This context witnessed the erosion of an international rules based order and the renewal of great power competition. In particular the Indo Pacific has become a contested strategic space which impacted on New Zealand's foreign policy interests. As a self proclaimed small state New Zealand faced distinct challenges the Ardern Government formulated a distinctive foreign policy that drew on the success of its handling of the pandemic as well as Aotearoa New Zealand's indigenous values and emphasised the importance of a good international reputation strong diplomatic networks and multilateral cooperation to maintain and grow its influence. This interdisciplinary volume brings together academics policymakers and practitioners and provides essential reading for anyone interested in how relatively small states such as New Zealand can navigate significant foreign policy challenges in an increasingly complex and contested system of international relations. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
