

"If you don't love her, leave her. If you can't picture her in a white dress walking down the aisle towards you, leave her. If you aren't able to see her as the woman who will raise your children, leave her. If you don't like the way she looks first thing in the morning, leave her. If her laugh doesn't warm you up inside, leave her. If her smile doesn't take your breath away, leave her. If her love for the sky bores you, leave her. If she in general doesn't fascinate you, leave her because someone out in the world is searching for this extraordinary girl who you believe is just ordinary."

Devotional Gary Chapman, James Stuart Bell, 2011-10 Inspiring true stories of lives changed through love in action with devotional thoughts for personal application following each reading      **Religion in Victorian Britain** Gerald Parsons, James Richard Moore, 1988  
 A T Moore s thorough commentary on Love s Sacrifice is designed to be of use to all kinds of readers from students of Early Modern drama to specialists in the field  
 The notes provide full explanations of obscure words and phrases and offer analyzes of many aspects of staging and interpretation  
 The text for this edition is based on a fresh study of the quarto of 1633 the only authoritative early text  
 In his introduction to the play Moore reappraises the evidence for the play s date of composition  
 He also looks at the circumstances of the play s genesis presenting detailed discussions of both the theater where Love s Sacrifice was first performed and the acting company for which it was written  
 Arguing that Ford s adaptation of his source materials is the key to interpreting this remarkably allusive play Moore provides a wealth of new information about Ford s sources  
 The introduction also includes a survey of critical responses an overview of the play stage history and a bibliography of relevant secondary material  
 This new volume in the Revels Plays series is the most detailed and comprehensive edition of Love s Sacrifice ever published and the first modern spelling edition of Ford s tragedy in more than a century  
 The play s textual history is discussed in an appendix  
 A second appendix examines possible links between Love s Sacrifice and the real life story of the murdered Italian prince and musician Carlo Gesualdo      **Beware a Scot's Revenge** Sabrina Jeffries, 2007-05-22  
 The third book in the School for Heiressess series by New York Times bestselling historical romance author Sabrina Jeffries is a delightfully sexy regency era romance

 is widely feared in his guise as The Scottish Scourge but Venetia remembers her former neighbor as a handsome youth whose attentions she craved  
 Now a wickedly sexy man Lachlan s appeal is even more intoxicating and much more dangerous  
 Though Lachlan tries to treat her as his foe his scorching kisses tell another story  
 And despite his plan to use her as a weapon against her father Venetia is determined that Lachlan s lust for revenge will be trumped by an even more powerful desire      **The God Who Plays** Brian Edgar, 2017-12-20  
 Many people would be surprised to hear that a playful attitude towards God and the world lies at the heart of Christian faith  
 Traditionally Christians have focused on the

serious responsibilities of service sacrifice and commitment But the prophets say that the future kingdom is full of people laughing and playing which has implications for Christians who are called to live out the future kingdom in the present Play is not trivial or secondary to work and service only a playful way of living does justice to the seriousness of life Play is the essential and ultimate form of relationship with God which is why Jesus told people to learn from children Indeed a playful attitude is an important part of all significant relationships This book explores grace faith love worship redemption and the kingdom from the perspective of a playful attitude It describes how to create a play ethic to match the work ethic and discusses play as a virtue Aquinas s warning against the sin of not playing enough and Bonhoeffer s claim that in a world of pain it is only the Christian who can truly play *Existential Counselling & Psychotherapy in Practice* Emmy Van

**Political Instrument Forming New Boundaries by Ethnic and Religious Diasporas in European Union** Konstantin S. Sharov, 2022-03-19 This book considers gender as a convenient tool for making new boundaries within the European Union. It offers a political analysis based on sociological surveys conveyed by the author in 2008-2021. It emphasises the utmost necessity of a proper understanding of specific gender political technologies applied in ethnic and religious diasporas within the EU borders by EU ruling elites to avoid ideological collapse in relations with diaspora political groups and general members. The book demonstrates that uncritical application of EU gender equality programs within diasporas may transform gender to a dangerous political force destabilising the European Union. The monograph will be of interest for political science.
