## **Lou Henry Hoover Gallant First Lady:**

**Lou Henry Hoover: Gallant First Lady** Helen Brenton Pryor, 1969 A biography of the woman who in addition to serving for four years as First Lady in the White House accompanied her husband all over the world nursed the wounded on the battlefield of China's Boxer Rebellion participated in many World War I relief movements and served as President of the Girl Scouts of America

*Lou Henry Hoover: Gallant First Lady* Helen Brenton Pryor, 1969 A biography of the woman who in addition to serving for four years as First Lady in the White House accompanied her husband all over the world nursed the wounded on the battlefield of China's Boxer Rebellion participated in many World War I relief movements and served as President of the Girl Scouts of America

*Lou Henry Hoover* Helen Brenton Pryor, 1969

**Lou Henry Hoover** Nancy Beck Young, 2016-02-19 Although overshadowed by her higher profile successors Lou Henry Hoover was in many ways the nation's first truly modern First Lady She was the first to speak on the radio and give regular interviews She was the first to be a public political persona in her own right And although the White House press corps saw in her old fashioned wifedom she very much foreshadowed the new woman of the era Nancy Beck Young presents the first thoroughly documented study of Lou Henry Hoover's White House years 1929-1933 showing that far from a passive prelude to Eleanor Roosevelt she was a true innovator Young draws on the extensive collection of Lou Hoover's personal papers to show that she was not only an important First Lady but also a key transitional figure between nineteenth and twentieth century views on womanhood Lou Hoover was a multifaceted woman a college graduate a lover of the outdoors a supporter of Girl Scouting and a person engaged in social activism who endorsed political involvement for women and created a program to fight the Depression Young traces Hoover's many philanthropic efforts both before and during the Hoover presidency contrasting them with those of her husband and places her public activities in the larger context of contemporary women's activism And she shows that unlike her predecessors Hoover did more than entertain she revolutionized the office of First Lady Yet as Young reveals Hoover was constrained as First Lady by her inability to achieve the same results that she had previously accomplished in her very public career for the volunteer community As diligently as she worked to combat the hardship of the Depression for average Americans by mobilizing private relief efforts her efforts ultimately had little effect Although her celebrity has paled in the shadow of her husband's negative association with the Great Depression Lou Hoover's story reveals a dynamic woman who used her activism to refashion the office of First Lady into a modern institution reflecting changes in the ways American women lived their lives Young's study of Hoover's White House years shows that her legacy of innovation made a lasting mark on the office and those who followed

**First Ladies** Betty Boyd Caroli, 2019-04-05 Betty Boyd Caroli's engrossing and informative First Ladies is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies Caroli observes the role as it has shifted and evolved from ceremonial backdrop to substantive world figure This expanded and updated fifth edition presents Caroli's keen political analysis and astute observations of recent developments

in First Lady history including Melania Trump's reluctance to take on the mantle and former First Lady Hilary Clinton's recent run for president Caroli here contributes a new preface and updated chapters. Covering all forty-five women from Martha Washington to Melania and Ivanka Trump and including the daughters, daughters-in-law and sisters of presidents who served as First Ladies, Caroli explores each woman's background, marriage and accomplishments and failures in office. This remarkable lot included Abigail Adams whose husband became a twentieth-century feminist; Jane Pierce who prayed her husband would lose the election; Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship; Eleanor Roosevelt who epitomized the politically involved First Lady; and Pat Nixon who perfected what some have called the robot image. They ranged in age from early 20s to late 60s; some received superb educations for their time while others had little or no schooling. Including the courageous and adventurous, the ambitious and the reserved, these women often did not fit the traditional expectations of a presidential helpmate. First Ladies is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also the role of American women in general.

**First Ladies** Dorothy Schneider, Carl J. Schneider, 2010. A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama. *First Ladies* Betty Caroli, 2010-07-15. Betty Boyd Caroli's engrossing and informative First Ladies is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies. This expanded and updated fourth edition includes Laura Bush's tenure, Hillary Clinton's 2008 presidential bid and an in-depth look at Michelle Obama, one of the most charismatic and appealing First Ladies in recent history. Covering all forty-one women from Martha Washington to Michelle Obama and including the daughters, daughters-in-law and sisters of presidents who sometimes served as First Ladies, Caroli explores each woman's background, marriage and accomplishments and failures in office. This remarkably diverse lot included Abigail Adams whose husband became a twentieth-century feminist; Jane Pierce who prayed her husband would lose the election; Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship; Eleanor Roosevelt who epitomized the politically involved First Lady; and Pat Nixon who perfected what some have called the robot image. They ranged in age from early 20s to late 60s; some received superb educations for their time while others had little or no schooling. Including the courageous and adventurous, the emotionally unstable, the ambitious and the reserved, these women often did not fit the traditional expectations of a presidential helpmate. Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also American women in general. Impressive Caroli's profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive. Philadelphia Inquirer. *A Companion to First Ladies*

Katherine A.S. Sibley,2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady American First Ladies Lewis L. Gould,2021-10-28 An historical survey of the impact of individual First Ladies impact on America and the American woman A selection of each woman s own writings is given along with a commentary on her influence and a biography of her life and the narrative covers all the presidents wives from Martha Washington to Hillary Rodham Clinton *America's First Ladies* Nancy Hendricks,2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public The Life of Herbert Hoover G. Jeansonne,2012-04-03 This is the first definitive study of the presidency of America s least understood and most under appreciated Chief Executive Combining government with private resources Hoover became the first president to pit government action against the economic cycle setting precedents and spawning ideas employed by his successor and all future presidents **Herbert Hoover and the Commodification of Middle-Class America** Edward Gale Agran,2016-08-15 Herbert Hoover rose from a rudimentary background to establish himself as a self made millionaire and leading progressive reformer Until the disaster that hit the nation in 1929 Hoover was known globally as the Great Humanitarian who had saved the lives of scores of millions of Europeans and Asians during and following WWI As Secretary of Commerce through the twenties the Great Engineer constructed tooled and fine tuned the most powerful economy in the world Hoover was celebrated as a representative

product of America's rise to global domination and a formidable voice for progressivism who could finish the job in the White House. The Depression was Hoover's undoing but historians recognize they must take account of his considerable contributions to the creation of twentieth century America. As we learn more of that America Hoover makes more sense. With due consideration of Hoover's accomplishments one can further understand the construction of the American industrial and corporate economy, progressivism and the New Deal and political posturing throughout the century. Equally significant one can comprehend twentieth century cash box culture and Hoover's formidable contributions as a public servant to the commodification of American life. He endeavored to establish that all could fulfill a secure middle class life in essence achieve the American Dream. This concept in part was created by Hoover who also was considered one of the nation's public relations geniuses. The political establishment continues to build upon the social and cultural foundation he laid. That foundation while under stress remains fundamentally sound as the nation enters the twenty first century. The criticisms rained down upon American materialism echo dangers Hoover warned against. He subscribed to the maxim that a genuinely good society is not one premised upon material values; it is established upon a widely distributed sense of well being grounded in service and compassion. Hoover never lost sight of the imperative of selflessness for the good of others, the nation and oneself within an individualistically driven society rich in comforts and security. He sedulously worked to create a middle class identity which spoke to material well being and fundamental decency. A true believer, Herbert Clark Hoover energetically embraced the American Promise.

**Modern First Ladies** Nancy Kegan Smith, Mary C. Ryan, 1989      Historical Materials in the Herbert Hoover Presidential Library Herbert Hoover Presidential Library, 1990      *The Life of Herbert Hoover* K. Clements, 2010-06-21. This latest volume in the definitive six volume biography of Herbert Hoover tracks Hoover's life and career from 1918 to 1928, a period defined largely by his role as United States Secretary of Commerce and leading directly to his election as the thirty first President of the United States.

Herbert Hoover Glen Jeansonne, 2016-10-04. At last a biography of Herbert Hoover that captures the man in full. Jeansonne has splendidly illuminated the arc of one of the most extraordinary lives of the twentieth century. David M. Kennedy Pulitzer Prize winning Author of *Freedom from Fear*. Prizewinning historian Glen Jeansonne delves into the life of our most misunderstood president offering up a surprising new portrait of Herbert Hoover, dismissing previous assumptions and revealing a political Progressive in the mold of Theodore Roosevelt and the most resourceful American since Benjamin Franklin. Orphaned at an early age and raised with strict Quaker values, Hoover earned his way through Stanford University. His hardworking ethic drove him to a successful career as an engineer and multinational businessman. After the Great War he led a humanitarian effort that fed millions of Europeans left destitute, arguably saving more lives than any man in history. As commerce secretary under President Coolidge, Hoover helped modernize and galvanize American industry and orchestrated the rehabilitation of the Mississippi Valley after the Great Flood of 1927. As president, Herbert Hoover became the first chief executive to harness federal power to combat a

crippling global recession Though Hoover is often remembered as a do nothing president Jeansonne convincingly portrays a steadfast leader who challenged congress on an array of legislation that laid the groundwork for the New Deal In addition Hoover reformed America s prisons improved worker safety and fought for better health and welfare for children Unfairly attacked by Franklin D Roosevelt and blamed for the Depression Hoover was swept out of office in a landslide Yet as FDR s government grew into a bureaucratic behemoth Hoover became the moral voice of the GOP and a champion of Republican principles a legacy re ignited by Ronald Reagan and which still endures today A compelling and rich examination of his character accomplishments and failings this is the magnificent biography of Herbert Hoover we have long waited for

**INCLUDES PHOTOS**      **American Presidents Attend the Theatre** Thomas A. Bogar,2015-06-14 Not every presidential visit to the theatre is as famous as Lincoln s last night at Ford s but American presidents attended the theatre long before and long after that ill fated night In 1751 George Washington saw his first play The London Merchant during a visit to Barbados John Quincy Adams published dramatic critiques William McKinley avoided the theatre while in office on professional as well as moral grounds Richard Nixon met his wife at a community theatre audition Surveying 255 years this volume examines presidential theatre going as it has reflected shifting popular tastes in America      *Mrs. Hoover's Pueblo Walls* Paul Venable Turner,2004 This book shows that although professional architects were involved in the project the architect was actually Lou Henry Hoover herself who conceived the design of the house and worked out its details using her architects largely for technical matters and to produce the drawings and supervise construction As for the design the book argues that it was inspired mainly by the Native American Pueblo architecture of New Mexico and Arizona      **Eleanor: A Spiritual Biography** Harold Ivan Smith,2017-03-02 More than fifty years after her death Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist Often overlooked however is her deep and inclusive spirituality Her personal faith was shaped by reading the New Testament in her youth giving her a Jesus centered spirituality that fueled her commitment to civil rights women s rights and the rights of all little people marginalized in American society She took seriously Jesus words and despite her life of privilege she made the needs of those on the margins her priority Eleanor A Spiritual Biography provides insight into one of America s most famous women particularly the spiritual influences that made her so active in social justice issues      President Herbert Hoover Donald W. Whisenhunt,2007 Herbert Clark Hoover 10 August 1874 20 October 1964 the 31st President of the United States 1929 1933 was a successful mining engineer the peoples icon and administrator He showed the Efficiency Movement component of the Progressive Era arguing there were other solutions to all social and economic problems a position that was challenged by the Great Depression that began while he was President Hoover had a distinguished public service career before becoming president at a time of great religious and social turmoil He had the misfortune to arrive at the presidency at the same time as the Stock Market Crash of 1929 and the outset of the Great Depression and his legacy to this day carries that stigma He nevertheless is generally ranked in the

middle of the pack of effective presidents
