Brooke,2023-12-12 Liberty Bell has been on her own for almost a decade after her father and his new family rejected her. With only one thing she cares about, there's no backup plan. She needs to sing. Her dreams could come true when she makes it onto the latest TV talent show where famous vocalists coach her as she performs a new song each week. Liberty doesn't trust easily and she can be all thorns, which she proves when she is on the receiving end of the rude and sarcastic coach Palmer Elliston's scathing feedback. Palmer was one of the most sought after producers and songwriters until she made a mistake that cost her everything. Now she leads a very different life. Jaded and disillusioned, she's persuaded by an old friend to coach on a new reality talent show in the hope it might rejuvenate her former career. What she doesn't expect is the prickly Liberty or the unexpected emotions that surge between them whenever Liberty sings. There's no way Palmer will ever act on her attraction. She's already made one career ending mistake and isn't looking for an encore.
