a nameless world a prophecy passed unfulfilled A secret society that formed to prevent its occurrence believed it was their doing while the secret society created to ensure that the prophecy came to pass wasn't certain it had been stopped at all Eventually the prophecy of Lac runa a female from another realm and the only being who can read the Lizard Queen's language fell into legend What no one realizes however is that Amy Darlidade is just a tad late TIME GOES ROUND With all of the Extiguos now in their possession Amy and her friends feel they are close to discovering the truth but hope they aren't running out of time They become aware that both opposing factions behind the Lac runa prophesy are convening while the militaries of the surrounding nations converge Aided by a powerful new weapon Amy's protectors feel more empowered to overcome any remaining obstacles But everyone has changed and each must struggle to accept the truth of their evolving principles Despite the set backs and the struggles Amy however grows more confident that they are on the right path because she's found a way to see her surroundings in a new light WE ARE THE WAKING Although she's unable to finish reading the final Extiguo to determine her role in bringing about the New Morph sis Amy Darlidade quickly learns that Runakopolis puts her and her friends on the threshold of another major discovery A new mystery seems to hold clues to the origins of the Trot jo and the Ara alianza Beginning to sense that the ideologies at conflict have been preserved not only by clergy and government but also by culture Amy is drawn into an enigmatic society of scholars At first pages missing from library books and a new theory about the first Morph sis don't seem to be connected to the Lac runa prophecy but the lines of military church and academia continue to intersect and familiar faces and adversaries reemerge Rumors of war are spreading quickly and whispers that La Ara ota will soon rise again are amplifying This world seems on the verge of shrinking much faster than anyone anticipated ROOT OF THE RULE The surrounding nations are gathering for a war against Pliada the Trot jo and the Ara alianza are assembling before the mountain upon which La Reina's castle sits and stakes have never been higher The quest to learn how Amy Darlidade must bring about the New Morph sis has brought her full circle and the truth about her destiny as Lac runa finally seems within reach But much blood continues to be shed as all sides race toward the inevitable conclusion of the journey Amy must summon forces from deep within if she is to save this world or is it too late
