Peterson, 2021-11-04 Over 200,000 Copies Sold Since Eugene Peterson wrote this spiritual formation classic more than forty years ago hundreds of thousands of Christians have been inspired by its call to deeper discipleship. Our society is still obsessed with quick fixes. But Peterson's time-tested prescription for discipleship remains the same: a long obedience in the same direction. Following Jesus requires a deepening life of prayer and throughout history Christians have learned to pray from the Psalms. Peterson finds particular encouragement for today's pilgrims in the Songs of Ascents Psalms 120-134. With prophetic and pastoral wisdom he shows how the psalms teach us to grow in worship, service, joy, work, humility, community, and blessing. Now including a bibliography of Peterson's works, **A Long Obedience in the Same Direction** is available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A companion Bible study guide is also available. **A Long Obedience in the Same Direction**

Lamblight Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack. No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood. Scientific knowledge and new technologies have also

presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood

benefit both new and experienced Christians **Invitation to a Journey** M. Robert Mulholland Jr.,2016-04-21 M Robert Mulholland Jr fleshes out a carefully worded definition of spiritual formation that encompasses the dynamics of a vital Christian life and counters our culture s tendency to trivialize methodize and privatize spirituality Now revised and expanded by Ruth Haley Barton with a new foreword practices and study guide **1, 2, and 3 John** Karen H. Jobes,2014-02-11 Concentrate on the biblical author s message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God s Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John s letters Karen H Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John s gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God The Mosaic of Atonement Joshua M. McNall,2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us

Understanding the Faith Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion

and you'll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn't Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It's a required resource for every Christian's bookshelf More Than Equals Spencer Perkins,Chris Rice,2021-06-08 Telling the stories of Spencer Perkins and Chris Rice as they served together in an intentionally multiracial ministry this landmark book offers an example of how racial reconciliation is possible and also critical to Christian discipleship With biblical grounding hopeful realism and practical detail this new edition is now available as part of the IVP Signature Collection The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28:16-20 by focusing on the relationship between initiation instruction and Jesus' promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church Christ Changing Lives Rod Culbertson,2018-07-31 If you are involved in the local church or any ministry that wants to create an ethos of Christian growth and education or disciple investing Christ Changing Lives Digging Deeper into the Practice of Disciple Investing is a book that will assist you in thinking through a philosophy of how to invest in followers of Christ Following up on the introductory material of its earlier companion book The Disciple Investing Life Christ Changing Lives will take the reader into a thoughtful treatment of systems of discipleship the art of diagnosis situations one might encounter in the discipling process and how to create balanced disciples The book will also conclude by providing some helpful ideas about how to disciple others in a local church or campus ministry setting Both church and ministry leaders as well as those seriously interested in the task of disciple investing should profit from the practical ideas contained in this insightful publication *Reading Jesus* Vance L. Toivonen,2012-04-12 For more than five hundred years the Bible has been referred to as the Word of God Yet even before the Bible was written there was a Living Word spoken through prophets and through Jesus of Nazareth that ultimately echoes through the centuries Pastor Toivonen relies on his nearly thirty years of preaching as well as studying and interpreting the Bible to inspire others to contemplate how God speaks in the contemporary world and whether God prefers flesh and blood to ink and paper While sharing his careful examination of how the Bible came to be the Word of God through a very human process and why the Word of God is intended to be living and breathing as opposed to a book Toivonen offers intriguing

insights and commentary that encourages spiritual seekers to embark on a personal journey to answer their own questions about the Bible its authority and its trustworthiness Reading Jesus offers encouragement to anyone ready to consider a deeper and more meaningful relationship with Jesus of Nazareth and apply the Word of God to truly live God s way today
