**Lorca's Poet in New York** Betty Jean Craige,2021-10-21 Written in 1929 1930 when Federico Garc a Lorca was visiting Columbia University Poet in New York stands as one of the great Waste Land poems of the 20th century It expresses as Betty Jean Craige writes in this volume a sudden radical estrangement of the poet from his universe an an estrangement graphically delineated in the dissonant violent imagery which the poet derives from the technological world of New York Craige here describes through close analysis of the structure style and themes of individual works in Poet in New York the chaos into which this world plunges the poet and the process whereby he is able gradually to recover his identity with the regenerative forces of nature Her study demonstrates that though seemingly unique in form and motifs Poet in New York is integral with Lorca s overall poetic achievement

**BOOK JACKET**      **Six Masters of the Spanish Sonnet** Willis Barnstone,1997 With poems selected and translated by one of the preeminent translators of our day this bilingual collection of 112 sonnets by six Spanish language masters of the form ranges in time from the seventeenth to the twentieth centuries and includes the works of poets from Spanish America as well as poets native to Spain Willis

Barnstone's selection of sonnets and the extensive historical and biographical background he supplies serve as a compelling survey of Spanish language poetry that should be of interest both to lovers of poetry in general and to scholars of Spanish language literature in particular. Following an introductory examination of the arrival of the sonnet in Spain and of that nation's poetry up to Francisco de Quevedo, Barnstone takes up his six masters in chronological turn, preceding each with an essay that not only presents the sonneteer under discussion but also continues the carefully delineated history of Spanish language poetry. Consistently engaging and informative and never dull or pedantic, these essays stand alone as appreciations in the finest sense of that word of some of the greatest poets ever to write. It is, however, Barnstone's subtle, musical, clear, and concise translations that form the heart of this collection. As Barnstone himself says, "In many ways, all my life has been some kind of preparation for this volume."

*A Generation of Spanish Poets 1920-1936* C. B. Morris, 1969-09 This critical study of the group of remarkably talented poets who flourished in Spain between the First World War and the Spanish Civil War includes copious quotations accompanied by English prose translations. Mr. Morris treats his poets as a group, showing how they shared certain themes and attitudes. He begins with a general study of the generation as a whole and then examines the use of tradition, the zest and levity of the Jazz Age, the exaltation of life as a shared attitude, then its converse, the escape from life, and finally the expression in complex imagery of personal tensions and disturbances. These are often difficult poets, but become less so when they are sympathetically examined in this way and in relation to earlier literary traditions. Mr. Morris enables the reader to take bearings and establish relationships which are enhanced by reproductions of photographs of the poets.

*The Pirandellian Mode in Spanish Literature from Cervantes to Sastre* Wilma Newberry, 1973-01-01 Examines Spanish literature through Pirandellian eyes.

*From Romanticism to Surrealism* Robert Havard, 1988-01-01 The book offers an in-depth critical appreciation of seven major Spanish poets. Emphasis is on the modern period, with five of the poets being twentieth-century poets. It is argued that the roots of modern poetry are to be found in Romanticism's anguished search for meaning. The seven Spanish poets include Becquer, Rosalía de Castro, Antonio Machado, Jorge Guillén, Pedro Salinas, García Lorca, and Rafael Alberti.
