would begin to rise in earnest First he was appointed Foreign Minister In this position he aligned himself with the charismatic general who would become Emperor of France Napoleon Bonaparte In the course of the next three decades Talleyrand would prove himself perhaps the most adept politician of all time his political pliability allowed him to survive the fall of Bonaparte and the consequent second Bourbon restoration He was in the shadow of power in Europe through more upheaval than perhaps any other person of his generation Napoleon s Master is a riveting portrait of an eternally fascinating man
