Green Ladies W. Douglas Newton, 1919 **The Beckmeyer Family Complete Collection (Family Lodge Small Town Instalove)** Bree Kraemer, 2023-05-25 Hooked Barrett Beckmeyer lived his whole life knowing what he wanted He wanted to be outside on the lake at his family's resort Fishing was his life In the summer in the winter it didn't matter He loved it He didn't know anything was missing Until Eden One night with her and nothing was the same Eden Craig wasn't looking for more than a night of fun That was all Barrett was supposed to be One night and then forget him Only forgetting him was impossible And when she's asked to be the lead architect on an addition at Maple Ridge Resort she knows avoiding him will be inevitable She was hooked from the second he sat down next to her but did he feel the same Sparked Nina Beckmeyer had been in love since she'd been sixteen There was just one problem The guy had no idea After spending two summers and countless weekends with her family Donovan Stewart was gone in the blink of an eye All these years later she's doing just fine even if all her dreams are of a man she knows she can never have Until he shows back up Donovan has loved Nina since the moment he saw her thirteen years ago It happened in a flash and has never gone away But she's his friend's sister and there is no way Emmett would be okay with them together Or would he When he arrives in town as a favor to Nina's family the same spark of awareness that had been there so many years ago is even stronger Donovan knows it's now or never and he's not willing to settle for never Is the love they each secretly felt all those years ago a love that is real Shocked Emmett Beckmeyer had always been what most people would call stable He came to work every day at his family's resort did his job had just the right amount of fun and gave good advice That all changed after a small fire in the newly added spa

where his sister and the electrician were trapped Since that moment nothing has been the same Maybe it was the fire telling him life was short or maybe it was the gorgeous sexy electrician Morgan who he couldn't stop thinking of He wanted her badly but knew from past experience that women weren't looking for long term when it came to him Something that had held him back long enough Morgan's life was a mess She'd moved to the small Wisconsin town of Lyden to meet her real dad and from there her life had been twisted every which way but up After the fire she was having a hard time sleeping and dealing with all that was on her plate The very last thing she needed was to be having dreams about Emmett Beckmeyer the man who saved her from the fire He despised her or at least that's what she thought Until a party at his parent's house where that all changed Kneaded Decker Beckmeyer has a great life He loves his family and his job But every day he remembers the past and how he almost gave it up for the wrong woman He's vowed to never let another woman into his heart again even though he yearns for love and a family of his own When he does his sister an innocent favor that all changes Natasha can't believe her life has come to this An ex boyfriend is harassing her and her once perfect life is now in shambles Enter Decker Beckmeyer He's gorgeous sexy and has hair that any woman would be envious of And he wants her to come work for Maple Ridge Resort and Spa The timing couldn't be more perfect There's just one problem He spends his days ignoring her while she spends all of hers obsessing over what it would be like to be with him That is until she's had enough and confronts him only to find out that maybe he's not as immune to her as she thought Take one last ride with the Beckmeyer Family as Decker finally gets his happy ending

Briefly Very Beautiful Roz Dineen, 2024-07-02 Instantly immersive beautifully imagined this is an unflinching but inspiring story about some things we're going to lose and other things we must never lose Lee Child author of the Jack Reacher series Roz Dineen's *Briefly Very Beautiful* is a spellbinding dystopian novel about the lengths one will go to for their children in a world teetering on the edge of apocalypse In a land destabilized by unsafe air wildfires floods viruses supply shortages and homegrown terror Cass is raising three small children by herself in the city Her husband Nathaniel has gone all too willingly to serve as a medic in an overseas war His absence and Cass's isolation has brought her into an exhausted but harmonious rhythm with the children while it's a frightening time there is also a surprising quiet tenderness in living on the edge of societal collapse When things start to feel more dangerous in the city Cass evacuates with the children to her mother in law's house deep in the countryside Initially it's a place of safety but her mother in law's erratic behavior and increasing grip over the children worries Cass and so they flee again to a commune on the coast It's an idyllic place but Cass comes to suspect this seemingly harmonious community has a dark underbelly *Briefly Very Beautiful* is a magnetic novel about love and resilience Against a wider backdrop of a world imploding it is an exploration of hope and fear beauty and joy as well as seismic betrayal Roz Dineen's lush prose combines with epic and precise world building to create a society that feels at once unrecognizable but deeply chillingly familiar The result is a compelling portrait of what it is to parent through apocalypse
