

Love Forever More

I promise to hold you in my heart

Keep you in my prayers

Fight with you every step of the way so that you can reach your
highest potential

Love you for who you are

Be there for you whether you need me or not

I will always love you no matter what.

You have my heart...literally.

There's not a day that goes by and I don't think of you.

You have helped me realize what I truly want and what is the right
thing for me to do.

Whether we're just friends....or we are together,

I just thought i'd let you know what's in my heart and my soul.

Forever yours.

battle from Georgia to Tennessee from Bull Run to Shiloh When the guns of war finally fall silent a vengeful enemy vows to add another chapter to the bloodstained pages of history by hunting down the soldier named Jamie Ian MacCallister Praise for the Eagles series A rousing two fisted saga of the growing American frontier Publishers Weekly **Sunflower** Andrew Collins, 2011-08-23 This collection of poetry is a reflection on life I created some of these from the age of 10 up to my current age 20 I am aware that my naivety to some issues may be reflected in the meaning of some of the poems but it is this naivety which propelled me into mastering the art of poetry and understanding how a few words can change someone's life I hope that this book will leave you questioning something about your life and from that question you will find the answer Inspirations link to Shakespeare Duffy Byron the pronunciation of words the ambiguity to a sentence which can catapult any emotion at any time and finally the linguistically beautiful style to which you read them Through manipulating my emotions and views of life from a young age I feel I have been able to pen poems which are relevant and hard hitting I find that if your own work can move you to tears or laughter then there is a gem which needs to be discovered This book highlights issues which the media tip toe around child abuse murder reasons for war social mobility ethnicity sexuality and rape However this book also looks at the highs of society love personal wealth joy success and acceptance to our own faults I am grateful to this collection even though I created them as I feel deep down they created me The messages in the book will allow you as the reader to become inevitably the writer possibly wanting to indulge to the point you feel this is aimed at you Many poems in this collection have totally different styles meanings and impacts to the last Although this may not be considered the most consistent of reads I have purposely created an eclectic collection which reflects the constant changes of life This is a somewhat biography of the evolving world as I grew in it I strongly feel this has never been done and as I read them I can see how I have strengthened as an individual in society The Child the first one has always been considered as a reflection of my life however it is the opposite Even at that age I was able to put myself into another's situation and saw a poem being penned which I would always look back on to draw inspiration My Hero was dedicated to all those who have lost their life trying to create a better world not necessarily in the war This book is strong minded and hard hitting I am very certain of myself and this is dominant in the poetry This strength creates what others may not feel comfortable reading but deep down know that these issues exist and will carry on existing unless real action is taken A mixture of political and emotional subjects and sometimes both intertwined this book is aimed towards anyone in the general public However the subjects may not be apparent to everyone as some are representative of my age and not of my surroundings Overall I hope that the reader gets the satisfaction reading my poetry as I did writing it The magic of poetry I feel has faded greatly within education and possibly society I feel that the national curriculum needs to establish a better way of understanding what hundreds of years of poetry has given us to date I believe in myself as a poet and as a person but most importantly I believe in this book as a collection of great poetry which I know will leave you wanting to read more Thank you for taking the time to read this
