Love Every Minute Of Moms:

Mother Shock Andrea J. Buchanan, 2009-03-13 According to Andrea Buchanan Mother shock is the state in which many new parents exist during those first confusing chaotic and often comical years of parenting It is the clash between expectation and result theory and reality It is the twilight zone of 24 hour a day living where life is no longer neatly divided into day and night the triple impact of hormonal imbalance sleep deprivation and physical exhaustion It is the stress of trying to acclimate quickly to the immediacy of mothering a new conception of oneself one's role in the family and in the world a fearful new level of responsibility and a new delegation of domestic duties In this much needed and delightfully funny collection of essays Buchanan shares the insight she gains as she moves through the stages of mother shock From Fear of the Double Stroller and Confessions of a Bottle Feeder to I'm an Idiot and Everything I Needed to Know I Learned in Playgroup Buchanan details the unimaginably difficult and unbelievably rewarding process of becoming a mother

A Minute with Mom April Spann, 2022-01-12 Have you ever wondered if you can have just one minute of uninterrupted time with your daughter where you can pour into her life the love and gratitude that God has given you to share This guided journal takes you through many life lessons and aids in areas where conversations can begin This journal helps to reaffirm who she is in Christ and strengthens your relationship with her It also helps them affirm that they are truly special in your eyes as well as the eyes of God and that they can do and be anything they purpose in their heart May these minutes with your daughter turn into a lifetime of memories and wisdom in how she can love herself God and others
