All About Love bell hooks, 2001-01-09 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in *All About Love* Here at her most provocative and intensely personal the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode the question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society's failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The *Utne Reader* declared bell hooks one of the 100 Visionaries Who Can Change Your Life *All About Love* is a powerful affirmation of just how profoundly she can

Talk of Love Ann Swidler, 2013-06-25 Talk of love surrounds us and romance is a constant concern of popular culture Ann Swidler's *Talk of Love* is an attempt to discover how people find and sustain real love in the midst of that talk and how that culture of love shapes their expectations and behavior in the process To this end Swidler conducted extensive interviews with Middle Americans and wound up offering us something more than an insightful exploration of love *Talk of Love* is also a compelling study of how much culture affects even the most personal of our everyday experiences

Sad Love Carrie Jenkins, 2022-05-16 As a woman with a husband and other partners philosopher Carrie Jenkins knows that love is complicated Love is most often associated with happiness satisfaction and pleasure But it

has a darker side we ignore at our peril Love is often an uncomfortable and difficult feeling The people we love can let us down badly And the ways we love are often quite different to the romantic ideals society foists upon us Since we are inevitably disappointed by love wouldn't we be better off without it No says Carrie Jenkins Instead we need a new philosophy of love one that recognizes that the pain and suffering love causes are a natural even a good part of what makes love worthwhile What Jenkins calls sad love offers no bogus happy ever afters Rather it tries to find a way properly to integrate heartbreak and disappointment into the lived experience of love It's time we liberated love Also available as an audiobook
