Nonny Hogrogian

Dear Ann—

The scenes in the first section should be as close as you can. I believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to teaching of ten more the year before.

The scenes in later two are pretty much my recent photos, though the last five were the winter that came summer in the Berkeley—San Francisco area and like the last—my poems and drawings. Love and hope we both must hope. David.
