Love And Its Counterfeits:

Love and Its Counterfeits Barbara Cook,1989 **Love and its Hidden History. Also, the Master Passion; or, the curtain raised on woman, love and marriage ... Sixth edition ... enlarged** Paschal Beverly RANDOLPH,1873 *Love and its hidden history. A book for man, woman, wives, husbands, and for the loving and the unloved: the heart-reft, pining ones. By the Count de St. Leon [pseudonym of Paschal B. Randolph] ... Fourth edition, entirely rewritten ,1869* John Henry Newman on Truth and its Counterfeits Reinhard Hutter,2020-02-21 Reinhard Hutter's main thesis in this third volume of the Sacra Doctrina series is that John Henry Newman in his own context of the nineteenth century a century far from being a foreign one to our own faced the same challenges as we do today the problems then and now differ in degree not in kind Hence Newman's engagement with these problems offers us a prescient and indeed prophetic diagnosis of what these problems or errors if not corrected will lead to consequences which have more or less come to pass and furthermore an alternative way which is at once thoroughly Catholic and holds contemporary relevance The introduction offers a survey of Newman's life and works and each of the subsequent four chapters addresses one significant aspect of Christianity that is not only contested or rejected by secular unbelief but also has a counterfeit for which not only Christians but even Catholics have fallen The counterfeit of conscience is the conscience of the sovereign subject Ch 1 the counterfeit of faith is the faith of one who does not submit to the living authority through which God communicates but rather adheres to the principle of private judgment in matters of revealed religion Ch 2 the counterfeit of doctrinal development is twofold i paying lip service to development while only selectively accepting its consequences on the grounds of a specious antiquarianism and ii invoking development theory to justify all sorts of contemporary changes according to the present Zeitgeist Ch 3 Finally the counterfeit of the university are all those universities whose end is not to educate and thereby to perfect the intellect but rather to feed more efficiently the empire of desire that is informed by the techno consumerism of today Ch 4 The book concludes with an epilogue on Hutter's journey to Catholicism *Eulis! The History of Love: its Wondrous Magic, Chemistry, Rules, Laws, Modes, Moods and Rationale; Being the Third Revelation of Soul and Sex* Paschal Beverly Randolph,2020-09-28 Sex is a thing of soul most people think it but a mere matter of earthly form and physical structure True there are some unsexed souls some no sex at all and others still claiming one gender and manifesting its exact opposite But its laws offices utilities and its deeper and diviner meanings are sealed books to all but about two in a million yet they ought to have the attentive study of every rational human being every aspirant to immortality beyond the grave In some sense this matter has been and is the subject of thought but only in its outer phases or its grosser aspects seldom in its higher ones and never until now in any of its loftier and mystical bearings Books by ship loads on one or two and always either its physiological or sentimental sides of the subject have been put forth by ambitious M D s or notoriety seeking empirics books which mainly satisfied a prurient taste or morbid curiosity gave but little light and generally left their readers practically as ignorant as

before Other books in other millions vile atrocious cancerous abounding with death in every line fraught with ruin on every page have been still are being scattered everywhere across the nations till the flower of the world s youth has been blighted and the morality of earth sapped dry Oh that literature foul disgusting beyond belief terrible as the cobra s fang keener than the dagger s edge monstrous as a drunkard s dream more devastating than the spotted plague until between the two millstones quackery pseudo professional literature on the one hand and the execrable libidinous abominations on the other one half of the manhood and womanhood of our nation has been ground into the very dust No punishment can be too severe for the disseminators of the latter no contempt too great for the authors of the former Not one of the very many respectable people including fifty French a score of English about as many Americans and a few German authors who have stained reams of good white paper and spilled gallons of ink in writing anent the sublime subject of sex have taken the trouble to go one inch below the surface but have been content to copy each other and repeat the same old worn out story else concealed a few good ideas in barrels of words They have taken man and woman shown us their anatomy explained something of physical gender said something about function and periods and there left us because they knew nothing further themselves For example there are ten thousand treatises extant concerning what the doctors call the sin of one Onan meaning thereby a certain nameless solitary vice But the man alluded to in the Bible never was guilty of that sin at all Albeit his crime was equally bad equally disastrous and hateful In these days it is politely called conjugal fraud and in plain terms consists of the nuptive union to the orgasmal climax which was allowed to occur only in a manner never intended by the Infinite God He wasted his seed upon the ground that he might not beget children to inherit his brother s name See Bible Millions do the accursed thing to day that they may be childless as indeed they deserve to be for he who does that heinous wrong commits a quadruple crime against his wife himself nature and God to say nothing about the right of all souls to be incarnated by the act of man

The Love That Satisfies Christopher West, 2014-06-26 The celebrated author of *Theology of the Body Explained* and *Theology of the Body for Beginners* offers compelling insights into Pope Benedict s profound teaching on human and divine love *The Love That Satisfies* is for all whether married single or religious who are seeking the face of true love in a wounded world In *The Love That Satisfies* Christopher West turns to the wisdom of both Popes Benedict XVI and John Paul II in order to shed some light on sexual love eros and its relationship with divine love agape Why is the love between man and woman so attractive and elusive demanding and rewarding restrictive and liberating painful and ecstatic messy and beautiful maddening and fulfilling Our world is saturated with sex but remains starved for love Why Perhaps as Waylon Jennings put it we re Lookin for love in all the wrong places lookin for love in too many faces Where then is the right place and whose then is the right face in which to look for love By reflecting on key passages from Pope Benedict s grand encyclical *Deus Caritas Est* this book explores these and many other questions with the goal of pointing all who read it towards the love that satisfies Those who give Pope Benedict s teaching the attention it deserves will discover that the
