Longest Mile:

The Longest Mile Ryan Watkins, 2020-03-17 For nine days in early May Ryan Watkins along with two brothers Jeremy and Chris Jones backpack the world famous Appalachian Trail through the Great Smoky Mountains National Park From his very first steps into the Smokies Ryan quickly learns the seventy mile stretch of trail is far more difficult than he ever imagined The trio battles through torrential rains lightning snow fatigue multiple encounters with bears and a standoff with a timber rattlesnake as they march more than eighty miles from Standing Bear Farms a small hostel north of the Great Smoky Mountains National Park to Fontana Dam on the park's southern tip Along the way the group meets a colorful cast of hikers while experiencing the most physically demanding and personally rewarding nine days of their lives This story is a painfully honest unadulterated and sometimes raunchy retelling of a hike that is definitely not suitable for readers of all ages *The Longest Mile...* Tom Douglas, 2010-03 The Longest Mile is about finding Hope when we see no Hope Having lived through the many years of abuse and mental illness can seem like too huge of a demon to confront and yet with God's help demons can be conquered We can come from the depths of pain and despair to climb to new heights and finding God's ultimate plan for each of our lives

The Longest Mile Christine Meyer, 2025-07-30 Winner of the Gold Medal in the 2016 Living Now Book Awards In the course of their lifetime one out of two men and one out of three women will be diagnosed with cancer Many of us watch in desperation as our friends and loved ones fight for their lives But after seeing several of her patients and her dearest aunt engage in a battle with cancer Dr Christine Meyer decided to embark on a quest for hope and through happenstance and love a team of runners emerged that empowered a community to make a difference not only in the lives of cancer patients but in one another's lives Along the way Meyer learned that the true measure of a doctor's success is not the number of lives saved but the number of lives touched Long Mile Home Scott Helman, Jenna Russell, 2015-04-07 Long Mile Home is the story of the Boston Marathon bombing from tragedy to recovery Boston Globe journalists Scott Helman and Jenna Russell tell the full story through the eyes of five principal characters each time tracing the paths that brought them to a tragic intersection with two murderous brothers on that infamous day in April Including unexpected revelations and unforgettable moments of heroism Long Mile Home is both an absorbing action packed narrative and a lasting tribute to the bravery and resiliency of the Boston community
