjamin Yang, 2021-11-28 Providing fresh analysis of the history and politics of Chinese communism this book utilizes previously inaccessible sources to reassess the epic Long March It sheds new light on the revolutionary momentum and political structure of the Chinese Communist Party in the 1930s **The Long March, 1935** Richard Garratt Wilson, 1971 *The Long March 1935: the Epic of Chinese Communism's Survival* Richard Malcolm Sano Wilson, 1971 *The Long March* Sun Shuyun, 2008-05-06 In *The Long March* Sun Shuyun uncovers the true story behind the mythic march of Mao's soldiers across China exposing the famine disease and desertion behind the legend In 1934 in the midst of civil war the Communist party and its 200 000 soldiers were forced from their bases by Chiang Kai shek and his Nationalist troops Led by Mao Tse Tung they set off on a strategic retreat to the barren north of China thousands of miles away As Sun Shuyun travels along the march route her interviews with survivors and villagers show that the forces at work during the days of the revolution poverty sickness and Mao's use of terror propaganda and ruthless purges have shaped modern China irrevocably Uncovering the forced recruitment political infighting and futile deaths behind the myth Shuyun creates a compelling narrative of a turning point in modern Chinese history and a fascinating journey that spans China old and new **The Long March 1934-35** Benjamin Lai, 2019-09-19 This study tells the epic story of how a routed group of Chinese Communists marched tens of thousands of miles with Mao on a journey that would lead to their eventual triumph and rule of the whole of China Every nation has its founding myth and for modern China it is the Long March In the autumn of 1934 the Chinese Nationalists under Chiang Kai shek routed the Chinese Communists and some 80 000 men women and children left their homes to walk with Mao Zedong into the unknown Mao's force had to endure starvation harsh climates and challenging terrain whilst under constant aerial bombardment and threatened by daily skirmishes The Long March survivors had to cross 24 rivers and 18 mountain ranges through freezing snow and disease ridden wilderness to reach their safe haven of Yan'an In military terms the Long March was the longest continuous march in the history of warfare and it came at a terrible cost after one year 6 000 miles and countless battles fewer than 4 000 of the original marchers were left Illustrated with stunning full colour artwork this enthralling book tells the full story this epic display of resilience and shows how from the desert plateau of Yan'an these survivors would grow the army that conquered China 14 years on changing history forever *The Minjian Avant-Garde* Chang Tan, 2024-02-15 *The Minjian Avant Garde* studies how experimental artists in China mixed with brought changes to and let themselves be transformed by minjian the volatile and diverse public of the post Mao era Departing from the usual emphasis on art institutions global markets or artists communities Chang Tan proposes a new analytical framework in the theories of socially engaged art that stresses the critical agency of participants the affective functions of objects and the versatility of the artists in diverse sociopolitical spheres Drawing from hitherto untapped archival materials and interviews with the artists Tan

challenges the views of Chinese artists as either dissidents or conformists to the regime and sees them as navigators and negotiators among diverse political discourses and interests She questions the fetishization of marginalized communities among practitioners of progressive art and politics arguing that the members of minjian are often more complex defiant and savvy than the elites would assume The Minjian Avant Garde critically assesses the rise of populism in both art and politics and show that minjian could constitute either a democratizing or a coercive force This book was published with generous support from the George Dewey and Mary J Krumrine Endowment

A History of the Chinese Communist Party Stephen Uhalley,1988

A Military History of China David Andrew Graff,Robin Higham,2012-03-09 Gaining an understanding of China's long and sometimes bloody history can help to shed light on China's ascent to global power Many of China's imperial dynasties were established as the result of battle from the chariot warfare of ancient times to the battles of the Guomindang KMT and Communist regimes of the twentieth century China's ability to sustain complex warfare on a very large scale was not emulated in other parts of the world until the Industrial Age despite the fact that the country is only now rising to economic dominance In **A Military History of China Updated Edition** David A Graff and Robin Higham bring together leading scholars to offer a basic introduction to the military history of China from the first millennium B C E to the present Focusing on recurring patterns of conflict rather than traditional campaign narratives this volume reaches farther back into China's military history than similar studies It also offers insightful comparisons between Chinese and Western approaches to war This edition brings the volume up to date including discussions of the Chinese military's latest developments and the country's most recent foreign conflicts

Mindscaping the Landscape of Tibet Dan Smyer Yü,2015-03-30 Based on the author's cross regional fieldwork archival findings and critical reading of memoirs and creative works of Tibetans and Chinese this book recounts how the potency of Tibet manifests itself in modern material culture concerning Tibet which is interwoven with state ideology politics of identity imagination nostalgia forgetting remembering and earth inspired transcendence The physical place of Tibet is the antecedent point of contact for subsequent spiritual imaginations acts of destruction and reconstruction collective nostalgia and delayed aesthetic and environmental awareness shown in the eco religious acts of native Tibetans Communist radical utopianism former military officers recollections Tibetan and Chinese artwork and touristic consumption of the Tibetan landscape By drawing connections between differences dichotomies and oppositions this book explores the interiors of the diverse agentive modes of imaginations from which Tibet is imagined in China On the theoretical front this book attempts to bring forth a set of fresh perspectives on how a culturally and religiously specific landscape is antecedent to simultaneous processes of place making identity making and the bonding between place and people

The Lessons of History: The Chinese People's Liberation Army at 75 , *Chinese Women in a Century of Revolution, 1850-1950* Kazuko Ono,1989 Spanning the century from the Taiping Rebellion through the establishment of the People's Republic of China this is the first comprehensive history of women in modern China Its scope is broad encompassing

political economic military and cultural history and drawing upon Chinese and Japanese sources untapped by Western scholars The book presents new information on a wide range of topics the impact of Western ideas on women especially in education the importance of women in the labor force the relative independence enjoyed by some women textile workers the struggle against footbinding the influence of anarchism the participation of a women s brigade in the Revolution of 1911 the role of women in the May Fourth Movement the differences between the more assertive women of South China and the traditional women of the North in organizing for political action the involvement of peasant women in insurgency and anti Japanese struggles in the countryside and the effects of the Marriage Law of 1950 The author has contributed a new preface to this English edition and Joshua A Fogel and Susan Mann have written an introduction that places the book in the context of studies of Chinese women Japanese sinology and women s history in general The book has extensive notes a bibliography and as an appendix a chronology of the history of women in modern China

Historical Dictionary of the Chinese Civil War
Christopher R. Lew, Edwin Pak-wah Leung, 2013-07-29 The Chinese Civil War which lasted several years or several decades depending on how you define it was one of the most momentous wars of the 20th century for it determined the fate of the world s most populous country and was bitterly fought with millions of combatants involved and hundreds of millions of civilians affected More to the point it was won by the Chinese Communist Party under Mao Zedong who imposed Communist rule while the Nationalists retreated to Taiwan It also heated up the Cold War for quite some time as the Communists were supported by the Soviet Union and the Nationalists by the United States This second edition of the Historical Dictionary of the Chinese Civil War studies the longer broader war and its chronology carefully tracks the major events The introduction then provides a broad overview describing the contending forces and showing how the Communists come out on top The details and these are crucial are laid out in over 200 cross referenced dictionary entries dealing with the opposing forces and parties the major campaigns and battles the Long March and of course the leadership on both sides This book one of few such in English provides a very solid basis for study but that can be accomplished more effectively by consulting the titles listed in an extensive bibliography

Edgar Snow John Maxwell Hamilton, 2003-09-25 Edgar Snow 1905 1972 was one of the most notable Western journalists to report on China in both the revolutionary and postrevolutionary periods He first became famous in the mid 1930s when he broke through a Nationalist blockade and reached the Communists in northwest China For nearly a decade no foreign reporter had seen the Communists who were widely regarded as a ragtag bandit army Snow took them seriously as a national movement His reporting in the now famous book Red Star over China was major news even to the Chinese thousands of whom joined the Communists after reading it It has remained a seminal reference on the early Chinese Communist movement In this award winning biography journalist John Maxwell Hamilton follows Snow from his birth in Kansas City to his rise as a celebrated foreign correspondent for the Saturday Evening Post his ostracism during the cold war and his role as a singular journalistic bridge between Communist China and the United States With a new

preface by the author this revealing portrait of the widely misunderstood Snow firmly establishes him as a model for the kind of committed reporting that is crucial to understanding our interdependent world

From People's War to People's Rule Timothy J. Lomperis, 2000-11-09 Timothy Lomperis persuasively argues the ironic point that the lessons of American involvement in Vietnam are not to be found in any analysis of the war by itself Rather he proposes a comparison of the Vietnam experience with seven other cases of Western intervention in communist insurgencies during the Cold War era China Indochina Greece the Philippines Malaya Cambodia and Laos Lomperis maintains that popular insurgencies are manifestations of crises in political legitimacy which occur as a result of the societal stresses caused by

modernization Therefore he argues any intervention in a people s war will succeed or fail depending on how it affects this crisis The unifying theme in the cases Lomperis discusses is the power of land reform and electoral democracy to cement political legitimacy and therefore deflect revolutionary movements Applying this theory to the ongoing Sendero Luminoso insurgency in Peru Lomperis makes a qualified prediction of that conflict s outcome He concludes that a global trend toward democratization has produced a new era of people s rule

Liu Shaoqi and the Chinese Cultural Revolution Lowell Dittmer,2015-02-12 By addressing the issues that decimated China s monolithic elite in the late 1960s this text illuminates not only the life and fate of Liu Shaoqi but also the policy making process of a revolutionary state facing the diverting exigencies of economic modernization and political development

China at War Xiaobing Li,2012-01-10 This comprehensive volume traces the Chinese military and its experiences over the past 2 500 years describing clashes with other kingdoms and nations as well as internal rebellions and revolutions As the first book of its kind *China at War* An Encyclopedia expands far beyond the conventional military history book that is focused on describing key wars battles military leaders and influential events Author Xiaobing Li an expert writer in the subjects of Asian history and military affairs provides not only a broad chronological account of China s long military history but also addresses Chinese values concepts and attitudes regarding war As a result readers can better understand the wider sociopolitical history of the most populous and one of the largest countries in the world and grasp the complex security concerns and strategic calculations often behind China s decision making process This encyclopedia contains an introductory essay written to place the reference entries within a larger contextual framework allowing students to compare Chinese with Western and American views and approaches to war Topics among the hundreds of entries by experts in the field include Sunzi s classic *The Art of War* Mao Zedong s guerrilla warfare in the 20th century Chinese involvement in the Korean War and Vietnam War and China s nuclear program in the 21st century

China at War 1901-1949 Edward L. Dreyer,2014-05-12 Few phases of history were as heavy with implications for the world at large than the turbulent years through which China moved from the overthrow of the last imperial dynasty in 1911 through anarchy civil war and invasion to the final triumph of the Communists in 1949 yet few periods are as little known by the wider world and so little understood Professor Dreyer s impressive account of China at war is both an important contribution to this new series of studies of modern wars in their full political social and ideological contexts and also a valuable introduction to the birth confused bloody and painful as it was of the future superpower
