

A black and white photograph of a couple in a romantic pose. The woman is on the left, leaning towards the man on the right. They are both looking at each other, and their faces are close together, suggesting an imminent kiss. The lighting is soft and dramatic, highlighting their profiles. The background is dark and out of focus.

It takes one anticipated
moment to fall,
one solitary kiss
to unravel your soul.

Through a thousand nights of love into a thousand days of poetry, love came to me wearing its thousand faces and thrillingly whispering words into my heart. I wanted to remember them and to share them with you, so I wrote them all down with the uttermost care as my uttermost offering by love and for love with all of my heart. Those words were these poems which are this book of a thousand nights of love into a thousand days of poetry, written down with the uttermost care to remember and to share. And even and especially when it might not seem so, all these words in all their thousand ways share as their source and destination love wearing its thousand faces and thrillingly whispering words these words into your heart through mine. I made this book for you and it is yours now. It had to be called LOVE because it is. Take it Love Steven. **It's All God, the Flowers and the Fertilizer** Walter Jd Starcke, Eron Howell-Starcke, 2013-02

In his best-selling classic *It's All God*, modern mystic Walter Starcke bridges the gap between our humanity and Divinity as well as our traditional limited perspectives and our emerging Cosmic Consciousness. With the insight of a biblical scholar, Starcke clarifies the foundational Truths of our Judeo-Christian tradition as he takes humanity's spiritual roots forward into the light of the new state of human consciousness that is emerging today. His masterful knowledge of Scriptures unlocks the truths laid out in both the Old and New Testament not found in other metaphysical books. Starcke calls us to no longer separate God from our humanity and the world. With this awareness, we understand that the teachings of Jesus have not been fully realized until now as humanity begins the new cycle of the Age of the Gods. The awareness that *It's All God* is a requirement for living fully in this new Age of the Gods, which is this Golden Cycle, we have just begun. Starcke wrote that we have been given all the pieces, each necessary, none missing, and if we want to complete the picture, it is up to us to stop excluding those parts of ourselves and of our feelings that we have thought did not belong in the picture. If God is truly the only Power and Presence, then every piece, no matter how seemingly negative, insignificant or inappropriate, has a purpose. Instead of discarding those aspects of ourselves that seem faulty or unworthy when we stop judging them and see what they are telling us, we can find a right place for those energies and then we can complete the puzzle. In Part One, his in-depth knowledge takes us from the traditional approach through the Gnostics to clear insights on the teachings of Jesus and Paul. Uniquely, Starcke relates these teachings to modern Quantum Physics and the evolution of Consciousness. Starcke is not only a Biblical scholar but also well-versed in the workings of consciousness, perceptions and reality. Part One also includes Starcke's marvelous mystical insights and meditations. In Part Two of *It's All God*, Starcke gives us the how-tos of practical mysticism to apply Divine Truth to our daily

(Love Is Always Right) Michael A. Lockwood,2025-05-24 When they arrived humanity was mesmerized The Eniquitus dazzling in their silver ships and armed with a message of unity promised peace and enlightenment Yet beneath their charismatic facade lies a darker agenda one poised to reshape the spiritual fabric of the world Jeremy Spencer a preacher with a storied military past is caught between faith and deception As blind aliens infiltrate the hearts and minds of humanity Jeremy must confront not only the lies threatening the world but also the complexities of love loss and redemption in his own life Surrounded by grief and loss Jeremy finds a second chance at love

and the strength to keep fighting. Profound choices test Jeremy's resolve, forcing him to reckon with the cost of love and the power of a legacy that endures beyond life itself. Blending science fiction, spiritual exploration, and an unforgettable love story, *L I A R Love Is Always Right* is a genre-defying novel that weaves a tale of resilience, redemption, and the unyielding power of love to triumph over even the darkest deceptions. The Author, a retired Army Colonel, brings reality and his lived-in experiences of military service to life in a story of spiritual questioning, exploration of love in its many forms, high stakes, extra-terrestrial adventure, and cosmic confrontation. What if love really is the ultimate truth, even when everything else falls apart?

Of Love, Life, Identity and Other Coordinates Lemay Quesada, 2010-12-22. *Of love, life, identity and other coordinates* is a collection of poems inspired by the author's own life experiences. Each poem explores different dimensions of life as a lyrical journey, a journey filled with tribulations, emotional upheaval, and self-discovery. Falling in love, experiencing heartbreak, and searching for directions are among the key topical points presented by the author. The rhythmical lines that frame each poem are interwoven by means of metaphorical language, which aims at creating reflective spaces for the readers. In essence, these spaces allow for a diverse array of interpretations based on the reader's personal paths through life.
