Longleat The Story Of An English Country Town:

The Elizabethans A. N. Wilson, 2012-04-24 In Wilson's hands these familiar stories make for gripping reading The New York Times Book Review New York Times Book Review Editors Choice Author of *Dante in Love* A sweeping panorama of the Elizabethan age a time of remarkable strange personages and great political and social change by one of our most renowned historians A time of exceptional creativity wealth creation larger than life royalty and political expansion the Elizabethan age was also more remarkable than any other for the Technicolor personalities of its royals and subjects Apart from the complex character of the Virgin Queen herself A N Wilson's *The Elizabethans* follows the stories of Francis Drake a privateer who not only defeated the Spanish Armada but also circumnavigated the globe with a drunken mutinous crew and without reliable navigational instruments political intriguers like William Cecil and Francis Walsingham and Renaissance literary geniuses from Sir Philip Sidney to Christopher Marlowe and William Shakespeare Most crucially this was the age when modern Britain was born and established independence from mainland Europe both in its resistance to Spanish and French incursions and in its declaration of religious liberty from the pope and laid the foundations for the explosion of British imperial power and eventual American domination An acknowledged master of the all encompassing single volume history Wilson tells the exhilarating story of the Elizabethan era with all the panoramic sweep of his bestselling *The Victorians* and with the wit and iconoclasm that are his trademarks **Lord John Carteret, Earl Granville - His Life History and the Granville Grants**

Stewart Dunaway, 2013-02-22 This book detail the history of the Carteret Granville Thynne Fermor and other families pertaining to the Carteret's John Carteret will inherit from his grandfather his 1/8 interest in the Lord Proprietor grant from King Charles II John Carteret will be the only one of the eight inheritors who will retain his portion and establish his territory in North Carolina This 1/8 portion is defined and granting of land will being in the 1740s This book covers all aspects of what is well known as the Granville Grant Modern maps are used to illustrate the magnitude of the original grant wording Proprietors as well and a detailed look into the calculation of Carteret's 1/8 portion No other book has been dedicated to this topic including following the land to the Thynne's [Life in the English Country House](#) Mark Girouard, 1978-01-01 Based on the author's Slade lectures given at Oxford University in 1975/76

[Architectural Involutions](#) Mimi Yiu, 2015-11-15 Taking the reader on an inward journey from fa ades to closets from physical to psychic space *Architectural Involutions* offers an alternative genealogy of theater by revealing how innovations in architectural writing and practice transformed an early modern sense of interiority As the English house underwent a process of inward folding replacing a logic of central assembly with one of dissemination the subject who negotiated this new scenography became a flashpoint of conflict in both domestic and theatrical arenas The book launches from a matrix of related platforms a term that in early modern usage denoted scaffolds stages and draftsmen's sketches to situate Alberti Shakespeare Jonson and others within a landscape of spatial and visual change Engaging theory with archival findings Mimi Yiu reveals an emergent desire to perform subjectivity to unfold
