Berry, 2018-01-24 Winner Coalition for Community Writing Outstanding Book Award 2019 *Doing Time Writing Lives* offers a much needed analysis of the teaching of college writing in U S prisons a racialized space that despite housing more than 2 million people remains nearly invisible to the general public Through the examination of a college in prison program that promotes the belief that higher education in prison can reduce recidivism and improve life prospects for the incarcerated and their families author Patrick W Berry exposes not only incarcerated students hopes and dreams for their futures but also their anxieties about whether education will help them Combining case studies and interviews with the author's own personal experience of teaching writing in prison this book chronicles the attempts of incarcerated students to write themselves back into a society that has erased their lived histories It challenges polarizing rhetoric often used to describe what literacy can and cannot deliver suggesting more nuanced and ethical ways of understanding literacy and possibility in an age of mass incarceration *Library Book Catalog* United States. ,1905 Skull in the Ashes Peter Kaufman,2013-09-15 On a February night in 1897 the general store in Walford Iowa
burned down The next morning townspeople discovered a charred corpse in the ashes Everyone knew that the store s owner
Frank Novak had been sleeping in the store as a safeguard against burglars Now all that remained were a few of his personal
items scattered under the body At first it seemed to be a tragic accident mitigated just a bit by Novak s foresight in buying
generous life insurance policies to provide for his family But soon an investigation by the ambitious new county attorney M J
Tobin turned up evidence suggesting that the dead man might actually be Edward Murray a hard drinking local laborer
Relying upon newly developed forensic techniques Tobin gradually built a case implicating Novak in Murray s murder But all
he had was circumstantial evidence and up to that time few murder convictions had been won on that basis in the United
States Others besides Tobin were interested in the case including several companies that had sold Novak life insurance
policies One agency hired detectives to track down every clue regarding the suspect s whereabouts Newspapers across the
country ran sensational headlines with melodramatic coverage of the manhunt Veteran detective Red Perrin s determined
trek over icy mountain paths and dangerous river rapids to the raw Yukon Territory town of Dawson City which was booming
with prospectors as the Klondike gold rush began made for especially good copy Skull in the Ashes traces the actions of
Novak Tobin and Perrin showing how the Walford fire played a pivotal role in each man s life Along the way author Peter
Kaufman gives readers a fascinating glimpse into forensics detective work trial strategies and prison life at the close of the
nineteenth century As much as it is a chilling tale of a cold blooded murder and its aftermath this is also the story of three
ambitious young men and their struggle to succeed in a rapidly modernizing world **Cities and Churches: 1960-1979**
