often prevail It is essential reading for anyone interested in the ethics of attitudes to wrongdoing *Colby Quarterly*, 1992

The Early Poetry of William Butler Yeats Patty Gurd, 1916 **A Selection from the Poetry of W.B. Yeats** William Butler Yeats, 1913 *A History of Modernist Poetry* Alex Davis, Lee M. Jenkins, 2015-04-27 A History of Modernist Poetry examines innovative anglophone poetries from decadence to the post war period The first of its three parts considers formal and contextual issues including myth politics gender and race while the second and third parts discuss a wide range of individual poets including Ezra Pound T S Eliot W B Yeats Mina Loy Gertrude Stein Wallace Stevens William Carlos Williams and Marianne Moore as well as key movements such as Imagism Objectivism and the Harlem Renaissance This book also addresses the impact of both World Wars on experimental poetries and the crucial role of magazines in disseminating and proselytizing on behalf of poetic modernism The collection concludes with a wide ranging discussion of the inheritance of modernism in recent writing on both sides of the Atlantic *The Sacred Art of Forgiveness* Marcia Ford, 2006 Everyone knows that forgiveness is a virtue and a key to emotional spiritual and even physical well being But learning how to actually forgive or to accept forgiveness as the case may be is a sacred art few of us have mastered **Anglo-Irish Literature** William T. O'Malley, 1990-03-26 This bibliography brings together information on over 4 000 dissertations that deal wholly or in part with Irish writers and Anglo Irish literature Included are works from more than 350 universities and from 28 different countries a scope of material that has not been collected in one place before The dissertation subjects include not only poets novelists and dramatists but also critics diarists scholars historians and journalists In all 193 authors are studied whose lives cover the years from 1600 to the present The book which supersedes all previously published volumes on this subject lists each entry under the author as subject rather than under a topical genre or subject designation Because multiple subject entries are listed under first mentioned author a complete see also reference section has been included to direct users to all entries related to each author The volume also includes a section on general and topical studies as well as a subject index This book will be an important reference for courses in English literature Irish studies and theater and drama and an important addition to most university and college libraries *The Oxford Handbook of W. B. Yeats* Lauren Arrington, Matthew Campbell, 2023 A Handbook devoted to the poet W B Yeats 1865 1939 that examines how his work as a poet playwright critic and public figure in the late 19th through the mid 20th century continues to influence writing in English Irish and worldwide Anglophone literatures **Yeats, Eliot, Pound and the Politics of Poetry** Cairns Craig, 2015-12-22 It has long been recognised that there is an apparently paradoxical relationship between the revolutionary poetic style developed by Yeats Eliot and Pound in the period during and after the First World War and the reactionary politics with which they were associated in the 1920s and 1930s Concentrating on their writings in the period up to the 1930s this study first published in 1982 helps to resolve the paradox and also provides a much needed reappraisal of the factors influencing their poetic and political development The work of these poets has usually been seen as deriving from the

tradition of continental symbolist poetics Yeats Eliot Pound and the Politics of Poetry will be of interest to students of literature *Our Secret Discipline* Helen Vendler, 2007-11-29 The fundamental difference between rhetoric and poetry according to Yeats is that rhetoric is the expression of ones quarrels with others while poetry is the expression of ones quarrel with oneself Through exquisite attention to outer and inner forms Vendler explores the most inventive reaches of the poets mind **Studies in Language and Literature** ,1990
