Eclipsed Hearts Wesley Guo, 2024-12-07 What would you do for love In this gripping tale of horror and mystery a couple of seasoned agents are thrust into an investigation that blurs the line between the living and the dead A string of chilling crimes leads them to a single haunting question How far would someone go to reunite with the one they love As they delve deeper into the case the agents uncover a dark web of secrets uncovering motivations fueled by love desperation and a willingness to defy the boundaries of life and death Is love truly blind or is it the most dangerous force of all Fear takes on new forms as the agents face not only ghosts of the past but also the terrifying extremes of human emotion What is more horrifying the malevolent spirits haunting the case or the truths that lie within the human heart This is a story of love and loss crime and consequences and the mysteries that linger just beyond the veil of the ordinary Step into a world where emotions wield power the past refuses to rest and every answer leads to a new question

Heart of War Hal Weidner, 2008-05 Captain Parker declares war on a politically powerful traitor to England Immediately Parker becomes a marked man All hell is visited upon him but Parker has been fighting battles since he was seven years old and is not easily daunted To survive he fights one brutal battle after another descending into war s inexpressible darkness The author of this well crafted thriller stages his war from a perspective that sheds light on our post 9 11 experiences We observe the overextended British Empire fighting two wars amidst the corruption resulting from war s confusion and excess This is an 18th century sea story It is however more than just a sea story in the way that *Heart of War* is more than a steamer trip into the Congo For its brilliance and its honesty it will win a place in the reader s heart Hal Weidner has emerged to write a spectacular yarn in the tradition of Patrick O Brian s *Master and Commander* Weidner s imagination creates a hair raising thriller that will keep you rooted to your easy chair with the doors locked Weidner s twists turns and subplots keep us guessing by pitting good and evil against an uneasy grey I could not put this book down Robert Sain psychiatrist and author In Hal Weidner s novel the beauty and strangeness of the past and of the sea are evoked in spare and lovely prose This novel brings to life a fully imagined reality in all its splendor *Heart of War* is suspenseful and languorous sparse and lyrical by a novelist fully capable of transporting the reader skillfully to its world Laura Kasischke Internationally renowned poet and novelist Hal Weidner s vivid depiction of warfare intrigue treachery and heroism among British American and French factions during the 18th Century mirrors eerily the tensions that we see and imagine shaping the world today Tom Zimmerman Editor *The Huron River Review*
