another and their worlds Julia Reinhard Lupton enters Shakespeare's dwelling places in search of insights into the most fundamental human problems Focusing on five works Romeo and Juliet Macbeth Pericles Cymbeline and The Winter's Tale Lupton remakes the concept of dwelling by drawing on a variety of sources including modern design theory Renaissance treatises on husbandry and housekeeping and the philosophies of Hannah Arendt and Martin Heidegger The resulting synthesis not only offers a new entry point into the contemporary study of environments it also shows how Shakespeare s works help us continue to make sense of our primal creaturely need for shelter Go .1951-04 **Colonial Homes** .1989 House & Garden ,1952 Staging Domesticity Wendy Wall, 2002-01-10 What role does food Classic American style and cooking play in how people imagine themselves and their communities In this book Wendy Wall argues that representations of housework in the early modern period helped to forge crucial conceptions of national identity Rich with a detailed account of household practices in the period Staging Domesticity reads plays on the London stage in the light of the first printed cookbooks in England Working from original historical sources on wetnursing laundering sewing medical care and butchery Wall shows that domesticity was represented as deeply familiar but also enticingly alien Wall analyses a wide range of the repertoire including some now little known plays as well as key works in the period by Shakespeare and others Wall concludes that rather than dramatizations of only court based and aristocratic domestic life literature of the period drew on work from the more common household
