Long Road to Delano Sam Kushner, 1975 The Ingenious Simpleton Delia Méndez Montesinos, 2013-12-05 This book analyzes the role of the theatrical simpleton in the pasos of the sixteenth century playwright Lupe de Rueda in Mario Moreno's character Cantinflas and in the esquiroles of the 1960s Actos of the Teatro Campesino Spanning multiple regions and time periods this book fills an important void in Spanish and theatrical studies *Little Manila Is in the Heart* Dawn Bohulano Mabalon, 2013-06-17 In the early twentieth century not long after 1898 when the United States claimed the Philippines as an American colony Filipinas os became a vital part of the agricultural economy of California's fertile San Joaquin Delta In downtown Stockton they created Little Manila a vibrant community of hotels pool halls dance halls restaurants grocery stores churches union halls and barbershops Little Manila was home to the largest community of Filipinas os outside of the Philippines until the neighborhood was decimated by urban redevelopment in the 1960s Narrating a history spanning much of the twentieth century Dawn Bohulano Mabalon traces the growth of Stockton's Filipina o American community the birth and eventual destruction of Little Manila and recent efforts to remember and preserve it Mabalon draws on oral histories newspapers photographs personal archives and her own family's history in Stockton She reveals how Filipina o immigrants created a community and ethnic culture shaped by their identities as colonial subjects of the United States their racialization in Stockton as brown people and their collective experiences in the fields and in the Little Manila neighborhood In the process Mabalon places Filipinas os at the center of the development of California agriculture and the urban West The Rhetorical Career of Cesar Chavez John C. Hammerback, Richard J. Jensen, 2003-04 Although born into one of the least powerful segments of American society Cesar Chavez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Chavez achieved that effect Although other studies of Chavez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chavez's own texts scores of which have previously been unstudied Chavez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chavez was able to identify with the character of his listeners That identification induced many audience members to support Chavez's agenda for union activism The authors have developed a model to help explain Chavez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chavez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chavez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators **The Eagle Has Eyes** José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the

incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes declassified files from the FBI to investigate the agency's role in thwarting Cesar E Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately *The Eagle Has Eyes* is a must read for academics and activists alike **Latina Issues** Antoinette Sedillo López, 2020-08-11 This book attempts to make Latina history visible and Latina voices heard It focuses solely on women not to marginalize Latina stories but to showcase them illustrating Latina perspectives on colonization gender race and class **The Original Writings of Philip Vera Cruz** Sid Amores Valledor, 2006 Philip's works and thinking has a transnational character an important contribution to Filipino American history provides a window to the world of the manongs who were exploited by the agribusiness industry and growers as well as to the roots of their militancy enjoyed reading it very much Estella Habal Ph D Asian American Studies San Jose State University An insightful look into a philosophical and international mind and how his experiences influenced his political perspective that guided his actions The writings are relevant to the problems of today albeit in a different form highly recommend reading *The Original Writings of Philip Vera Cruz* Jovina Navarro Ph D Psychologist Counseling Services San Jose State University **Cesar Chavez** Richard Griswold del Castillo, Richard A. Garcia, 1997-09-01 Explores the growth and development of the farm labor organizer

César Chávez Kathlyn Gay, 2017-07-15 Cesar Chavez is best known for uniting Mexican American farmworkers and for his efforts to obtain civil rights for his people He followed the nonviolent methods of Mahatma Gandhi and Martin Luther King Jr A dedicated stubborn religious leader Chavez stuck to his cause in spite of tremendous obstacles With numerous documented quotes from Chavez union members and even Pope Paul VI the Chavez story recounts his difficult early life and how he inspired countless people to advocate for farmworker justice Students will be guided through their reading with a glossary of important words a timeline and references for further reading on the topic **The Other Side of Paradise** Staceyann Chin, 2009-04-14 Staceyann Chin has appeared on television and radio discussing issues of race and sexuality but it is her extraordinary voice that launched her career as a performer poet and activist here she shares her unforgettable story of triumph against all odds in this brave and fiercely candid memoir No one knew Staceyann's mother was pregnant until a dangerously small baby was born on the floor of her grandmother's house in Lottery Jamaica on Christmas Day Staceyann's mother did not want her and her father was not present no one except her grandmother thought Staceyann would survive It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years But when the three were separated Staceyann was thrust alone into an unfamiliar and dysfunctional home in Paradise Jamaica There she faced far greater troubles than absent parents So armed with a fierce determination and exceptional intelligence

she discovered a way to break out of this harshly unforgiving world Staceyann Chin acclaimed and iconic performance artist now brings her extraordinary talents to the page in a brave lyrical and fiercely candid memoir about growing up in Jamaica She plumbs tender and unsettling memories as she writes about drifting from one home to the next coming out as a lesbian and finding the man she believes to be her father and ultimately her voice Hers is an unforgettable story told with grace humor and courage

An Organizer's Tale Cesar Chavez, 2008-04-29 The first major collection of writings by civil rights leader Cesar Chavez One of the most important civil rights leaders in American history Cesar Chavez was a firm believer in the principles of nonviolence and he effectively employed peaceful tactics to further his cause Through his efforts he helped achieve dignity fair wages benefits and humane working conditions for hundreds of thousands of farm workers This extensive collection of Chavez's speeches and writings chronicles his progression and development as a leader and includes previously unpublished material From speeches to spread the word of the Delano Grape Strike to testimony before the House of Representatives about the hazards of pesticides Chavez communicated in clear direct language and motivated people everywhere with an unflagging commitment to his ideals For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Poultry, Garden and Home, 1915 The Congregationalist, 1920 The Journal of Mexican American History, 1975 The New Left and Labor in 1960s Peter B. Levy, 2024-04-22 It is a powerful story the relationship between the 1960s New Left and organized labor was summed up by hardhats confronting students and others over US involvement in Vietnam But the real story goes beyond the Love It or Leave It signs and melees involving blue collar types attacking protesters Peter B Levy challenges these images by exploring the complex relationship between the two groups Early in the 1960s the New Left and labor had cooperated to fight for civil rights and anti poverty programs But diverging opinions on the Vietnam War created a schism that divided these one time allies Levy shows how the war combined with the emergence of the black power movement and the blossoming of the counterculture drove a permanent wedge between the two sides and produced the polarization that remains to this day

Jon Lewis Richard Steven Street, 2013-10-01 Before the film *Cesar Chavez* Chavez's life was depicted in photographs by his confidant Jon Lewis In the winter of 1966 twenty eight year old ex marine Jon Lewis visited Delano California the center of the California grape strike He thought he might stay awhile then resume studying photography at San Francisco State University He stayed for two years becoming the United Farm Workers Union's semiofficial photographer and a close confidant of farmworker leader Cesar Chavez Surviving on a picket's wage of five dollars a week Lewis photographed twenty four hours a day and created an insider's view of the historic and sometimes violent confrontations mass marches fasts picket lines and boycotts that forced

the table grape industry to sign the first contracts with a farm workers union Though some of his images were published contemporaneously most remained unseen Historian and photographer Richard Steven Street rescues Lewis from obscurity allowing us for the first time to see a pivotal moment in civil rights history through the lens of a passionate photographer A masterpiece of social documentary this work is at once the biography of a photographer an expos of poverty and injustice and a celebration of the human spirit **American Book Publishing Record Cumulative, 1950-1977: Title index** R.R. Bowker Company. Department of Bibliography, 1978 **In the Face of Adversity** Mary M. Case, 2018-11-12 This riveting inspirational story recounts how a young Jamaican woman survived a life of daunting obstacles and near death experiences by unleashing her unwavering faith in God Her faith gave her the power of self will and determination to break the odds and transform her life chances in amazing ways Alambrista and the U.S.-Mexico Border Nicholas John Cull, David Carrasco, 2004 The critically acclaimed 110 minute film *Alambrista* 1977 depicts the harsh realities of Mexican life on both sides of the border For this release a group of scholars has packaged a new director's cut of the film with a book of essays devoted to immigration and the U S Mexican borderlands and an enhanced CD of the sound track *Making Aztlán* Juan Gómez-Quiñones, Irene Vásquez, 2014-04-30 This book provides a long needed overview of the Chicana and Chicano movement's social history as it grew flourished and then slowly fragmented The authors examine the movement's origins in the 1960s and 1970s showing how it evolved from a variety of organizations and activities united in their quest for basic equities for Mexican Americans in U S society Within this matrix of agendas objectives strategies approaches ideologies and identities numerous electrifying moments stitched together the struggle for civil and human rights Gómez Quiñones and Vásquez show how these convergences underscored tensions among diverse individuals and organizations at every level Their narrative offers an assessment of U S society and the Mexican American community at a critical time offering a unique understanding of its civic progress toward a more equitable social order
