to the rise of White settlers and industrialists Despite attempts to erase indigenous culture the manuscript endures hidden away until a young graduate student discovers it by chance Her find sparks a race against time to protect the manuscript from a powerful pharmaceutical company Join her on a thrilling subterranean adventure with an ecology student as they strive to restore the land and return the manuscript to its rightful owners In a tale woven with history myth and the enduring power of nature Mishipeshu the Algonquin goddess reappears to foretell the world s destruction and rebirth Will the manuscript s secrets bring harmony or chaos Discover the answer in The Water Lilies of Mishipeshu
