Love And Hisses:

Love and Hisses Sylvia Anderson,1983-01-01 **Love and Hisses** Peter Rainer,1992 A come out swinging collection of reviews and essays that pits the nation's leading critics against each other as they take opposing sides on the most hotly debated movie controversies of the decade From Spike Lee to Oliver Stone from the ratings war to the war of the sexes this book offers widely divergent yet always enlightening views of films filmmakers performers and trends **The Seventh Stream** Philip H. Ennis,1992-12 A cultural and social study of the origins and evolution of rocknroll **Growing Up in San Francisco** Frank Dunnigan,2016-10-17 Newcomers and visitors can still enjoy iconic San Francisco with activities like riding a cable car or taking in the view from Twin Peaks But San Franciscans cherish memories of a place quite different They reminisce about seafood dinners at A Sabella's on Fisherman's Wharf the enormous Christmas tree in Union Square's City of Paris department store and taking a handful of dimes to Playland at the Beach for arcade games and cotton candy In his second volume of these unforgettable stories local author and historian Frank Dunnigan vividly recalls the many details that made life special in the City by the Bay for generations **Theatres of San Francisco** Jack Tillmany,2005-08-31 You read the sad stories in the papers another ornate 1920s single screen theatre closes to be demolished and replaced by a strip mall That's progress and in this 20 screen multiplex world it's happening more and more Only a handful of the 100 or so neighborhood theatres that once graced these streets are left in San Francisco but they live on in the photographs featured in this book The heyday of such venues as the Clay Noe Metro New Mission Alexandria Coronet Fox Uptown Coliseum Surf El Rey and Royal was a time when San Franciscans thronged to the movies and vaudeville shows dressed to the hilt to see and be seen in majestic art deco palaces Unfortunately this era has passed into history despite the dedicated efforts of many neighborhood preservation groups **Bakersfield** Robert Price,2023 Bakersfield was established in 1863 in the western shadow of the Sierra Nevada at the intersection of two of the country's defining events the California Gold Rush and the Civil War Bakersfield's first generation of pioneers gold seekers Southern sympathizers and European immigrants tamed the region's confluence of swamps and built a frontier town Over the next century the town at the southern tip of California's San Joaquin Valley produced a noteworthy array of heroes poets leaders and scoundrels including the most influential Supreme Court chief justice in the nation's history two best selling country artists decorated athletes brilliant innovators and corrupt lawmen Founded by Col Thomas Baker Bakersfield prospered atop fertile soil unmatched anywhere on the planet and crude oil reserves that had few peers During the Dust Bowl migration it became a beacon of hope to the refugees of the nation's most dire ecological disaster and consequently a unique region that writer Gerald Haslam came to call the Other California Today Bakersfield is California's ninth largest city and among its fastest growing The story of its first century is presented here in words and pictures **Box Office** ,1937-11-27 *From Radio to the Big Screen* Hal Erickson,2014-05-23 There was a time when American popular entertainment referred only to radio and motion pictures With the coming of talking pictures

Hollywood cashed in on the success of big time network radio by bringing several of the public's favorite broadcast personalities and programs to the screen. The results though occasionally successful often proved conclusively that some things are better heard than seen. Concentrating primarily on radio's Golden Age 1926-1962, this lively history discusses the cinematic efforts of airwave stars Rudy Vallee, Amos 'n' Andy, Fred Allen, Joe Penner, Fibber McGee & Molly, Edgar Bergen, Lum Abner, and many more. Also analyzed are the movie versions of such radio series as *The Shadow*, *Dr. Christian*, and *The Life of Riley*. In addition, two recent films starring contemporary radio headliners Howard Stern and Garrison Keillor are given their due.

Military Comedy Films Hal Erickson, 2012-08-21. Beginning with Charlie Chaplin's *Shoulder Arms* released in America near the end of World War I, the military comedy film has been one of Hollywood's most durable genres. This generously illustrated history examines over 225 Army, Navy, and Marine-related comedies produced between 1918 and 2009, including the abundance of laughspinners released during World War II in the wake of Abbott and Costello's phenomenally successful *Buck Privates* (1941) and the many lighthearted service films of the immediate postwar era among them *Mister Roberts* (1955) and *No Time for Sergeants* (1958). Also included are discussions of such subgenres as silent films, *The General*, military academy farces, *Brother Rat*, women in uniform, *Private Benjamin*, misfits making good, *Stripes*, anti-war comedies, *MASH*, and fact-based films *The Men Who Stare at Goats*. A closing filmography is included in this richly detailed volume.

Film Year Book, 1938 *World's Wackiest Riddle Book* Evelyn Jones, 2004. An illustrated collection of hundreds of riddles in categories such as Fast, Freaky, Pet, Talk, and Reverse Riddles.

The Film Daily Year Book of Motion Pictures, 1938 [The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States](#) American Film Institute, 1993. The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department, comments on previous volumes: "The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog." Thomas Cripps, *Endlessly absorbing as an excursion into cultural history and national memory*. Arthur Schlesinger Jr., *Adler Sign Letter Co. v. Wagner Sign Service, Inc.*, 1939. *Motion Picture Herald*, 1927.

South African Despatches Jennifer Crwys-Williams, 1989. *Guide to the Silent Years of American Cinema* Christophe P. Jacobs, Donald McCaffrey, 1999-09-30. The latest offering from the Reference Guides to the World's Cinema series, this critical survey of key films, actors, directors, and screenwriters during the silent era of the American cinema offers a broad-ranging portrait of the motion picture production of silent film. Detailed but concise alphabetical entries include over 100 film titles and 150 personnel. An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema. These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times. The annotated entries, alphabetically arranged by film title or personnel, include brief bibliographies and filmographies. An appendix lists

secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources and that builds upon the increased studies and research of the past ten years Love and Hisses Brant House,1956 Calcutta Municipal Gazette ,1937 Motion Picture Story Magazine ,1938
