Farrar, 2005-12 In easy to understand terms this volume Christ and the wonderful Holy Spirit looks at what being more like Jesus means It reveals the joy of living a life pleasing to God Christian My American Harp Surazeus Astarius, 2017-03-14 My American Harp presents 1 169 poems written 2010 2014 by Surazeus that explore what it means to be an American in the modern world of an interconnected global civilization One Man's Search for God Rex L. Sample, 2019-09-06 How does a Christian whose faith has been shaken by a highly secularized world find his way back to faith This book traces the autobiographical journey of one man's search for God and then attempts to help other Christians who have lost their way find their way back to the Father A Million Little Miracles Mark Batterson, 2024-11-19 The New York Times bestselling author of Win the Day reminds us of the millions of miracles God performs every day and inspires us to live with a clearer sense of identity and purpose Think you ve never experienced a miracle With all due respect you have never not In fact you are one There never has been and there never will be anyone else like you That isn t a testament to you It s a testament to the God who created you Your fingerprint eyeprint and voiceprint are unlike anyone else s Simply put you matter to God Most of us take everyday miracles for granted including the one that stares back at us in the mirror It s time to take them for gratitude Why is that so important Because whatever you don't turn into praise turns into pride The miracle of life becomes mundane We get so wrapped up in our own little world we end up worshipping a god who looks like us acts like

us and thinks like us It s no wonder we ve lost our wonder But there is a way to recapture holy curiosity In A Million Little Miracles New York Times bestselling author Mark Batterson reveals three miraculous truths that awaken us to carpe wonder for the Creator and His creation 1 God Is Bigger Than We Think we can rest in His wisdom and strength 2 God Is Closer Than We Realize we never have to do life alone 3 God Is Better Than We Imagine we can reclaim our childlike wonder A million little miracles are waiting to be discovered including the miracle called you Looking for God Chuck Hillig,2006-07-25 Yes this is a very holey book It uses spatial emptiness to share a profound and universal Truth that can in fact only be pointed to Words can only take you so far After that there s only the Void This book is a reminder that the ultimate riddle of your life might not be found in what you want to become enlightened but only in the sudden realization of what in fact you already are what is By referring to the empty hole in the center of this book the Author is also pointing to the empty void in the center of you too In short Truth is not really about becoming anything at all as much as it is about being everything that is The Eternal Void Empty your thoughts and look inside Be ready to discover that deep down you ve got the w hole world in your hands
