Long Voyage Home And Other Plays:

The Long Voyage Home and Other Plays Eugene O'Neill, 2016-02-17 Populated by moody intense characters trapped by forces greater than themselves these four short melodramas include Bound East for Cardiff In the Zone The Long Voyage Home and The Moon of the Caribbees **A Study Guide for Eugene O'Neill's "Beyond the Horizon"** Gale, Cengage Learning, 2016 A Study Guide for Eugene O'Neill's Beyond the Horizon excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **The Emperor Jones** Eugene O'Neill, 1921 **Monthly Bulletin. New Series** St. Louis Public Library, 1925

An Ideal Husband Oscar Wilde, 2001-02-01 Although Oscar Wilde 1854-1900 created a wide range of poetry essays and fairy tales and one novel in his brief tragic life he is perhaps best known as a dramatist His witty clever drama populated by brilliant talkers skilled in the art of riposte and paradox are still staples of the theatrical repertoire *An Ideal Husband* revolves around a blackmail scheme that forces a married couple to reexamine their moral standards providing along the way a wry commentary on the rarity of politicians who can claim to be ethically pure A supporting cast of young lovers society matrons an overbearing father and a formidable femme fatale continually exchange sparkling repartee keeping the play moving at a lively pace like most of Wilde's plays this scintillating drawing room comedy is wise well constructed and deeply satisfying An instant success at its 1895 debut the play continues to delight audiences over one hundred years later *An Ideal Husband* is a must read for Wilde fans students of English literature and anyone delighted by wit urbanity and timeless sophistication *Eugene O'Neill* Harold Bloom, 2007 A collection of essays about the works of Eugene O'Neill

Transfiguring Tragedy Ryder Thornton, 2024-07-19 This book demonstrates Eugene O'Neill's use of philosophy in the early period of his work and provides analyses of selected works from that era concluding with *The Hairy Ape* completed in 1921 as an illustration of the mastery he had achieved in dramatizing key concepts of philosophy Analyses of one act and full length plays from 1913 to 1921 reveal the influence of the three philosophers and establish that O'Neill was fundamentally a philosophic playwright even from his earliest dramatic sketches Specific concepts from Schopenhauer Stirner and Nietzsche went into O'Neill's shaping of character arcs dramatic circumstances symbology and theme Among them are Schopenhauer's concept of will and representation Stirner's notion of possession and Nietzsche's principle of the Apollonian Dionysian duality These ideas were foundational to O'Neill's construction of tragic irony apparent in his early period plays The critical concepts of these three philosophers are the major pathways in this study However such an approach inevitably reveals other layers of spiritual influence such as Catholicism and Eastern philosophy which are touched on in these analyses This book is a much needed introduction to philosophic concepts in Eugene O'Neill's early work and would be of great interest to students and scholars in theatre studies and philosophy **Critical Companion to Eugene O'Neill, 2-Volume Set** Robert M.

Dowling, 2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh* *The Emperor Jones* *Mourning Becomes Electra* *Hughie* and arguably the finest tragedy ever written by an American *Long Day's Journey into Night* **American Literature** Robert Shafer, 1926 **Contemporary American Literature** John Matthews Manly, Edith Rickert, 1922 **The Cambridge Companion to Eugene O'Neill** Michael Manheim, 1998-09-24 This is a volume of specially commissioned essays containing studies of Eugene O'Neill's life his intellectual and creative forebears and his relation to the theatrical world of his creative period 1916-42 Also included are descriptions of the O'Neill canon and its production history on stage and screen and a series of essays on special topics related to the playwright such as his treatment of women in the plays his portrayals of Irish and African Americans and his attempts to deal in dramatic terms with his parental family culminating in his greatest play *Long Day's Journey into Night* One of the essays speaks for those who are critical of O'Neill's work and the volume concludes with an essay on O'Neill criticism containing a select bibliography of full-length studies of the playwright's work *Eugene O'Neill's One-Act Plays* M. Bennett, B. Carson, 2012-08-06 Eugene O'Neill Nobel Laureate in Literature and Pulitzer Prize winner is widely known for his full-length plays However his one-act plays are the foundation of his work both thematically and stylistically they telescope his later plays This collection aims to fill the gap by examining these texts during what can be considered O'Neill's formative writing years and the foundational period of American drama A wide-ranging investigation into O'Neill's one-acts the contributors shed light on a less explored part of his career and assist scholars in understanding O'Neill's entire oeuvre [Eugene O'Neill National Historic Site, California](#) Sarah Olson, 1983 **American Plays and Musicals on Screen** Thomas S. Hischak, 2014-04-24 As the popularity of film grew and audiences demanded longer stories Hollywood began borrowing plots as well as actors and directors from Broadway some of these play-to-films were triumphs and others were inexplicable duds This reference work is an annotated guide to American stage productions remade for film and television with works ranging from late 19th-century American plays and musicals through silent and sound films to made-for-video productions by PBS A it describes what changes occurred between the formats determines the strengths and weaknesses of each judges the success of the transition and describes how the end product was received A bibliography and name and title indexes complete this cross-referenced work **Contemporary American Dramatists** Kathryn Ann Berney, N. G. Templeton, 1994 This pioneering work profiles nearly 200 U.S. playwrights both living and deceased and is part of St James Press Contemporary Literature Series Contemporary American Dramatists provides invaluable critical biographical and bibliographical information on nearly 200 of the most important American dramatists since the end of World War II *A Manual of the Mechanics of Writing* Raymond Woodbury Pence, 1921 This book addresses the subject of the mechanics of writing The desirability of mechanical accuracy is seen in composition the only effective composition is accurate composition The outward manifestation of accuracy in composition is accuracy in the mechanics of writing The

writer who is precise about the form of his thinking is particular about the form of his composition Mastery of the various forms of the mechanics of writing allows the writer to convey shades of meaning that can be expressed no other way

Monthly Bulletin San Francisco Public Library,1919 **Monthly Bulletin** San Francisco Free Public Library,1920

Representative One-act Plays by American Authors Margaret Gardner Mayorga,1919 **Women in the Films of John**

Ford David Meuel,2014-02-28 While John Ford 1894 1973 remains one of the most influential and revered directors in film history he is also one of the most frequently misunderstood One widespread assumption is that he was almost exclusively a man s director dismissive of or at best not well attuned to the stories perspectives and concerns of women This book forthrightly challenges such an assumption giving readers a richer understanding of the director s view of the world and of the women as well as the men who inhabit it Taking a fresh look at dozens of Ford films both familiar favorites and under appreciated gems it focuses on the complex and diverse female characters in them as well as the actresses who so ably portrayed them

Long Voyage Home And Other Plays Book Review: Unveiling the Power of Words
