Prévost, 2020-05-11 With The Greek Girl s Story Alan Singerman presents the first reliable stand alone translation and critical edition of Abb Pr vost s 1740 literary masterpiece Histoire d une Grecque moderne The text of this new English translation is based on Singerman's 1990 French edition which Jonathan Walsh called arguably the most valuable critical edition of Pr vost s novel to date This new edition also includes a complete critical apparatus comprising a substantial introduction notes appendixes and bibliography all significantly updated from the 1990 French edition taking into account recent scholarship on this work and providing some additional reflection on the question of Orientalism Pr vost s roman clef is based on a true story involving the French ambassador to the Ottoman Porte from 1699 to 1711 It is narrated from the ambassador's viewpoint and is a model of subjective unreliable narration long before Henry James It is remarkably modern in its presentation of an enigmatic ambiguous character as the truth about the heroine can never be established with certainty It is the story of the tormented relationship between the diplomat and a beautiful young Greek concubine Th oph whom he frees from a pasha s harem While her benefactor becomes increasingly infatuated with her and bent on becoming her lover the Greek girl becomes obsessed with the idea of becoming a virtuous and respected woman Viewing the ambassador as a father figure she condemns his quasi incestuous passion and firmly rejects his repeated seduction attempts Unable to possess the young woman or tolerate the thought that she might grant to someone else what she has refused him the narrator subjects her behavior to minute scrutiny in an effort to catch her in an indiscretion His investigations are fruitless however and Th oph the victim of incessant persecution simply dies leaving all the questions about her behavior unanswered Frank Joseph Shulman, Anna See Ping Leon Shulman, 2001-01-01 A descriptively annotated multidisciplinary cross referenced and extensively indexed guide to 2 395 dissertations that are concerned either in whole or in part with Hong Kong and with Hong Kong Chinese students and emigres throughout the world The Intersexes Edward Irenaeus Prime-Stevenson, 2021-06-22 The Intersexes A History of Similisexualism as a Problem in Social Life 1906 is a work of nonfiction by Edward Irenaeus Prime Stevenson Written while Prime Stevenson was living as an expatriate in Europe The Intersexes is a defense of homosexuality grounded in scientific and historical research Throughout his career Prime Stevenson sought to dispel falsehoods surrounding the history and social acceptance of homosexuality Writing under the pseudonym Xavier Mayne Prime Stevenson took great care to insulate himself from the reprisal common to the period in which he worked Despite his limited audience copies of his works numbered in the hundreds Prime Stevenson is now recognized as a pioneering advocate for the rights of the LGBTQ community Between a protozoan and the most perfect development of the mammalia we trace a succession of dependent intersteps A trilobite is at one end of Nature s workshop a Spinoza a Shakespeare a Beethoven is at the other Why have we set up masculinity and femininity as processes that have not perfectly logical and respectable inter steps Seeking to defend homosexuality as a natural result of human evolution Prime Stevenson offers his theory of intersexes of which he identifies two while leaving room for more to be defined in the future To

do so he rejects the binary of masculine and feminine both of which fail to describe the vast majority of humanity in favor of a broader spectrum of sexual identity Using the terms Uranian and Uraniad which align with gay and lesbian respectively Prime Stevenson attempts to define these types call attention to historical examples and critique the societal condemnation and persecution of such individuals as degenerate or criminal This groundbreaking study perhaps the first to approach homosexuality from a scientific historical personal and legal point of view is recognized today as a landmark in queer literature by academics around the world With a beautifully designed cover and professionally typeset manuscript this edition of Edward Irenaeus Prime Stevenson's The Intersexes A History of Similisexualism as a Problem in Social Life is a classic work of queer literature reimagined for modern readers
