Apple, 1995 This guide identifies both in print and out of print works of fiction featuring continuing themes plots or characters in which there is a sense of development and passage of time Entries are arranged alphabetically by author and are accompanied by bibliographic information *The British National Bibliography* Arthur James Wells, 1968 *The Publishers Weekly*, 1980 **Aleksandr Porfir'evich Borodin** N.A. Figurovskii, Yu.I. Solov'ev, 2012-12-06 A full century has

passed since the sudden and tragically premature demise of Aleksandr Porfir'evich Borodin in 1887 at the age of 53 when he was following with phenomenal success the disparate careers of musician composer organic chemist and pioneer in women's medical education As a unique figure among the remarkable group of geniuses who suddenly appeared in Russia in the middle of the last century and explosively propelled that country into the mainstream of world culture in the arts humanities and sciences it might have been expected that Borodin was the object of much research There is no doubt that the Russian contribution to the amazing development of structural chemistry in the last century has tended to be underplayed while that in the rest of Europe has received much more attention One wonders in particular whether Borodin's name might not have appeared in the chemical pantheon as have those of Mendeleev Markovnikov Menshutkin and many other Russians if the

aldol condensation which he was the first to discover and investigate had been named the Borodin condensation

Straightening out the record is important Figurovskii and Solov'ev's biography does much in this respect Just as meritorious have been the scholarly and exhaustive efforts of Professors Charlene Steinberg and George B Kauffman who have made the Russian text accessible to the Western world in their accurate and engrossing translation *The Borodins Love and Honor* Leslie Arlen,1980 Bibliografia brasileira ,1983 The New York Times Book Review ,1981 *Fate and Dreams* Leslie Arlen,1981-09 *Fiction, 1876-1983: Authors* R.R.
