Longboard Fever A Pure Surfing Experience

Dave Rearwin

Longboard Fever A Pure Surfing Experience:

New York Magazine ,1996-06-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

New York Magazine ,1996-06-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Longboarder's Start-Up Doug Werner,1996-08-01 Design innovations and a new appreciation for the grace and poise of surfing a longer board has lifted the art of longboarding back into the limelight and more importantly back into the minds of serious surfers who are looking to expand their wave riding experience The first half of this guide covers the basics of longboard equipment wave selection courtesy and surfing technique through standing up The second part gets into intermediate and advanced longboarding skills including cross stepping trimming turning turning maneuvers essential noseriding and finally some of the breathtaking tricks that the pros execute so flawlessly The key points are brought home with a stripped down text and photos featuring some of the best longboard surfers on earth including Ted Robinson Colin McPhillips Jeff Kramer and Mark Stewart

The Longboard Travel Guide Sam Bleakley,2015-10-23 The Longboard Travel Guide is the first surf guidebook written specifically for longboarders Loaded with mouth watering lineup photos the book describes 100 of the best waves in the world for loggers and offers insider tips on how to ride them From the Maldives to Australia s Gold Coast from Costa Rica to Fiji from Samoa to Sri Lanka all the classic destinations are here A smorgasbord of less well known areas are also included for adventurous surfers who thirst for uncrowded waves This book covers every aspect of surf travel for longboarders where to go where to stay what gear to take how to get in shape for your trip and how to stay healthy abroad Longboarders of all ages and abilities will benefit from the practical advice offered by a writing team of seasoned travelers and pros Whether you re thinking of doing a road trip in Australia a coldwater exploration trip in Iceland or a boat trip in Indonesia this books has plenty to soak on up A selection of real life traveller s tales illustrate the pleasure and pain experienced by loggers searching for the elusive perfect wave and the joys and frustrations of life of on the road The Longboard Travel Guide features more than 200 color photos by some of the best photographers in the business including Chris Burkard Alan van Gysen Simon Williams Tim McKenna and John Callahan This book also includes a comprehensive directory of travel resources where readers can find information about the best surf camps travel agencies and operators around the world Packed with sublime photos up to date info and real life traveller s tales The Longboard

Travel Guide is the essential handbook for all longboarders who yearn to find perfect waves **Surf Fever** John Severson, 2004 An in depth collection of the work of one of surfing's primary photographers recording a foundational stage in the evolution of the sport of surfing **Scratching the Horizon** Izzy Paskowitz, Daniel Paisner, 2012-08-21 Scratching the Horizon presents a bitchin love letter to sand and sea and a spirited inside account of life with the first family of American surfing In 1956 Dorian Doc Paskowitz stepped away from a successful medical practice and began a lifelong surfing odyssey that grew to include his wife Juliette and their nine children Together the Paskowitz clan lived a vagabonding bohemian existence eschewing material possessions in favor of intangible riches like health and good cheer all the while careening along the world's coastlines in search of the perfect wave In Scratching the Horizon Izzy Paskowitz looks back at his unusual upbringing and his lifelong passion for the sport that carries his family's stamp As the fourth oldest child in a family of inveterate surfers rock stars and beach bums he is uniquely qualified to shine a light on a childhood that has come to symbolize the surfing credo a reckless young adulthood that nearly cost him his sanity and a maturing sense of self and purpose that allows him to lift others on the back of his experience As the father of a son with autism and the founder of Surfers Healing a foundation devoted to expanding the horizons of children with autism through surfing Paskowitz has found a way to connect the surreal aspects of his childhood to the harsh realities of adulthood and he shares these discoveries in this wickedly entertaining and transforming memoir **The Glide** Chris Bystrom, 1998 Surf Better Dave Rearwin, 2011-11-18 From the author of Adventures of a Journeyman Surfer Latest edition v 2.0 revised expanded and improved Longboard Shortboard with new images and detailed explanations Includes detailed Shortboard section with multiple images and analysis of common moves including off the lip and aeriels plus common errors to avoid New information additional graphics more detailed explanations New layout for easier reading and Kindle viewing For an all shortboard experience try the DVD Surf Better Shortboard in both Regular and Goofy foot editions Surf Better is a must have book for surfers ocean goers and anyone looking for a simple effective way to get in shape and stay there A complete surfing program including fitness tactics and techniques wave knowledge and more Fully illustrated Instructional surfing photos Surfing technique and check list Dry Land Surf School with workouts and agility drills Understanding waves and swell direction Surfing a new break How to read waves rips and boils Using tides and currents PART I SURFING TECHNIQUE Preparation and Takeoff Getting pitched pearling waves tactics Takeoff tips Dealing with Backwash Turns Shortboard Action Turns Off the lip foam Air Turning Arm Shoulder and Upper body Action Outside arm snap Form Follows Function Turning off of the Foam Turn or Snap off the Lip Off the lip Snapback step by step details Off the Lip and Air Getting Air Common Errors Foot Position Frontside vs Backside Cross stepping and Nose riding Technical Practice Checklist Leash Management and the Houdini Moment PART II KNOW YOUR OCEAN Sea swell and waves Wave formation and propagation How waves travel How fast do waves move What defines deep water and shallow water Ocean facts PART III KNOW YOUR BREAK Swell direction

and the magic number Tides Wave refraction and Island wave shadows The effects of wind How waves behave in shallow water Interpreting swell information Understanding size vs power Using reef boils Using currents PART IV DRY LAND SURF SCHOOL Full flexibility agility and surf simulation section with dozens of exercises and workout packages then he floated an Off the lip center my ass by bringing my board back under me recovery pretty awesome move and proof that his book is working NOTE on the images Some readers have expressed dissatisfaction that the images in the book are black and white not full color Using color images in the print edition would have required a price of 40 or 50 per book just to break even Clearly this was not an option The images in the Kindle edition are all the original full color There have also been some comments about the quality of the images One problem is that printing on glossy or semi gloss paper which would have preserved the image quality would also raise the cost to a prohibitive level Again the images in the Kindle edition look better than those in the print edition because there is no issue of paper quality The other problem is that the best image in terms of quality is not always the best image to illustrate the point at hand Taking good surf pictures is really pretty easy shoot at 7 to 12fps and you re guaranteed to capture some great moments but getting a good clear image to illustrate a particular point with the surfer s foot or arm or body in exactly the position you want to discuss is amazingly hard For the purposes of this book sometimes demonstrating the point had to take precedence over maximum quality

Delve into the emotional tapestry woven by Crafted by in Experience **Longboard Fever A Pure Surfing Experience** . This ebook, available for download in a PDF format (*), is more than just words on a page; it's a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.
