Publisher Orr creates an evocative landscape the characterisations are truly wonderful and because of that the resolution of the crime at the heart of the novel is less important than seeing how these three can find some kind of peace with who they are and what life has done to them Hoopla Stephen Orr is adept at partnering highly charged associations with emotionally arid landscapes Adelaide Advertiser The novel is not so much a typical crime novel but a more contemplative exploration of the relationship between fathers and sons Stephen Orr spends time drawing out his characters foibles and the novel is all the better for his attention Sun Herald Two of Orr s novels are complex variations on the themes of loss isolation the difficulties of putting a self back together His prose is measured and eloquent his imaginative reach considerable and his next novel worth the wait Sydney Morning Herald Age Stephen Orr s detective is sunnier than Kurt Wallander but his talkative characters and bitter realism stands comparison with Henning Mankell He s a sincere storyteller with a flinty eye for the landscape and the sadness that drives good stories forward Dominion Post Waikato Times Weekend Press Stephen Orr spends time drawing out his characters foibles and the novel is all the better for his attentions Sunday Examiner A study in character masculinity and specifically the relationships between fathers and sons deftly written Australian Book Review A sensitive and sometimes moving look at a man drowning in the sorrows of his past with a prickly relationship with his father and with a child who desperately needs to trust someone A sweetly told tale of fatherhood and loss Kirkus A Sinners Sanctum Kai Kaan,2024-04-06 In the gripping crime novel A Sinner s Sanctum Detective Lyonharte is a man tormented by his past Haunted by the chilling visions of demons and the faces of women he couldn t save he finds himself on the trail of a ruthless serial killer The city s underbelly reveals a pattern of murders each victim a grim echo of Lyonharte s nightmares As the detective delves deeper into the investigation he must confront his own demons to stop the killer s macabre dance with death But in this high stakes game of cat and mouse Lyonharte learns that the line between the hunter and the hunted can blur and the true monster may be closer than he fears The Kirkbridge Legacy Phillip Watson,2018-05-02 Miles was pacing the hospital corridor white faced and strained Prince bought three coffees from a vending machine taking a gulp out of one He poured a liberal quantity of brandy into the cup and gave it to Miles who drank it oblivious of the flavour Teetotal Prince kept drinks in his caravan for such occasions whilst safety was improving by leaps and bounds motorsport was cruel serious sometimes fatal accidents still occurred mistakes driver error mechanical failure possible causes Shepherd told Prince Kens lost both legs below the knee Turning Jeff said Im sorry Miles how is he otherwise Theyre keeping him sedated to minimise the shock its not life threatening He wont accept life in a wheelchair Miles Ken has the character to adjust to anything He may need a wheelchair for a while but modern prosthetic legs are excellent you or he can afford the best Hell walk We must encourage him The surgeon faxed a chap in Switzerland hes flying here as we speak Theyll discuss options on his arrival Because its Ken Im squeamish Ive given him carte blanche to sort it I can understand that By the way champ congratulations he said shaking his hand Thanks it feels hollow Ken should have won that race and his first championship We

both know if he couldn't be champion there's no one other than you he would rather see champion turning to Shepherd. Have we determined the cause? Shepherd acquainted him of their conversation. The experimental frame was nowhere to be found. Miles paled further and Jeff forced a quantity of brandy into him whilst he digested the information. After a short period of thought he told them he would have someone find the cause because of Ken's accident and Jeff's departure to race cars he wouldn't run a team next year. Five years would elapse before Miles returned.

Psychologically Informed Mediation Monica Hanaway, 2020-10-19. Psychologically Informed Mediation explores the understanding of conflict and the use of a psychologically informed mediation approach to help resolve it. The book has two distinct parts: it starts with looking at our understanding of conflict and challenges the more negative views placing conflict as essential for dynamic development. It then describes the process of mediation and looks at several different models. The author draws on existential and phenomenological philosophy and psychology and shows how they can enable a mediator to facilitate a meaningful resolution of conflict. The second part of the book offers eight dramatised case studies to illustrate the psychological and relational nature of conflict, giving detailed analysis of the mediation process using supportive theoretical material where relevant. This book offers a unique approach to mediation and is accessible to a broad audience.
