### **Longer Stories From The Last Decade:**

**Shelby Foote** C. Stuart Chapman, 2006 A biography that plumbs the ambiguous life of the gentlemanly novelist and historian *Out of Print: Ten Years: An Anthology of Stories* Indira Chandrasekhar, About the book Out of Print in print A decade ago in 2010 Indira Chandrasekhar set up Out of Print to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty **The Tragedies of Shakespeare** William

Shakespeare, 2000-11-01 A collection of Shakespearean tragedies including the full texts of Titus Andronicus Romeo and Juliet Julius Caesar Macbeth Hamlet King Lear Othello and Antony and Cleopatra ROMEO AND JULIET One of the Bard's most popular plays Romeo and Juliet is both the quintessential account of young love and the cautionary tale of the tragedy that can occur when the forces of passion and pride are at odds JULIUS CAESAR In this striking tragedy of political conflict Shakespeare turns to the ancient Roman world and to the famous assassination of Julius Caesar by his republican opponents MACBETH When a trio of witches foretell that Macbeth will become King of Scotland the brave general is consumed by ambition Encouraged by his wife to seize the throne their quest for power leads down a blood strewn path that ends in madness and death in this play that explores the consequences of guilt and corruption HAMLET One of the greatest plays of all time the compelling tragedy of the tormented young prince of Denmark continues to capture the imaginations of modern audiences worldwide Confronted with evidence that his uncle murdered his father and with his mother's infidelity Hamlet must find a means of reconciling his longing for oblivion with his duty as avenger Includes the following plays Troilus and Cressida Coriolanus Titus Andronicus Romeo and Juliet Timon of Athens Julius Caesar Macbeth Hamlet Prince of Denmark King Lear Othello the Moor of Venice Antony and Cleopatra Cymbeline Pericles Prince of Tyre **The Best Short Stories of**

**O. Henry** O. Henry, 2010-07-28 The more than 600 stories written by O Henry provided an embarrassment of riches for the compilers of this volume The final selection of the thirty eight stories in this collection offers for the reader's delight those tales honored almost unanimously by anthologists and those that represent in variety and balance the best work of America's favorite storyteller They are tales in his most mellow humorous and ironic moods They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O Henry one of the great masters of the short story

*The Souls of Black Folk* W.E.B. Du Bois, 2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The problem of the twentieth century is the problem of the color line Thus speaks W E B Du Bois in *The Souls Of Black Folk* one of the most prophetic and influential works in American literature In this eloquent collection of essays

first published in 1903 Du Bois dares as no one has before to describe the magnitude of American racism and demand an end to it He draws on his own life for illustration from his early experiences teaching in the hills of Tennessee to the death of his infant son and his historic break with the conciliatory position of Booker T Washington Far ahead of its time *The Souls Of Black Folk* both anticipated and inspired much of the black consciousness and activism of the 1960 s and is a classic in the literature of civil rights The elegance of DuBois s prose and the passion of his message are as crucial today as they were upon the book s first publication

**The Best Australian Stories 2009** Delia C. Falconer,2010 In *The Best Australian Stories 2009* Delia Falconer collects the year s most outstanding short fiction showcasing the strength and diversity of Australian writing today There are masterful stories from some of the country s best loved authors as well as exciting new work from up and coming young writers This is a perfect book for summer and a delightful introduction to Australia s best contemporary writing Contributors include Cate Kennedy DBC Pierre Gail Jones Karen Hitchcock Peter Goldsworthy Robert Drewe Steven Amsterdam and more

**Hunting Trips of a Ranchman and The Wilderness Hunter** Theodore Roosevelt,2000-10-31 Written during his days as a ranchman in the Dakota Bad Lands these two wilderness tales by Theodore Roosevelt endure today as part of the classic folklore of the West The narratives provide vivid portraits of the land as well as the people and animals that inhabited it ever underscoring the author s abiding concerns as a naturalist Originally published in 1885 *Hunting Trips of a Ranchman* chronicles Roosevelt s adventures tracking a twelve hundred pound grizzly bear in the pine forests of the Bighorn Mountains Yet some of the best sections are those in which Roosevelt muses on the beauty of the Bad Lands and the simple pleasures of ranch life The *British Spectator* said the book could claim an honourable place on the same shelf as Walton s *Compleat Angler* *The Wilderness Hunter* which came out in 1893 remains perhaps the most detailed account of the private life of the grizzly bear ever recorded This Modern Library edition contains an introduction by historian Stephen E Ambrose author of *Undaunted Courage*

**The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark** James S. Lowry,2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12-13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities

[Stories of Four Decades](#) Glenn Meeter,2009-09 A number of the stories in Glenn Meeter s *Stories of Four Decades* have been reprinted most frequently *Hard Row* and *A Harvest* but they

all made their first appearance in publications as diverse as The Atlantic Monthly Redbook Epoch The Literary Review and The Reformed Journal Each story has its own individual appeal Each has its own style theme mood its own plot and setting and its own cast of characters who come fully to life only within its boundaries Even Peter Heitz in The Oppressor has different problems and preoccupations from the slightly older character with the same name in The Convert But set with others in a collection that touches major points in life stories of Youth followed by those of Marriage and Parenthood and finally New Journeys each story takes on new dimensions Together they form a tableau of life in the American Midwest and California a mid century Mecca for Midwesterners from the forties through the seventies One thinks of the slow clank clank of tire chains on mall town winter streets in the first story the visitors to Grandmother s house paying Chicago tolls in the last and in between Lost Angeles freeways and South Dakota gravel roads Another dimension is as ancient as Joseph in Egypt the clash of rural and village culture with urban modernity Some characters need to break away from the village culture faith family community some lose it and re create it Some seek it out All need to re interpret it And all struggle to maintain and pass on some aspects of that culture if only the awed thankfulness of the traveler in A Harvest who exclaims about his own journey but my God what a delight just to travel through Seven Lost Stories - A Present Year Simone

Malacrida,2024-03-07 A present year exemplifying what flows daily in each person s life becomes the backdrop against which seven characters scattered across a Europe whose identity is vague and abstract though totally pervasive A land steeped in recent doubts and age old traditions in rapid innovation and ancient securities in wills denied and freedoms rediscovered is the canvas for actions dialogues and thoughts that seem to be lost in the void of contemporaneity **The Long and**

**Winding Road: a collection of short stories** Fairbanks,2024-03-05 Long and Winding Road is a collection of eleven short stories Nine of the stories are prose one is a play and another is a narrative poem but all eleven are really stories just in different genres The value of a collection of short stories is that you can read just one story at a sitting or two sittings for the longer stories rest from it and then dip in for another treat next reading session Settings are primarily Australian though one story is set in a fictitious ancient kingdom and one in northern Mexico and parts of USA The short play is set in a nursing home of all places Readers will meet a range of interesting characters Miss Magnolia who has a secret Viv Black who uncovers a secret the trans gender Al Mara the young loom girl Therese who becomes Queen the boy wonder Agave who was born without vocal cords but is anything but mute Mohair Mary the talented and prescient Aboriginal woman Doreen teen Essie Esmerelda who discovers gold as she discovers her Self the former sex worker Penelope in a nursing home Master Nathaniel who dies by guillotine and dozens more Some stories border on the bawdy but nothing X rated some deal with tragedy and misadventure some with romance and strong personal bonds It s like life We trudge along life s path the winding road dragging life s burdens behind in the dust not knowing what lies around the next bend But always there are more stories to tell **Illustrating Children's Books** Martin Ursell,2013-03-01 How do you go about illustrating a children s

*Tess of the d'Urbervilles* Thomas Hardy,2000-11-01 Etched against the background of a dying rural society Tess of the d'Urbervilles was Thomas Hardy s bestseller and Tess Durbeyfield remains his most striking and tragic heroine Of all the characters he created she meant the most to him Hopelessly torn between two men Alec d Urberville a wealthy dissolute young man who seduces her in a lonely wood and Angel Clare her provincial moralistic and unforgiving husband Tess escapes from her vise of passion through a horrible desperate act Like the greatest characters in literature Tess lives beyond the final pages of the book as a permanent citizen of the imagination said Irving Howe In Tess he stakes everything on his sensuous apprehension of a young woman s life a girl who is at once a simple milkmaid and an archetype of feminine strength Tess is that rare creature in literature goodness made interesting Now Tess of the d'Urbervilles has been brought to television in a magnificent new co production from A Oliver Milburn Chandler and Jason Flemyng is Alec d Urberville The cast also includes John McEnery Black Beauty as Jack Durbeyfield and Lesley Dunlop The Elephant Man as Joan Durbeyfield Tess of the d'Urbervilles is directed by Ian Sharp and produced by Sarah Wilson with a screenplay by Ted Whitehead it was filmed in Hardy country the beautiful English countryside in Dorset where Thomas Hardy set his novels **The Varieties of**

**Religious Experience** William James,2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The Varieties of Religious Experience is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential one written on religion in the twentieth century said Walter Houston Clark in Psychology Today The book was an immediate bestseller upon its publication in June 1902 Reflecting the pluralistic views of psychologist turned philosopher William James it posits that individual religious experiences rather than the tenets of organized religions form the backbone of religious life James s discussion of conversion repentance mysticism and hopes of reward and fears of punishment in the hereafter as well as his observations on the religious experiences of such diverse thinkers as Voltaire Whitman Emerson Luther Tolstoy and others all support his thesis James characteristic humor his ability to put down the pretentious and to be unpretentious and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book noted Professor Martin E Marry A reader will come away with more reasons

to raise new questions than to feel that old ones have been resolved

**Washington Square** Henry James, 2000-11-01 Washington Square is perhaps the only novel in which a man has successfully invaded the feminine field and produced work comparable to Jane Austen's said Graham Greene Inspired by a story Henry James heard at a dinner party Washington Square tells how the rakish but idle Morris Townsend tries to win the heart of heiress Catherine Sloper against the objections of her father Precise and understated the book endures as a matchless social study of New York in the mid nineteenth century Washington Square has long been beloved by almost all readers noted Louis Auchincloss The chief beauty of the novel lies in its expression by background characterization and dialogue of its mild heroine's mood of long suffering patience Everything is ordered polite still the charming old square in the pre brownstone city the small innocent decorous social gatherings the formal good manners the quaint reasonableness of the dialogues James was the poet of cities New York in Washington Square Clifton Fadiman agreed It has extraordinary charm deriving from an almost Mozartian combination of sweetness and depth
