The Matrilineal Heritage of Louisa May Alcott and Christina Rossetti Azelina Flint, 2021-07-29 In an unprecedented comparison of two of the most important female

authors of the nineteenth century Azelina Flint foregrounds the influence of the religious communities that shaped Louisa May Alcott's and Christina Rossetti's visions of female creativity. In the early stages of the authors' careers, their artistic developments were associated with their patrilineal connections to two artistic movements that shaped the course of American and British history: the Transcendentalists and the Pre-Raphaelites. Flint uncovers the authors' rejections of the individualistic outlooks of these movements, demonstrating that Alcott and Rossetti affiliated themselves with their mothers and sisters' religious faith. Applying the methodological framework of women's mysticism, Flint reveals that Alcott's and Rossetti's religious beliefs were shaped by the devotional practices and life-writing texts of their matrilineal communities. Here, the authors' iconic portrayals of female artists are examined in light of the examples of their mothers and sisters. For the first time, Flint recovers a number of unpublished life writings, including commonplace albums and juvenile newspapers, introducing readers to early versions of the authors' iconic works. These recovered texts indicate that Alcott and Rossetti portrayed the female artist as a mouthpiece for a wider community of women committed to social justice and divine communion. By drawing attention to the parallels in the authors' familial affiliations and religious beliefs, Flint recuperates a tradition of nineteenth-century women's mysticism that departs from the individualistic models of male literary traditions to locate female empowerment in gynocentric relationships dedicated to achieving a shared revelation of God.

Louisa May Alcott Louisa M. Alcott, 2020-02. Raised among the New England Transcendentalists in Concord and Boston, Ms. Alcott grew up among some of the giants of American literature and history, including Emerson and Thoreau. However, her philosopher father, Bronson Alcott, was often unable to financially support his family, and Ms. Alcott devoted most of her life to giving her altruistic mother, her father, and her sisters some financial security. During the Civil War, Ms. Alcott volunteered to nurse soldiers in Washington, D.C., but she became seriously ill after 6 weeks and never recovered her health, although that didn't stop her from working 14-hour days writing, writing, writing. After the first volume of *Little Women* was published, editors began soliciting her work and paying her much higher rates. She kept right on working and was able to realize her dream of supporting her family in comfort and assisting others. Published in 1889, a year after her death, Ms. Alcott's letters and the journal, supplemented with the editor's comments, form a virtual autobiography which reflects her idealism, integrity, humor, and practicality. Sadly, she had most of the letters she wrote to her family destroyed; she also edited her journal, but the letters from her European trip with her sister were inadvertently saved by her father and are delightful. "I am in the garret with my papers round me and a pile of apples to eat while I write my journal, plan stories, and enjoy the patter of rain on the roof in peace and quiet." April 1855, age 22.

Chronicles the life and literary success of the author of the enduring classic Little Women **May Alcott Nieriker, Author and Advocate** Julia Dabbs, 2022-03-01 May Alcott Nieriker Author and Advocate examines in depth the writings on art and travel by the youngest sister of famed novelist Louisa May Alcott Like other American women in the later nineteenth century due to her gender May was unable to receive the advanced training and exhibition opportunities in the USA that she needed to become a notable professional painter An additional obstacle was her family's insecure financial status making it difficult to study abroad for training Fortunately thanks to Louisa's generosity May was able to make three extended trips to London and Paris in order to gain further training and eventually attained the honor of having two paintings accepted into the Paris Salon However this book argues that Alcott Nieriker's main contributions to cultural history were not necessarily her artistic creations but rather her publications on travel and art specifically four articles for the Boston Evening Transcript and an 1879 guidebook Studying Art Abroad and How To Do It Cheaply In these works May sought to transform the art world and social mores through her advocacy for the rights of women to have equal access to a professional artistic career **LITTLE**
