Looking Deeply:

All the Rage Andrea Miller, Editors of the Shambhala Sun, 2014-10-07 Leading psychologists and meditation teachers explain how mindfulness can help us work with our anger and ultimately transform it into compassion. Anger is for all of us; it is a familiar feeling: jaw clenching, face flushing, hands shaking. We feel it for rational and irrational reasons, on a personal and on a global level. If we know how to handle our anger skillfully, it is an effective tool for helping us recognize that a situation needs to change and for providing the energy to create that change. Yet more often anger is destructive and in its grip we hurt ourselves and those around us. In recent years, scientists have discovered that mindfulness practice can reduce stress, improve mood, and enhance our sense of well-being. It also offers us a way of dealing with strong emotions like anger. This anthology offers a Buddhist perspective on how we can better work with anger and ultimately transform it into compassion with insight and practices from a variety of contributors, including Thich Nhat Hanh, Sharon Salzberg, Sylvia Boorstein, Carolyn Gimian, Tara Bennett Goleman, Pat Enkyo, O'Hara, Jules Shuzen Harris, Christina Feldman, Mark Epstein, Ezra Bayda, Judith Toy, Noah Levine, Judy Lief, Norman Fischer, Jack Kornfield, Stan Goldberg, Yongey Mingyur Rinpoche, Dzigar Kongtrül, and many others.

You are Here Thich Nhat Hanh, 2009 Simple daily practices to help us discover the happiness and freedom of living in the present moment from the renowned Buddhist monk and best-selling author. Most of Thich Nhat Hanh's previous books have either provided an overview of the Buddhist path or offered guidance on specific problem areas in our lives, such as love, anger, power, or death. This new book focuses on Buddhist techniques and practices we can use to cut through the busyness and anxieties of daily life and discover the simple happiness of living in the present moment. In our daily lives, we are often lost in thought. We lose ourselves in our plans, in our anger, in our worries. The practice of mindfulness frees us from these obsessions, landing us firmly in the present moment, the only moment in which we can be truly alive and truly happy. *You Are Here* offers a range of mindfulness practices that will help us to root ourselves in the present, the address of the Buddha as he calls it, where we can experience the joys and magic of being alive under any circumstances. Practices include mindfulness of breath, mindful walking, deep listening, and mindful speech, as well as practices for healing emotional pain and cultivating love for oneself and others. With his characteristic warmth, gentleness, and simplicity, Thich Nhat Hanh offers teachings and practices that anyone can use to help them to live more fully and freely.
