## Love In Greece:

**Love, Sex & Marriage in Ancient Greece** Nikolaos A. Vrisimtzis, 1995      Greek Love J. Z. Eglinton, 1971      Love in Ancient Greece Robert Flacelière, 1973      **Romantic Love and Personal Beauty** Henry T. Finck, 1887      *Love in Ancient Greece* Robert Flacelière, 1973      *Ancient Greek Love Magic* Christopher A. FARAONE, Christopher A. Faraone, 2009-06-30

The ancient Greeks commonly resorted to magic spells to attract and keep lovers as numerous allusions in Greek literature and recently discovered voodoo dolls magical papyrus gemstones and curse tablets attest. Surveying and analyzing these various texts and artifacts Christopher Faraone reveals that gender is the crucial factor in understanding love spells. There are he argues two distinct types of love magic the curselike charms used primarily by men to torture unwilling women with fiery and maddening passion until they surrender sexually and the binding spells and debilitating potions generally used by women to sedate angry or philandering husbands and make them more affectionate. Faraone's lucid analysis of these spells also yields a number of insights about the construction of gender in antiquity for example the femininity of socially inferior males and the maleness of autonomous prostitutes. Most significantly his findings challenge the widespread modern view that all Greek men considered women to be naturally lascivious. Faraone reveals the existence of an alternate male understanding of the female as naturally moderate and chaste who uses love magic to pacify and control the naturally angry and passionate male. This fascinating study of magical practices and their implications for perceptions of male and female sexuality offers an unusual look at ancient Greek religion and society.

**The Greek slave; or, Filial love. From the Germ** Franz Hoffmann, 1881      *The Eye of the Xenos, Letters about Greece (Durrell Studies 3)* Richard Pine, Vera Konidari, 2021-05-04

The condition of Greece ever since its establishment as a sovereign state in 1830 has been the subject of intense international debate centring on its pivotal role in the Balkans. This has been aggravated by Greece's economic collapse in 2010 and by the ongoing refugee crisis by environmental disasters terrorism and the Macedonian question. This book's analysis and assessment of Greek social cultural and political life is trenchant up front and passionate based on the author's belief that one cannot love Greece without also mourning the fault lines in bureaucracy and the dynastic politics which have dominated it since its inception. This book features a selection of the author's Letters from Greece from The Irish Times and his Eye of the Xenos from the Greek newspaper Kathimerini in its entirety in both English and a Greek translation including columns which Kathimerini refused to print due to the nature of their political commentary.

**LOVE IN ANCIENT GREECE.** R. Flacelière, 1977      Greek Love Songs and Epigrams from the Anthology, 1911      **The Religious Teachers of Greece** James Adam, 1908      **The American Greek Review**, 1925      Love from Greece Melanie Panagiotopoulos, 2006-07

Three dream laden hope filled women depart from familiar ports for voyages of adventure to a remote Greek village the streets of New York City and ancient Olympia for the thrill of a long awaited business venture. On the way they find their faith challenged by knights on white horses chance meetings in Rockefeller Center and unknown though not entirely unexpected

callers Will Allie succeed in her quest to bring medical care to needy Greek villagers or will she die trying For Natalia moving from Greece to New York City was risky Can she make her modeling career work in unfamiliar territory and find true love in a chance meeting under the Christmas tree in Rockefeller Plaza Martha has found business success at last Will she find lasting love as well even though her childbearing years are behind her What will happen when faith collides with dreams come true Can these three courageous women trust God to write the next chapters of their fairy tales to His liking
