SONGS FROM BOOKS RUDYARD KIPLING, 1912 *RUDYARD KIPLING PREMIUM COLLECTION: His Greatest Works in One Volume (Illustrated): The Jungle Book, The Man Who Would Be King, Just So Stories, Kim, The Light That Failed, Captain Courageous, Plain Tales from the Hills* Rudyard Kipling, 2015-08-27

This carefully crafted ebook RUDYARD KIPLING PREMIUM COLLECTION His Greatest Works in One Volume Illustrated is formatted for your eReader with a functional and detailed table of contents. The Jungle Book is a collection of stories and fables using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families, and communities. The best known of them are the three stories revolving around the adventures of an abandoned man cub Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably Rikki Tikki Tavi and Toomai of the Elephants. The Second Jungle Book is a sequel which features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. The Man Who Would Be King is a novella about two British adventurers in British India who become kings of Kafiristan, a remote part of Afghanistan. The story was inspired by the exploits of James Brooke, an Englishman who became the first White Rajah of Sarawak in Borneo. Kim is an adventure novel about the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty. Living a vagabond existence in India under British rule in the late 19th century, Kim earns his living by begging and running small errands on the streets of Lahore. The Just So Stories are highly fantasized origin stories, especially for differences among animals; they are among Kipling's best known works. The Light That Failed, Captain Courageous, Plain Tales from the Hills, Rudyard Kipling 1865-1936 was an English short story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature.

[The Writings in Prose and Verse: Puck of Pook's Hill](#) Rudyard Kipling, 1909 *Puck of Pook's Hill - Illustrated by Arthur Rackham* Rudyard Kipling, 2013-04-16

Puck of Pook's Hill is one of the lesser-known tales of Rudyard Kipling (1865-1935), the famed author of *The Jungle Book*. It is a fantasy novel containing a series of short stories set in different periods of English history. The stories are all narrated to two children living near Burwash, East Sussex, by people magically plucked out of history by the elf Puck, or told by Puck himself. The genres of particular stories range from authentic historical novella (*A Centurion of the Thirtieth On the Great Wall*) to children's fantasy (*Dymchurch Flit*) and are all bracketed by Kipling's masterful poetry. This edition of *Puck of Pook's Hill* is also accompanied by a series of dazzling colour illustrations by Arthur Rackham (1867-1939), one of the most celebrated painters of the British Golden Age of Illustration, which encompassed the years from 1850 until the start of the First World War. Rackham's artistry is quite simply unparalleled. Throughout his career, he developed a unique style combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine and elucidate Kipling's masterful storytelling. Pook Press celebrates the great Golden Age of Illustration in children's literature, a period of unparalleled excellence in book illustration from the 1880s to the 1930s. Our collection showcases classic fairy tales, children's stories, and the work of some
