Long-Term Unemployment and Reemployment Policies Laurie J. Bassi, Stephen A. Woodbury, 2000-12-20 Research in Employment Policy Congressional Procedures and the Policy Process Walter J. Oleszek, 2014 Walter Oleszek examines how the majority and minority parties in the US use procedural devices to achieve their political goals and offers an assessment of the role of conference committees in reconciling bicameral differences Not shying away from the complexity of the topic he ensures that the machinations of Congress are understandable through an array of interesting examples cases and anecdotes Extended UI Benefit Triggers Walter Corson, 1994 *Industrial Policy Movement in the United States*, 1984 Back to Work: Canada Improving the Re-employment Prospects of Displaced Workers OECD, 2015-07-07 Job displacement involuntary job loss due to firm closure or downsizing affects many workers over their lifetime Displaced workers may face long periods of unemployment and even when they find new jobs tend to be paid less than in their prior jobs Helping them get back into good jobs *Handbook of the Economics of International Migration* Barry Chiswick, Paul Miller, 2014-12-08 The economic literature on international migration interests policymakers as well as academics throughout the social sciences These volumes the first of a new subseries in the Handbooks in Economics describe and analyze scholarship created since the inception of serious attention began in the late 1970s This literature appears in the general economics journals in various field journals in economics especially but not exclusively those covering labor market and human resource issues in interdisciplinary immigration journals and in papers by economists published in journals associated with history sociology political science demography and linguistics among others Covers a range of topics from labor market outcomes and fiscal consequences to the effects of international migration on the level and distribution of income and everything in between Encompasses a wide range of topics related to migration and is multidisciplinary in some aspects which is crucial on the topic of migration Appeals to a large community of scholars interested in this topic and for whom no overviews or summaries exist *Back to Work: Finland Improving the Re-employment Prospects of Displaced Workers* OECD, 2016-11-24 Job displacement involuntary job loss due to firm closure or downsizing affects many workers over their lifetime This report on Finland is part of a series of nine reports looking at how this challenge is being tackled in a number of OECD countries **Employment Opportunities Act of 1983** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Employment and Productivity, 1983 **Ageing and Employment Policies Promoting Better Career Mobility for Longer Working Lives in the United Kingdom** OECD, 2024-12-09 The transition towards a green economy rapid development of digital technologies and demographic change are some of the forces disrupting traditional career paths resulting in more fluid diversified career trajectories To benefit from increased longevity workers will increasingly have to consider job mobility at middle and older ages changing jobs or careers more frequently than in the past As in other countries career mobility declines with age in the United Kingdom yet voluntary mobility can provide

opportunities to find better jobs potentially improving job satisfaction skills use and productivity This report identifies key public and employer policies in the United Kingdom that can support career mobility at older ages While the UK labour market remains dynamic providing ample job opportunities not all workers benefit equally Sustained public commitment to better integrated career guidance employment support and skills training is needed to support workers at all stages of their career With workforce ageing all stakeholders including employers must prioritise enhancing job quality along with health and well being to prevent premature workforce exits Key factors include fair pay access to occupational health supportive working conditions and workplace accommodation flexible work options and opportunities for ongoing learning and development
