quickly immersed in a life compounded simultaneously of several jobs theaters concerts parties courtship and marriage good living and the writing of novels that brought quick success It was a rapid and fantastic success in many ways and he was able to move his family to France and live there in a way that marked his life always surrounded by opinionated helpers independent minded children raucous pets and hordes of visitors who converged upon Senlis for Sunday lunch and bellowed their way through in setting but not in kind Again he drew into his orbit people of all kinds and all convictions refusing acceptance only to the dull of spirit As his family grew up and the years went by he gave them all his passionate conviction of the reality of the land above all and this is the heritage Ellen Geld carries on today in Brazil
