Looking At Jesus With Luke:

Looking at Jesus with Luke Marjorie Stewart, 1978-01-01 *A Rabbi Looks at Jesus of Nazareth* Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don't and can't believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way **A Rabbi Looks at Jesus' Parables** Frank Stern, 2006-01-19 Intended to appeal to both Christians and Jews *A Rabbi Looks at Jesus Parables* is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history **To Understand the Bible Look for Jesus** Norman L. Geisler, 2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24:44 Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index **Looking on Jesus** Madame Cecilia, 1912 A Theology of Luke and Acts Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an

important need in Lukan theology **Looking unt o Jesu s. A view of the everlasting Gospel, etc** Isaac AMBROSE,1771

Powys,2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book s real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not

merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John s College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his The Hermeneutics of Hell The present volume is a slightly abbreviated version of that dissertation

Besorah Mark S. Kinzer,Russell L. Resnik,2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century
