Miracle of Love - Stories about Neem Karoli Baba Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees To these devotees who shared their treasured memories I wish to express my deep love and appreciation Some of them felt that no book could or should be written about a being with qualities as vast formless and subtle as Maharajji's and yet they contributed their stories nevertheless I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him I have not misused their trust Some devotees tell me that stories told by other devotees are not factually accurate I have no way of ascertaining the authenticity of any single story All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories Though the responsibility for this manuscript lies solely with me I am delighted to acknowledge a lot of loving help from my friends
